## Item 1.01 Entry into Material Definitive Agreement; Creation of a Direct Financial Obligation

### Indenture and Notes

On October 1, 2020, Pactiv Evergreen Inc. (the “Company”) completed the previously announced offering of \$1.0 billion aggregate principal amount of 4.000% senior secured notes due 2027 (the “Notes”).

The Notes were offered by Reynolds Group Issuer Inc. and Reynolds Group Issuer LLC, each an indirect wholly owned subsidiary of the Company (collectively, the “Issuers”), in the United States and sold to persons reasonably believed to be qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States to certain non-U.S. persons pursuant to Regulation S under the Securities Act. The Notes have not been and will not be registered under the Securities Act or any state securities law and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

The Notes were issued pursuant to an Indenture dated as of October 1, 2020 (the “Indenture”) among the Issuers, the guarantors party thereto from time to time, Wilmington Trust, National Association, as trustee, paying agent and registrar, and The Bank of New York Mellon, a New York banking corporation, as collateral agent.

The Notes are guaranteed on a senior basis by the Company and its subsidiaries that are or will become borrowers under, or that guarantee or will guarantee, the Company’s Senior Secured Credit Facilities (as defined in the Indenture). The Notes and related guarantees will be secured on a first lien priority basis by certain existing and future assets of the Issuers and the guarantors, subject to certain exceptions.

### *Maturity and Interest*

The Notes will mature on October 15, 2027. The Notes will bear interest at a rate of 4.000% per annum, payable semi-annually in arrears to holders of record at the close of business on April 1 or October 1 immediately preceding the applicable interest payment date on April 15 and October 15 of each year, commencing April 15, 2021. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months.

### *Optional Redemption*

On or after October 15, 2023, the Issuers may redeem the Notes at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest, if any, on the Notes redeemed, to, but excluding, the applicable redemption date, if redeemed during the twelve-month period beginning on August 15 of the year indicated below:

<b>Period</b>	<b>Redemption Price</b>
2023	102.000%
2024	101.000%
2025 and thereafter	100.000%

At any time prior to October 15, 2023, the Issuers may redeem the Notes at a redemption price equal to 100% of the principal amount of the Notes redeemed plus an applicable premium as of, and accrued and unpaid interest, if any, to, but excluding, the applicable redemption date.

### *Optional Redemption After Certain Equity Offerings*

At any time prior to October 15, 2023, the Issuers may redeem the Notes with the net cash proceeds received by the Company from any equity offering at a redemption price equal to 104.000% plus accrued and unpaid interest, if any, to, but excluding, the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the aggregate principal amount of the Notes issued under the Indenture, provided that: (1) the redemption takes place not later than 180 days after the closing of the related equity offering, and (2) not less than 50% of the aggregate principal amount of the then-outstanding Notes issued under the Indenture remains outstanding immediately thereafter, unless all such Notes are redeemed substantially concurrently.

---

### *Change of Control*

Upon a change of control, as defined in the Indenture, the Issuers will be required to make an offer to repurchase the Notes at a price equal to 101% of their principal amount, plus accrued and unpaid interest, if any, to but excluding the date of repurchase.

### *Ranking of the Notes*

The Notes will be senior secured obligations of each Issuer and will:

- be effectively senior to all existing and future unsecured indebtedness of such Issuer to the extent of the value of the Collateral (as defined in the Indenture) securing the Notes;
- rank pari passu in right of payment with all existing and future senior indebtedness of such Issuer, including indebtedness under, or in respect of its guarantees of, the Senior Secured Credit Facilities and the 5.125% senior secured notes due 2023 (the “2023 Notes”);
- be effectively subordinated to all indebtedness and other liabilities of such Issuer secured by property that does not also secure the Notes to the extent of the value of all such property;
- be senior in right of payment to all existing and future subordinated indebtedness of such Issuer; and
- be effectively subordinated to all claims of creditors, including trade creditors, and claims of preferred stockholders (if any) of each of the subsidiaries of the Company that is not a guarantor of the Notes.

The note guarantees relating to the Notes will be senior obligations of each guarantor and will:

- be effectively senior to all existing and future unsecured indebtedness of such guarantor to the extent of the value of the Collateral securing such guarantor’s guarantee of the Notes;
- rank pari passu in right of payment with all existing and future senior indebtedness of such guarantor, including indebtedness under, or in respect of its guarantee of, the Senior Secured Credit Facilities and the 2023 Notes; and
- be effectively subordinated to all indebtedness and other liabilities secured by property of such guarantor that does not also secure such guarantor’s guarantee of the Notes to the extent of the value of all such property.

### *Covenants*

The Indenture contains covenants that, among other things, limit the ability of the Company and its restricted subsidiaries to:

- incur or guarantee additional indebtedness or issue certain kinds of stock;
- pay dividends or distributions on, or redeem or repurchase, capital stock and make other restricted payments;
- make investments;
- engage in certain transactions with affiliates;
- grant or assume certain liens; and
- consolidate, merge or transfer all or substantially all of their assets.

These limitations are subject to a number of important qualifications and exceptions.

---

## *Events of Default*

The Indenture contains certain customary events of default, including:

- non-payment of interest on the Notes for a continuous period of 30 days;
- non-payment of principal or premium, if any, on the Notes;
- breach of any agreement in the Notes or the Indenture by the Company or any guarantor (a) for more than 270 days after notice with respect to reporting obligations under the Indenture or (b) in all other cases, which is not cured within 60 days of notice;
- cross-defaults or acceleration of certain other indebtedness of the Company, an Issuer or any Significant Subsidiary (as defined in the Indenture) in excess of the greater of \$135 million and 20% of LTM EBITDA (as defined in the Indenture);
- certain bankruptcy or insolvency events;
- certain material judgments against the Company, an Issuer or a Significant Subsidiary;
- invalidity of any guarantee, and with respect to the Notes, any security interest, of the Company, an Issuer or a Significant Subsidiary, subject to certain exceptions; and
- certain security interest default events.

The foregoing description of the terms of the Notes does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Indenture, a copy of which is filed as Exhibit 1.

### **Refinancing Amendment**

On October 1, 2020, the Company entered into a refinancing amendment in relation to certain indebtedness outstanding under its existing senior secured credit facility, under which the Company borrowed \$1,250 million in senior secured refinancing term loans and established commitments for the borrowing of senior secured refinancing revolving loans in an amount of \$250 million (the “Refinancing Amendment”). The net proceeds of the term loan refinancing were used to partially refinance existing term loans and the new refinancing revolving commitments replaced the existing revolving commitments in full.

The refinancing term loans will mature on February 5, 2026 (the “Tranche B-2 U.S. Term Loans”). The new revolving commitments will mature on August 5, 2024 (the revolving loans advanced thereunder, the “Revolving Loans”).

The Tranche B-2 U.S. Term Loans will bear interest at a rate per annum equal to (i) in the case of Eurocurrency borrowings, the Adjusted LIBO Rate plus 3.25% and (ii) in the case of ABR borrowings, the Alternate Base Rate plus 2.25%.

The Revolving Loans will bear interest at a rate per annum equal to (i) in the case of Eurocurrency borrowings, the Adjusted LIBO Rate plus 2.75% and (ii) in the case of ABR borrowings, the Alternate Base Rate plus 1.75%.

The foregoing description of the terms of the Refinancing Amendment does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Refinancing Amendment, a copy of which is filed as Exhibit 2.

### **Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The disclosure required by this item is included in Item 1.01 of this Current Report on Form 8-K and is incorporated herein by reference.

## 2024 and 2023 Notes Redemptions

On September 8, 2020, the Company issued conditional notices of redemption for all of its outstanding 7.000% senior notes due 2024 (the “2024 Notes”) and \$1,225 million of its 2023 Notes. The conditions to these redemptions have been either satisfied or waived, and therefore such redemptions and redemption payment will occur on October 8, 2020.

In addition, on September 18, 2020, the Company issued an additional conditional notice of redemption for \$245 million aggregate principal amount of the 2023 Notes. The condition to this redemption has been satisfied, and therefore such redemption will occur on October 18, 2020, with payment for such redemption to occur on October 19, 2020.

This Form 8-K shall not be considered to be a notice of redemption pursuant to the indenture governing the 2024 Notes or the 2023 Notes.

“Acquired Indebtedness” means with respect to any Person (x) Indebtedness of any other Person or any of its Subsidiaries existing at the time such other Person becomes a Restricted Subsidiary or merges or amalgamates with or into or consolidates or otherwise combines with the Company or any Restricted Subsidiary and (y) Indebtedness secured by a Lien encumbering any asset acquired by such Person. Acquired Indebtedness shall be deemed to have been incurred, with respect to clause (x) of the preceding sentence, on the date such Person becomes a Restricted Subsidiary or on the date of the relevant merger, amalgamation, consolidation, acquisition or other combination.

---

“Additional Assets” means:

- (1) any property or assets (other than Capital Stock) used or to be used by the Company, a Restricted Subsidiary or otherwise useful in a Similar Business (it being understood that capital expenditures on property or assets already used in a Similar Business or to replace any property or assets that are the subject of such Asset Disposition shall be deemed an investment in Additional Assets);
- (2) the Capital Stock of a Person that is engaged in a Similar Business and becomes a Restricted Subsidiary as a result of the acquisition of such Capital Stock by the Company or a Restricted Subsidiary; or
- (3) Capital Stock constituting a minority interest in any Person that at such time is a Restricted Subsidiary.

“Affiliate” of any specified Person means any other Person, directly or indirectly, controlling or controlled by or under direct or indirect common control with such specified Person. - (b) the outstanding principal amount of such Note;

in each case, as calculated by the Issuers or on behalf of the Issuers by such Person as the Issuers shall designate. The Trustee shall have no duty to calculate or verify the calculations of the Applicable Premium.

“Applicable Representative” has the meaning given to such term in the First Lien Intercreditor Agreement.

“Applicable Treasury Rate” means the weekly average for each Business Day during the most recent week that has ended at least two (2) Business Days prior to the redemption date of the yield to maturity at the time of computation of United States Treasury securities with a constant maturity (as compiled and published in the Federal Reserve Statistical Release H.15 (or, if such statistical release is not so published or available, any publicly available source of similar market data selected by the Issuers in good faith)) most nearly equal to the period from the redemption date to October 15, 2023; *provided, however*, that if the period from the redemption date to October 15, 2023 is not equal to the constant maturity of a United States Treasury security for which a yield is given, the Applicable Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the yields of United States Treasury securities for which such yields are given, except that if the period from the redemption date to such applicable date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

In the event that the Company or any Restricted Subsidiary incurs, assumes, guarantees, redeems, defeases, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced), has caused any Reserved Indebtedness Amount to be deemed to be incurred during such period or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the reference period but prior to or simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Fixed Charge Coverage Ratio Calculation Date”), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, deemed incurrence, assumption, guarantee, redemption, defeasance, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, any Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and disposed operations that have been made by the Company or any of its Restricted Subsidiaries, during the reference period or subsequent to the reference period and on or prior to or simultaneously with the Fixed Charge Coverage Ratio Calculation Date shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and disposed operations (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged or amalgamated with or into the Company or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation or disposed or discontinued operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, amalgamation, consolidation or disposed operation had occurred at the beginning of the reference period.

For purposes of this definition, whenever pro forma effect is to be given to a transaction (including the Transactions), the pro forma calculations shall be made in good faith by a responsible financial or chief accounting officer of the Company (and may include, for the avoidance of doubt, cost savings, operating expenses reductions and synergies resulting from such transactions which is being given pro forma effect). If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the entire reference period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Finance Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Finance Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed with a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the reference period except as set forth in the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or

similar rate, a eurocurrency interbank offered rate, or other rate, shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Company may designate.

At any time after the Issue Date, the Company may elect to apply IFRS accounting principles in lieu of GAAP and, upon any such election, references herein to GAAP shall thereafter be construed to mean IFRS (except as otherwise provided in this Indenture); *provided* that any such election, once made, shall be irrevocable; *provided, further*, any calculation or determination in this Indenture that requires the application of GAAP for periods that include fiscal quarters ended prior to the Company’s election to apply IFRS shall remain as previously calculated or determined in accordance with GAAP. The Company shall give notice of any such election made in accordance with this definition to the Trustee. For the avoidance of doubt, solely making an election (without any other action) referred to in this definition will not be treated as an incurrence of Indebtedness.

If there occurs a change in IFRS or GAAP, as the case may be, and such change would cause a change in the method of calculation of any term or measure used in this Indenture (an “Accounting Change”), then the Company may elect, as evidenced by a written notice of the Company to the Trustee, that such term or measure shall be calculated as if such Accounting Change had not occurred.

reclassify all or any portion of such Permitted Lien in any manner that complies with this Indenture and such Permitted Lien shall be treated as having been made pursuant only to the clause or clauses of the definition of Permitted Lien to which such Permitted Lien has been classified or reclassified.

The Reference Agreement Security Principles shall initially mean the following:

(A) Considerations

(1) The security that will be provided in support of the Obligations (as defined in the First Lien Intercreditor Agreement) will be given in accordance with certain security principles (the “Security Principles”) set forth below.

(2) The Security Principles embody recognition by all parties that there may be certain legal and practical difficulties in obtaining effective security from the Issuers and Guarantors. However, it is acknowledged that to the extent the Security Principles conflict with the specific provisions of this Indenture or any Security Document (other than those explicitly qualified by these Security Principles), the provisions of this Indenture or such Security Document will prevail.

(3) For purposes of the Security Principles, “value” refers to fair market value; *provided, however*, that if no fair market value is readily ascertainable, value shall refer to book value determined in accordance with GAAP (as defined in the Senior Secured Credit Facilities) (consistently applied), as of the date of the most recently ended fiscal quarter for which financial statements are available.

(4) For purposes of the covenants set forth in this Indenture and the Security Documents, the Applicable Representative from time to time shall make all determinations on behalf of the Holders with respect to these Security Principles and the Notes shall not be entitled to any Collateral not also available on the same priority basis in respect of the Senior Secured Credit Facilities, any other Credit Agreement or other Public Debt.

The Security Principles are as follows:

(a) general statutory limitations, financial assistance, capital maintenance, corporate benefit, fraudulent preference, “thin capitalisation” rules, retention of title claims, exchange control restrictions and similar principles may limit the ability of the Issuers and Guarantors to provide a guarantee or security or may require that the guarantee or security be limited by an amount or otherwise; the Issuers and Guarantors will use reasonable endeavours to provide the maximum permissible credit support and to assist in demonstrating that adequate corporate benefit accrues to any relevant entity;

(b) the entities required to provide guarantees and security and the extent of the perfection of such security may be limited where the Applicable Representative reasonably determines in consultation with the Loan Parties (in each case as used in this definition, such term as defined in the Senior Secured Credit Facilities) that the cost to the Loan Parties (including for the avoidance of doubt, any material tax costs to the Loan Parties taken as a whole) of providing guarantees and security is excessive in relation to the benefit accruing to the Secured Parties (as defined in the First Lien Intercreditor Agreement);

(c) any assets subject to third party arrangements which are permitted by this Indenture and the Security Documents and which prevent those assets from being subject to a Lien will not be subject to a Lien in any relevant Security Document; *provided, however*, that reasonable endeavours to obtain consent to such Lien shall be

used by the relevant Issuer or Guarantor if the relevant asset is material and if seeking such consent will not adversely affect the business of the Issuer or Guarantor or their commercial relationships;

(d) guarantees and security will not be required from companies that are not Wholly Owned Subsidiaries (such term, as used throughout these Security Principles, to exclude directors' qualifying shares and similar insignificant minority ownership interests). Where security is provided by a wholly owned subsidiary of any Issuer or Guarantor (whether direct or indirect) and such subsidiary subsequently ceases to be wholly owned but remains a subsidiary, there shall be no requirement for the release of such guarantee or security;

(e) the Company and its Subsidiaries (the "Group") will not be required to grant Note Guarantees or enter into Security Documents if it would conflict with the fiduciary duties of their directors or contravene any legal prohibition or result in a risk of personal or criminal liability on the part of any officer; provided, however, that the relevant member of the Group shall use reasonable endeavours to overcome any such obstacle; provided further, however, that the above limitation shall be assessed in respect of the obligations of such member of the Group under the Credit Documents (as defined in the First Lien Intercreditor Agreement) generally and not just the Note Guarantee or security being granted by that member of the Group;

(f) neither the Company nor any of its Subsidiaries will be required to grant guarantees or enter into Security Documents where there would be a significant tax disadvantage in doing so. Without limiting the generality of the foregoing, neither the Company nor any of its Subsidiaries shall be required to give a Note Guarantee or a pledge of its assets if such Person is a U.S. Controlled Foreign Subsidiary, and in no event shall more than 65% of the total outstanding voting Equity Interests of such an entity be required to be pledged;

(g) perfection of security, when required, and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in this Indenture and the Security Documents therefor or (if earlier or to the extent no such time periods are specified in this Indenture and the Security Documents) within the time periods specified by applicable law in order to ensure due perfection. The perfection of security granted will not be required if it would have a material adverse effect on the ability of the relevant Issuer or Guarantor to conduct its operations and business in the ordinary course as otherwise permitted by this Indenture and the Security Documents;

(h) the Collateral Agent (acting in its own right or on behalf of the relevant Secured Parties) shall be able to enforce the security granted by the Security Documents without any restriction from (i) the constitutional documents of any of the Issuers and Guarantors, to the extent that such restrictions can be removed under relevant law, (ii) any of the Issuers and Guarantors which is or whose assets are the subject of such Security Document (but subject to any inalienable statutory or common law rights which the Issuers and Guarantors may have to challenge such enforcement) or (iii) any shareholders of the foregoing not party to the relevant Security Document, to the extent that it is within the power of the Issuers and Guarantors to ensure that such restrictions do not apply;

(i) the maximum secured amount may be limited to minimize stamp duty, notarisation, registration or other applicable fees, taxes and duties;

(j) where a class of assets to be secured by an Issuer or Guarantor includes material and immaterial assets, the applicable Issuer or Guarantor and the Administrative Agent under the Senior Secured Credit Facilities (or such other Applicable Representative) may agree to a threshold in respect of such assets and direct the Collateral Agent to act accordingly;

(k) the only owned real property owned by the Company and its Subsidiaries required to be pledged on the Issue Date or as soon as reasonably practicable thereafter, but, in any event, at the same time such pledge is given in respect of the Senior Secured Credit Facilities, will be the real property pledged in respect of the Senior Secured Credit Facilities at such time. After the Issue Date, neither the Company nor any of its Subsidiaries will be required to pledge any real property owned by the Company or such Subsidiaries unless the value of such real property exceeds \$25.0 million. Neither the Company nor any of its Subsidiaries will be required to pledge any property in which it has a leasehold interest;

(l) unless granted under a global Security Document governed by the law of the jurisdiction of the Issuers or a Guarantor or New York law, all security (other than share security over subsidiaries of the Issuers or a Guarantor) shall be governed by the law of and secure assets located in the jurisdiction of incorporation of that

entity; *provided, however*, that for certain receivables security, such security may be governed by the law of the jurisdiction of incorporation or domicile of the creditor or the law that governs the underlying receivable;

(m) other than where intellectual property is secured by a floating charge or other similar all-asset security interest, security interests need only be granted for intellectual property with a value greater than \$5.0 million. Security interests in intellectual property will be registered solely in the jurisdiction of incorporation of the entity that owns such intellectual property; *provided, however*, that, with respect to intellectual property that is material to such entity, to the extent the registration of a security interest in or the taking of any other commercially reasonable actions with respect to, such intellectual property in any other jurisdiction is necessary to ensure that the Secured Parties would be able to realize upon the value of the secured intellectual property in the event of enforcement action, such registration or other actions will be taken in such other jurisdiction as the Collateral Agent may reasonably request taking into account the cost to the Loan Parties of such registration in relation to the benefit accruing to the Secured Parties;

(n) security interests will be taken over only those insurance policies of the Issuers and Guarantors that are material to the Group as a whole, as reasonably determined by the Administrative Agent under the Senior Secured Credit Facilities (or other Applicable Representative, as applicable);

(o) other than where equipment is secured by a floating charge or other similar all-asset security interest, security interests need only be granted for manufacturing equipment with a value greater than \$1.0 million;

(p) other than where equity is secured by a floating charge or other similar all asset security interest or secured under a security agreement in effect as of the Issue Date, security interests will be provided over the equity of any Subsidiary that is not a Loan Party only if (i) it is organized in a jurisdiction where one or more Loan Party is organized, (ii) as of the last day of the fiscal quarter of the Company most recently ended for which financial statements are available, it had gross assets (excluding intra group items but including investments in Subsidiaries) in excess of 1.0% of Consolidated Total Assets (as defined in the Senior Secured Credit Facilities) or (iii) for the period of four consecutive fiscal quarters of the Company most recently ended for which financial statements are available, it had earnings before interest, tax, depreciation and amortization calculated on the same basis as Consolidated EBITDA in excess of 1.0% of the Consolidated EBITDA (as such terms are defined in the Senior Secured Credit Facilities); *provided, however*, that, except to the extent expressly contemplated by this Indenture or the Security Documents, no Issuer or Guarantor shall be required to execute or provide any amendment or supplement to any pledge agreement granting a security interest in equity issued by a Person that is not an Issuer or a Guarantor to the extent such pledge agreement is governed by the laws of a jurisdiction where no Issuer or Guarantor is organized;

(q) other than where equity interests are secured by a floating charge or other similar all asset security interest, no security interest will be provided over the equity of any Subsidiary that (1) (a) does not conduct any business operations, (b) has assets with a book value not in excess of \$1.0 million and (c) does not have any indebtedness outstanding or (2) is an Unrestricted Subsidiary;

(r) security interests shall not be required in respect of (i) any bank account that has an average daily balance of less than \$500,000 (or its equivalent in other currencies) (and any other bank account as the Administrative Agent under the Senior Secured Credit Facilities may reasonably otherwise agree to exclude) unless such security is constituted automatically under a global Security Document or a floating charge or other similar all-asset security interest (in which case any perfection related obligations (including the delivery of notices or entering into of deposit account control agreements) or reporting requirements shall not apply to such bank account) or (ii) to the extent that the security interest therein is prohibited by the terms of the applicable factoring transaction, any bank account used by any Issuer or Guarantor primarily for the receipt of payments in respect of receivables that are subject to a factoring transaction permitted by this Indenture and the Security Documents, so long as such bank account is subject to agreed procedures and documentation, in each case acceptable to the Applicable Representative and providing for the prompt transfer by the applicable deposit bank of any funds received therein, other than payments in respect of such receivables, to a bank account subject to a security interest in favor of the Collateral Agents and the Secured Parties (or exempted pursuant to clause (i) above) (and, if requested by any Issuer or Guarantor, the Applicable Representative shall cause the release of any bank accounts not required to be pledged under this clause (ii)); and

(s) notwithstanding anything to the contrary set forth in the Security Documents or these Reference Agreement Security Principles, control agreements with depositary banks and securities intermediaries governing deposit accounts or securities accounts shall not be required to be entered into, and the Applicable Representative is authorized to instruct the Collateral Agent to terminate any existing control agreements that may be in effect on the Issue Date.

For the avoidance of doubt, in these Security Principles, “cost” includes, but is not limited to, income tax cost, registration taxes payable on the creation or for the continuance of any security, stamp duties, out-of-pocket expenses and other fees and expenses directly incurred by the relevant grantor of security or any of its direct or indirect owners, Subsidiaries or Affiliates.

(B) Guarantors and Security

Each Note Guarantee will be an upstream, cross-stream and downstream guarantee of all the Obligations with respect to the Notes and the Note Guarantees, subject to the requirements of the Security Principles in each relevant jurisdiction. Subject to the Security Principles, the security will secure all of the Obligations with respect to the Notes and the Note Guarantees.

Subject to these Security Principles, the security package shall include stock and other membership interests issued by the Issuers and Guarantors and intercompany and trade receivables, bank accounts (and amounts on deposit therein), intellectual property, insurance, real estate, inventory and equipment, in each case owned by an Issuer or Guarantor and, in jurisdictions where an “all asset” security interest can be created in a security document, security over all assets shall, subject to this Indenture and the Security Documents, be given by the Issuers and Guarantors formed in that jurisdiction.

To the extent possible, all security shall be given in favour of the Collateral Agent and not the Holders individually. “Parallel debt” provisions will be used where necessary; such provisions will be contained in the First Lien Intercreditor Agreement and not the individual Security Documents unless required under local laws. To the extent possible, the grant of security in the Collateral shall be structured, documented or otherwise implemented in a manner so that there should be no action required to be taken in relation to the security when any Holder transfers an interest in the Notes to another party. To the extent such action is required, the Applicable Representative shall not require the Collateral Agent to obtain security in such asset giving rise to the requirement for such action upon a transfer of an interest in the Notes to another party.

The Issuers and Guarantors will be required to pay the reasonable costs of any re- execution, notarisation, re- registration, amendment or other perfection requirement for any security on any transfer by a Holder to a new Holder on or prior to the date on which the Initial Purchasers notify the Company that primary distribution of the Notes is complete. Otherwise the cost or fee shall be for the account of the transferee Holder.

(C) Terms of Security Documents

The following principles will be reflected in the terms of any security taken as part of this transaction:

- (a) the security will be first ranking, to the extent possible;
- (b) security will (to the extent possible under local law) not be enforceable unless an Event of Default (as defined in the First Lien Intercreditor Agreement) has occurred and is continuing;
- (c) any representations, warranties or undertakings which are required to be included in any Security Document shall reflect (to the extent to which the subject matter of such representation, warranty and undertaking is the same as the corresponding representation, warranty and undertaking in the Credit Agreement, this Indenture or any Additional Agreement (as defined in the First Lien Intercreditor Agreement and to the extent relevant) (collectively, the “Principal Loan Documents”) the commercial deal set out in the Principal Loan Documents (save to the extent that applicable local counsel agree that it is necessary to include any further provisions (or deviate from those contained in the Principal Loan Documents) in order to protect or preserve the security granted thereunder);
- (d) the provisions of each security document will not be unduly burdensome on the relevant Issuer or Guarantor granting such security or interfere unreasonably with the operation of its business and will be limited to those required to create effective security and not impose unreasonable commercial obligations;

(e) information, such as lists of assets, will be provided if and only to the extent (i) required by law to create, enforce, perfect or register the security or (ii) necessary or advisable to enforce the security; *provided, however*, that such information need not be provided by an Issuer or Guarantor pursuant to this subclause (ii) more frequently than annually unless an Event of Default has occurred (or, in the case of third-party trade debtors, unless a Default has occurred which is continuing), and in each case that information can be provided without breaching confidentiality requirements or damaging business relationships;

(f) the Collateral Agent and Secured Parties shall be able to exercise a power of attorney only following the occurrence of an Event of Default or if the relevant Issuer or Guarantor granting such security has failed to comply with a further assurance or perfection obligation within 10 Business Days of being notified of that failure;

(g) security will, where possible and practical, automatically create security over future assets of the same type as those already secured;

(h) notification of receivables security to third-party trade debtors shall not be given unless a Default has occurred and is continuing and for intercompany receivables notification may be given at the time such security is granted to the extent required by local law to perfect such security or if a Default has occurred and is continuing;

(i) in respect of the share pledges, until an Event of Default has occurred, the pledgors shall be permitted to retain and to exercise voting rights to any shares pledged by them in a manner which does not adversely affect the validity or enforceability of the security or cause an Event of Default to occur and the subsidiaries of the pledgors should be permitted to pay dividends upstream on pledged shares to the extent permitted under the Principal Loan Documents; and

(j) in respect of bank accounts (and cash therein), the Collateral Agent agrees with the relevant Issuer or Guarantor that the Collateral Agent shall not give any instructions or withhold any withdrawal rights from such Issuer or Guarantor, unless an Event of Default has occurred and is continuing, or, after giving effect to any withdrawal, would occur.

“Reference Credit Agreement” means the Senior Secured Credit Facilities as in effect on the Issue Date as the same may be amended, modified, restated and supplemented from time to time, including any Replacement Reference Credit Agreement.

“refinance” means refinance, refund, replace, renew, repay, modify, restate, defer, substitute, supplement, reissue, resell, extend or increase (including pursuant to any defeasance or discharge mechanism) and the terms “refinances,” “refinanced” and “refinancing” as used for any purpose in this Indenture shall have a correlative meaning.

“Refinancing Indebtedness” means Indebtedness that is incurred to refund, refinance, replace, exchange, renew, repay or extend (including pursuant to any defeasance or discharge mechanism) any Indebtedness (or unutilized commitment in respect of Indebtedness) existing on the Issue Date or incurred (or established) in compliance with this Indenture (including Indebtedness of the Company that refinances Indebtedness of any Restricted Subsidiary and Indebtedness of any Restricted Subsidiary that refinances Indebtedness of the Company or another Restricted Subsidiary) including Indebtedness that refinances Refinancing Indebtedness, and Indebtedness incurred pursuant to a commitment that refinances any Indebtedness or unutilized commitment; *provided, however*, that:

(1) (a) such Refinancing Indebtedness has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness being refunded, refinanced, replaced, exchanged, renewed, repaid or extended (or requires no or nominal payments in cash (other than interest payments) prior to the date that is 91 days after the maturity date of the Notes); and (b) to the extent such Refinancing Indebtedness refinances Subordinated Indebtedness and/or has Junior Lien Priority to the Notes, such Refinancing Indebtedness is Subordinated Indebtedness and/or has Junior Lien Priority to the Notes, respectively, and, in the case of Subordinated Indebtedness, is subordinated to the Notes on terms at least as favorable to the Holders as those contained in the documentation governing the Indebtedness being refinanced;

(2) Refinancing Indebtedness shall not include:

- (i) Indebtedness of a Subsidiary of the Company that is not a Guarantor that refinances Indebtedness of the Company or a Guarantor; or
- (ii) Indebtedness of the Company or a Restricted Subsidiary that refinances Indebtedness of an Unrestricted Subsidiary; and

(3) such Refinancing Indebtedness is incurred in an aggregate principal amount (or if issued with original issue discount, an aggregate issue price) that is equal to or less than the sum of (x) the aggregate principal amount (or if issued with original issue discount, the aggregate accreted value) then outstanding of the Indebtedness being refinanced, plus (y) an amount equal to any unutilized commitment relating to the Indebtedness being refinanced or otherwise then outstanding under a Credit Facility or other financing arrangement being refinanced to the extent the unutilized commitment being refinanced could be drawn in compliance with Section 3.2 hereof immediately prior to such refinancing, plus (z) accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing;

*provided*, that clause (1)(a) above will not apply to any extension, replacement, refunding, refinancing, renewal or defeasance of any Secured Indebtedness. Refinancing Indebtedness in respect of any Credit Facility or any other Indebtedness may be incurred from time to time after the termination, discharge or repayment of any such Credit Facility or other Indebtedness.

(a) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited. The Initial Notes issued on the date hereof will be in an aggregate principal amount of \$1,000,000,000. In addition, the Issuers may issue, from time to time in accordance with the provisions of this Indenture, Additional Notes (as provided herein). Furthermore, Notes may be authenticated and delivered upon registration of transfer, exchange or in lieu of, other Notes pursuant to Sections 2.2, 2.6, 2.11, 2.13, 5.6 or 9.5, in connection with an Asset Disposition Offer (or an Advance Offer) pursuant to Section 3.5 or in connection with a Change of Control Offer (or an Alternate Offer) pursuant to Section 3.9.

Notwithstanding anything to the contrary contained herein, the Issuers may not issue any Additional Notes, unless such issuance is in compliance with Section 3.2 and Section 3.6.

With respect to any Additional Notes, the Issuers shall set forth in one or more indentures supplemental hereto, the following information:

- (A) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (B) the issue price and the issue date of such Additional Notes, including the date from which interest shall accrue; and
- (C) whether such Additional Notes shall be Restricted Notes.

In authenticating and delivering Additional Notes, the Trustee shall be entitled to receive and shall be fully protected in relying upon, in addition to the Opinion of Counsel and Officer's Certificate required by Section 13.2, an Opinion of Counsel as to the due authorization, execution, delivery, validity and enforceability of such Additional Notes.

The Initial Notes and the Additional Notes shall be considered collectively as a single class for all purposes of this Indenture, *provided* that any Additional Notes will not be issued with the same CUSIP, ISIN or other identifying number as the Initial Notes unless such Additional Notes are fungible with the Initial Notes for U.S. federal income tax purposes. Holders of the Initial Notes and the Additional Notes will vote and consent together on all matters to which such Holders are entitled to vote or consent as one class, and none of the Holders of the Initial Notes or the Additional Notes shall have the right to vote or consent as a separate class on any matter to which such Holders are entitled to vote or consent. Holders of Additional Notes actually issued will share equally and ratably in the Collateral with the Holders of the other Notes.

(b) The Initial Notes are being offered and sold by the Issuers pursuant to a Purchase Agreement, dated as of September 17, 2020, among the Issuers and Credit Suisse Securities (USA) LLC as representative for the Initial Purchasers. The Initial Notes and any Additional Notes (if issued as Restricted Notes) (the "Additional Restricted Notes") will be resold initially only to (A) Persons reasonably believed to be QIBs in reliance on Rule 144A and (B) Non-U.S. Persons in reliance on Regulation S. Such Initial Notes and Additional Restricted Notes may thereafter be transferred to, among others, persons reasonably believed to be QIBs, purchasers in reliance on Regulation S, and IAs in accordance with Rule 501 under the Securities Act in each case, in accordance with the procedure described herein. Additional Notes offered after the date hereof may be offered and

sold by the Issuers from time to time pursuant to one or more purchase agreements in accordance with applicable law.

Initial Notes and Additional Restricted Notes offered and sold to persons reasonably believed to be QIBs in the United States of America in reliance on Rule 144A (the “Rule 144A Notes”) shall be issued in the form of a permanent global Note substantially in the form of Exhibit A, which is hereby incorporated by reference and made a part of this Indenture, including appropriate legends as set forth in Section 2.1(d) (the “Rule 144A Global Note”), deposited with the Trustee, as custodian for DTC, duly executed by the Issuers and authenticated by the Trustee as hereinafter provided. The Rule 144A Global Note may be represented by more than one certificate if so required by DTC’s rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Rule 144A Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

Initial Notes and any Additional Restricted Notes offered and sold to non-U.S. Persons outside the United States of America (the “Regulation S Notes”) in reliance on Regulation S shall initially be issued in the form of a temporary global Note substantially in the form of Exhibit A, including appropriate legends as set forth in Section 2.1(d) (the “Temporary Regulation S Global Note”). The Temporary Regulation S Global Note will be deposited upon issuance with, or on behalf of, the Trustee as custodian for DTC in the manner described in this Article II. Following the expiration of the period through and including the 40th day after the later of the commencement of the offering of the Initial Notes and the Issue Date (such period through and including such 40th day, the “Restricted Period”), beneficial interests in such Temporary Regulation S Global Note shall be exchanged as provided in Section 2.6(c) for beneficial interests in a permanent global Note substantially in the form of Exhibit A (“Permanent Regulation S Global Note”) and, together with the Temporary Regulation S Global Note, the “Regulation S Global Note”) or otherwise in accordance with DTC’s procedures. The Permanent Regulation S Global Note will be deposited upon issuance with, or on behalf of, the Trustee as custodian for DTC in the manner described in this Article II. Simultaneously with the authentication of a Permanent Regulation S Global Note, the Trustee shall cancel the related Temporary Regulation S Global Note. The Regulation S Global Note may be represented by more than one certificate if so required by DTC’s rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

Investors may hold their interests in the Regulation S Global Note through organizations other than Euroclear Bank S.A./N.V. (“Euroclear”) or Clearstream Banking, *société anonyme* (“Clearstream”) that are participants in DTC’s system or directly through Euroclear or Clearstream, if they are participants in such systems, or indirectly through organizations which are participants in such systems. If such interests are held through Euroclear or Clearstream, Euroclear and Clearstream will hold such interests in the applicable Regulation S Global Note on behalf of their participants through customers’ securities accounts in their respective names on the books of their respective depositories. Such depositories, in turn, will hold such interests in the applicable Regulation S Global Note in customers’ securities accounts in the depositories’ names on the books of DTC.

Initial Notes and Additional Restricted Notes resold to IAIs (the “Institutional Accredited Investor Notes”) in the United States of America will be issued in the form of a permanent global Note substantially in the form of Exhibit A including appropriate legends as set forth in Section 2.1(d) (the “Institutional Accredited Investor Global Note”) deposited with the Trustee, as custodian for DTC, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The Institutional Accredited Investor Global Note may be represented by more than one certificate, if so required by DTC’s rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Institutional Accredited Investor Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

The Rule 144A Global Note, the Regulation S Global Note and the Institutional Accredited Investor Global Note are sometimes collectively herein referred to as the “Global Notes.”

The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of the Paying Agent designated by the Issuers maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Issuers as may be maintained for such purpose pursuant to Section 2.3; *provided, however*, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) will be made by wire transfer of immediately available funds to the accounts specified by DTC. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least \$1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made in accordance with the Notes Register, or by wire transfer to a Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee or Paying Agent, as applicable, may accept in its discretion).

The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage, in addition to those set forth on Exhibit A and in Section 2.1(d). The Issuers shall approve any notation, endorsement or legend on the Notes. Each Note shall be dated the date of its authentication. The terms of the Notes set forth in Exhibit A are part of the terms of this Indenture and, to the extent applicable, the Issuers, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to be bound by such terms.

(c) Denominations. The Notes shall be issuable only in fully registered form in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

(d) Restrictive and Global Note Legends.

(1) Unless and until (i) an Initial Note or an Additional Note issued as a Restricted Note is sold under an effective registration statement or (ii) the Issuers receive an Opinion of Counsel satisfactory to it to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act, the Rule 144A Global Note, the Regulation S Global Note and the Institutional Accredited Investor Global Note shall each bear the following legend on the face thereof:

AS USED HEREIN, THE TERMS "OFFSHORE TRANSACTION," "UNITED STATES" AND "U.S. PERSON" HAVE THE MEANING GIVEN TO THEM BY REGULATION S UNDER THE SECURITIES ACT.

Each Regulation S Global Note shall also bear the following legend on the face thereof:

(2) Each Global Note, whether or not an Initial Note, shall bear the following legend on the face thereof:

FIELD COURT, LAKE FOREST, ILLINOIS, 60045, ATTENTION: GENERAL COUNSEL.

(e) Book-Entry Provisions. (i) This Section 2.1(e) shall apply only to Global Notes deposited with the Trustee, as custodian for DTC, and for which the applicable procedures of DTC shall govern.

(1) Each Global Note initially shall (x) be registered in the name of DTC or the nominee of DTC, (y) be delivered to the Notes Custodian for DTC and (z) bear legends as set forth in Section 2.1(d)(2). Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to DTC, its successors or its respective nominees, except as set forth in Section 2.1(e)(4) and 2.1(f). If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Notes Custodian will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(2) Members of, or participants in, DTC (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by DTC or by the Notes Custodian as the custodian of DTC or under such Global Note, and DTC may be treated by the Issuers, the Trustee, the Collateral Agent and any agent of the Issuers, the Trustee or the Collateral Agent as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuers, the Trustee, the Collateral Agent or any agent of the Issuers, the Trustee or the Collateral Agent from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as

between DTC and its Agent Members, the operation of customary practices of DTC governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(3) In connection with any transfer of a portion of the beneficial interest in a Global Note pursuant to Section 2.1(f) to beneficial owners who are required to hold Definitive Notes, the Notes Custodian shall reflect on its books and records the date and a decrease in the principal amount of such Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Issuers shall execute, and the Trustee shall authenticate and make available for delivery, one or more Definitive Notes of like tenor and amount.

(4) In connection with the transfer of an entire Global Note to beneficial owners pursuant to Section 2.1(f), such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Issuers shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by DTC in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations.

(5) The registered Holder of a Global Note may grant proxies and otherwise authorize any person, including Agent Members and persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(6) Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (i) the Holder of such Global Note (or its agent) or (ii) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

(f) Definitive Notes. Except as provided below, owners of beneficial interests in Global Notes will not be entitled to receive Definitive Notes. Definitive Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Note if (A) DTC notifies the Issuers that it is unwilling or unable to continue as Depository for such Global Note or DTC ceases to be a clearing agency registered under the Exchange Act, at a time when DTC is required to be so registered in order to act as depository, and in each case a successor depository is not appointed by the Issuers within 90 days of such notice, (B) the Issuers notify the Trustee and DTC in writing stating that such Global Note shall be so exchangeable or (C) an Event of Default has occurred and is continuing and the Registrar has received a written request from DTC. In the event of the occurrence of any of the events specified in the second preceding sentence or in clause (A), (B) or (C) of the preceding sentence, the Issuers shall promptly make available to the Registrar a reasonable supply of Definitive Notes. In addition, any Note transferred to an affiliate (as defined in Rule 405 under the Securities Act) of the Issuers or evidencing a Note that has been acquired by an affiliate in a transaction or series of transactions not involving any public offering must, until one year after the last date on which either an Issuer or any affiliate of an Issuer was an owner of the Note, be in the form of a Definitive Note and bear the legend regarding transfer restrictions in Section 2.1(d)(1). If required to do so pursuant to any applicable law or regulation, beneficial owners may also obtain Definitive Notes in exchange for their beneficial interests in a Global Note upon written request in accordance with DTC's and the Registrar's procedures.

(1) Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(e) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Global Note set forth in Section 2.1(d)(1).

(2) If a Definitive Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Definitive Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuers shall execute, and the Trustee shall authenticate and make available for delivery, to the transferring Holder a new Definitive Note representing the principal amount not so transferred.

(3) If a Definitive Note is transferred or exchanged for another Definitive Note, (x) the Trustee will cancel the Definitive Note being transferred or exchanged, (y) the Issuers shall execute, and the Trustee shall authenticate and make available for delivery, one or more new Definitive Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Definitive Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Issuers shall execute, and the Trustee shall authenticate and make available for delivery to the Holder thereof, one or more Definitive Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Definitive Notes, registered in the name of the Holder thereof.

(4) Notwithstanding anything to the contrary in this Indenture, in no event shall a Definitive Note be delivered upon exchange or transfer of a beneficial interest in the Regulation S Global Note prior to the end of the Restricted Period.

SECTION 2.2. Execution and Authentication. An Officer of each Issuer shall sign the Notes by manual, facsimile or electronic (including PDF) signature. If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee manually authenticates the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under this Indenture. A Note shall be dated the date of its authentication.

At any time and from time to time after the execution and delivery of this Indenture, the Trustee shall authenticate and make available for delivery: (1) Initial Notes for original issue on the Issue Date in an aggregate principal amount of \$1,000,000,000 and (2) subject to the terms of this Indenture, Additional Notes for original issue in an unlimited principal amount, in each case upon a written order of the Issuers signed by one Officer of each of the Issuers (the "Issuer Order"). Such Issuer Order shall specify whether the Notes will be in the form of Definitive Notes or Global Notes, the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated, the Holder of the Notes and whether the Notes are to be Initial Notes or Additional Notes.

The Trustee may appoint an agent (the "Authenticating Agent") reasonably acceptable to the Issuers to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Issuers. Unless limited by the terms of such appointment, any such Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by the Authenticating Agent. An Authenticating Agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

In case an Issuer or any Guarantor, pursuant to Article IV or Section 10.2, as applicable, shall be consolidated or merged with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which an Issuer or any Guarantor shall have been merged, or the Person which shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Article IV, any of the Notes authenticated or delivered prior to such consolidation, merger, conveyance, transfer, lease or other disposition may (but shall not be required), from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate to reflect such successor Person, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon the Issuer Order of the successor Person, shall authenticate and make available for delivery Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.2 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but

without expense to them, shall provide for the exchange of all Notes at the time outstanding for Notes authenticated and delivered in such new name.

SECTION 2.3. Registrar and Paying Agent. The Issuers shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Notes may be presented for payment. The Registrar shall keep a register of the Notes and of their transfer and exchange (the “Notes Register”). The Issuers may have one or more co-registrars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent and the term “Registrar” includes any co-registrar.

The Issuers shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuers shall notify the Trustee in writing of the name and address of each such agent. If the Issuers fail to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.7. An Issuer or any Guarantor may act as Paying Agent, Registrar or Transfer Agent.

The Issuers initially appoint DTC to act as Depository with respect to the Global Notes. The Issuers initially appoint the Trustee as Registrar and Paying Agent for the Notes. The Issuers may change any Registrar or Paying Agent without prior notice to the Holders, but upon written notice to such Registrar or Paying Agent and to the Trustee; *provided, however*, that no such removal shall become effective until (i) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Issuers and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee and the passage of any waiting or notice periods required by DTC procedures or (ii) written notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Issuers and the Trustee.

Upon surrender for transfer of any Note at the office or agency of the Issuers in a place of payment, in compliance with all applicable requirements of this Indenture and applicable law, the Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes, of any authorized denominations and of a like aggregate principal amount.

At the option of the Holder, Notes may be exchanged for other Notes of any authorized denominations and of a like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Notes are so surrendered for exchange, the Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

Every Note presented or surrendered for transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuers duly executed, by the Holder thereof or such Holder’s attorney duly authorized in writing.

SECTION 2.4. Paying Agent to Hold Money in Trust. By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest on any Note is due and payable, the Issuers shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium or interest when due. The Issuers shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of, premium, if any, or interest on the Notes (whether such assets have been distributed to it by the Issuers or other obligors on the Notes), shall notify the Trustee in writing of any default by an Issuer or any Guarantor in making any such payment and shall during the continuance of any default by an Issuer (or any other obligor upon the Notes) in the making of any payment in respect of the Notes, upon the written request of the Trustee, forthwith deliver to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Notes together with a full accounting thereof. If an Issuer or a Guarantor acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuers at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds or assets disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than an Issuer or

a Guarantor) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Issuers, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.5. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuers, on their own behalf and on behalf of each of the Guarantors, shall furnish or cause the Registrar to furnish to the Trustee, in writing at least five (5) Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.6. Transfer and Exchange.

(a) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Registrar a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by this Section 2.6. The Registrar will promptly register any transfer or exchange that meets the requirements of this Section 2.6 by noting the same in the Notes Register maintained by the Registrar for the purpose, and no transfer or exchange will be effective until it is registered in such Notes Register. The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 2.6 and Section 2.1(e) and 2.1(f), as applicable, and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of DTC, Euroclear and Clearstream. The Registrar shall refuse to register any requested transfer or exchange that does not comply with this paragraph.

(b) Transfers of Rule 144A Notes and Institutional Accredited Investor Notes. The following provisions shall apply with respect to any proposed registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note prior to the date that is one year after the later of the date of its original issue and the last date on which an Issuer or any Affiliate of an Issuer was the owner of such Notes (or any predecessor thereto) (the "Resale Restriction Termination Date"):

(1) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee in the form as set forth on the reverse of the Note that it is purchasing for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a "qualified institutional buyer" within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuers as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; *provided* that no such written representation or other written certification shall be required in connection with the transfer of a beneficial interest in the Rule 144A Global Note to a transferee in the form of a beneficial interest in that Rule 144A Global Note in accordance with this Indenture and the applicable procedures of DTC;

(2) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to an IAI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8, from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuers; and

(3) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuers.

(c) Transfers of Regulation S Notes. The following provisions shall apply with respect to any proposed transfer of a Regulation S Note prior to the expiration of the Restricted Period:

(1) a transfer of a Regulation S Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee, in the form of assignment on the reverse of the certificate, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuers as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A;

(2) a transfer of a Regulation S Note or a beneficial interest therein to an IAI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8 from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Issuers;

(3) a transfer of a Regulation S Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 hereof from the proposed transferee and receipt by the Registrar or its agent of an Opinion of Counsel, certification and/or other information satisfactory to the Issuers; and

(4) a beneficial owner of an interest in a Temporary Regulation S Global Note (and, in the case of any Additional Notes for which no Temporary Regulation S Global Note is issued, any Regulation S Global Note) shall not be permitted to exchange such interest for a Definitive Note or (in the case of such interest in a Temporary Regulation S Global Note) an interest in a Permanent Regulation S Global Note until a date, which must be after the end of the Restricted Period.

After the expiration of the Restricted Period, interests in the Regulation S Note may be transferred in accordance with applicable law without requiring the certification set forth in Section 2.9 or any additional certification.

(d) Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes not bearing a Restricted Notes Legend, the Registrar shall deliver Notes that do not bear a Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes bearing a Restricted Notes Legend, the Registrar shall deliver only Notes that bear a Restricted Notes Legend unless (1) an Initial Note is being transferred pursuant to an effective registration statement, (2) the requested transfer is after the relevant Resale Restriction Termination Date with respect to such Notes or (3) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuers to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Any Additional Notes sold in an offering registered under the Securities Act shall not be required to bear the Restricted Notes Legend.

(e) [Reserved].

(f) Retention of Written Communications. The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.1 or this Section 2.6. The Issuers shall have the right to inspect and make copies of all such letters, notices or other written communications, at the Issuers’ expense, at any reasonable time upon the giving of reasonable prior written notice to the Registrar.

(g) Obligations with Respect to Transfers and Exchanges of Notes. To permit registrations of transfers and exchanges, the Issuers shall, subject to the other terms and conditions of this Article II, execute and the Trustee shall authenticate Definitive Notes and Global Notes at the Issuers’ and the Registrar’s written request.

No service charge shall be made to a Holder for any registration of transfer or exchange, but the Issuers may require the Holder to pay a sum sufficient to cover any transfer tax assessments or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charges payable upon exchange or transfer pursuant to Sections 2.2, 2.6, 2.11, 2.13, 3.5, 5.6 or 9.5).

The Issuers (and the Registrar) shall not be required to register the transfer of or exchange of any Note (A) for a period beginning (1) fifteen (15) calendar days before the mailing (or electronic delivery) of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing (or electronic delivery) or (2) fifteen (15) calendar days before an interest payment date and ending on such interest payment date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

Prior to the due presentation for registration of transfer of any Note, the Issuers, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the owner of such Note for the purpose of receiving payment of principal of, premium, if any, and (subject to paragraph 2 of the forms of Notes attached hereto as Exhibit A) interest on such Note and for all other purposes whatsoever, including without limitation the transfer or exchange of such Note, whether or not such Note is overdue, and none of the Issuers, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(f) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Definitive Note set forth in Section 2.1(d)(1).

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee. (1) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be DTC or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Trustee may rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

Neither the Registrar nor the Trustee shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among DTC participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any of its agents shall have any responsibility for any actions taken or not taken by DTC.

Upon transfer, the Notes would be registered in the name of the new beneficial owner as follows:

Name: \_\_\_\_\_  
Address: \_\_\_\_\_  
Taxpayer ID Number: \_\_\_\_\_

The undersigned represents and warrants to you that:

1. We are an institutional “accredited investor” (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act of 1933, as amended (the “Securities Act”)) purchasing for our own account or for the account of such an institutional “accredited investor” of at least \$250,000 principal amount of the Notes, and we are acquiring the Notes not with a view to, or for offer or sale in connection with, any distribution in violation of the Securities Act. We have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risk of our investment in the Notes and we invest in or purchase securities similar to the Notes in the normal course of our business. We and any accounts for which we are acting are each able to bear the economic risk of our or its investment.
2. We understand that the Notes have not been registered under the Securities Act and, unless so registered, may not be sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing Notes to offer, sell or otherwise transfer such Notes prior to the date that is one year after the later of the date of original issue and the last date on which an Issuer or any affiliate of an Issuer was the owner of such Notes (or any predecessor thereto) (the “Resale Restriction Termination Date”) only (a) to an Issuer or any Subsidiary thereof, (b) pursuant to an effective registration statement under the Securities Act, (c) in a transaction complying with the requirements of Rule 144A under the Securities Act, to a person we reasonably believe is a “qualified institutional buyer” under Rule 144A of the Securities Act (a “QIB”) that is purchasing for its own account or for the account of a QIB and to whom notice is given that the transfer is being made in reliance on Rule 144A, (d) pursuant to offers and sales to non-U.S. persons that occur outside the United States within the meaning of Regulation S under the Securities Act, (e) to an institutional “accredited investor” within the meaning of Rule 501(a) (1), (2), (3) or (7) under the

Securities Act that is purchasing for its own account or for the account of such an institutional “accredited investor,” in each case in a minimum principal amount of Notes of \$250,000 for investment purposes and not with a view to or for offer or sale in connection with any distribution in violation of the Securities Act or (f) pursuant to any other available exemption from the registration requirements of the Securities Act, subject in each of the foregoing cases to any requirement of law that the disposition of our property or the property of such investor account or accounts be at all times within our or their control and in compliance with any applicable state securities laws. The foregoing restrictions on resale will not apply subsequent to the Resale Restriction Termination Date. If any resale or other transfer of the Notes is proposed to be made pursuant to clause (e) above prior to the Resale Restriction Termination Date, the transferor shall deliver a letter from the transferee substantially in the form of this letter to the Issuers and the Trustee, which shall provide, among other things, that the transferee is an institutional “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act) and that it is acquiring such Notes for investment purposes and not for distribution in violation of the Securities Act. Each purchaser acknowledges that the Issuers and the Trustee reserve the right prior to any offer, sale or other transfer prior to the Resale Restriction Termination Date of the Notes pursuant to clauses (d), (e) or (f) above to require the delivery of an opinion of counsel, certifications and/or other information satisfactory to the Issuers.

Re: Reynolds Group Issuer LLC and Reynolds Group Issuer Inc. (the “Issuers”)

4.000% Senior Secured Notes due 2027 (the “Notes”)

Ladies and Gentlemen:

In connection with our proposed sale of \$[\_\_\_\_\_] aggregate principal amount of the Notes, we confirm that such sale has been effected pursuant to and in accordance with Regulation S (“Regulation S”) under the United States Securities Act of 1933, as amended (the “Securities Act”), and, accordingly, we represent that:

(a) the offer of the Notes was not made to a person in the United States;

(b) either (i) at the time the buy order was originated, the transferee was outside the United States or we and any person acting on our behalf reasonably believed that the transferee was outside the United States or (ii) the transaction was executed in, on or through the facilities of a designated off-shore securities market and neither we nor any person acting on our behalf knows that the transaction has been pre-arranged with a buyer in the United States;

(c) no directed selling efforts have been made in the United States in contravention of the requirements of Rule 903(a)(2) or Rule 904(a)(2) of Regulation S, as applicable; and

(d) the transaction is not part of a plan or scheme to evade the registration requirements of the Securities Act.

In addition, if the sale is made during a restricted period and the provisions of Rule 903(b)(2), Rule 903(b)(3) or Rule 904(b)(1) of Regulation S are applicable thereto, we confirm that such sale has been made in accordance with the applicable provisions of Rule 903(b)(2), Rule 903(b)(3) or Rule 904(b)(1), as the case may be.

We also hereby certify that we [are][are not] an Affiliate of the Issuers and, to our knowledge, the transferee of the Notes [is][is not] an Affiliate of the Issuers.

The Trustee and the Issuers are entitled to conclusively rely upon this letter and are irrevocably authorized to produce this letter or a copy hereof to any interested party in any administrative or legal proceedings or official inquiry with respect to the matters covered hereby. Terms used in this certificate and not otherwise defined herein have the meanings set forth in Regulation S.

Very truly yours,

SECTION 2.10.[Reserved].

SECTION 2.11. Mutilated, Destroyed, Lost or Stolen Notes.

If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuers shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the UCC are met, such that the Holder (a) satisfies the Issuers and the Trustee that such Note has been lost, destroyed or wrongfully taken within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar has not registered a transfer prior to receiving such notification, (b) makes such request to the Issuers and the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the UCC (a “protected purchaser”), (c) satisfies any other reasonable requirements of the Trustee and (d) provides an indemnity bond, as more fully described below; *provided, however*, if after the delivery of such replacement Note, a protected purchaser of the Note for which such replacement Note was issued presents for payment or registration such replaced Note, the Trustee and/or the Issuers shall be entitled to recover such replacement Note from the Person to whom it was issued and delivered or any Person taking therefrom, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuers or the Trustee in connection therewith. Such Holder shall furnish an indemnity bond sufficient in the judgment of the (i) Trustee to protect the Trustee and (ii) the Issuers to protect the Issuers, the Trustee, the Paying Agent and the Registrar, from any loss which any of them may suffer if a Note is replaced, and, in the absence of notice to the Issuers, any Guarantor or the Trustee that such Note has been acquired by a protected purchaser, the Issuers shall execute, and upon receipt of an Issuer Order, the Trustee shall authenticate and make available for delivery, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuers in their discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 2.11, the Issuers may require that such Holder pay a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of counsel and of the Trustee) in connection therewith.

Subject to the proviso in the initial paragraph of this Section 2.11, every new Note issued pursuant to this Section 2.11, in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of each Issuer and any other obligor upon the Notes, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.11 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.12. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those paid pursuant to Section 2.11 and those described in this Section 2.12 as not outstanding. A Note does not cease to be outstanding in the event the Issuers or an Affiliate of the Issuers holds the Note; *provided, however*, that (i) for purposes of determining which are outstanding for consent or voting purposes hereunder, the provisions of Section 13.4 shall apply and (ii) in determining whether the Trustee shall be protected in making a determination whether the Holders of the requisite principal amount of outstanding Notes are present at a meeting of Holders of Notes for quorum purposes or have consented to or voted in favor of any request, demand, authorization, direction, notice, consent, waiver, amendment or modification hereunder, or relying upon any such quorum, consent or vote, only Notes which a Trust Officer of the Trustee actually knows to be held by the Issuers or an Affiliate of the Issuers shall not be considered outstanding.

If a Note is replaced pursuant to Section 2.11 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Issuers receive proof satisfactory to them that the replaced Note

is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement pursuant to Section 2.11.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a Redemption Date or maturity date, money sufficient to pay all principal, premium, if any, and accrued interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.13. Temporary Notes. In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Issuers may prepare and upon receipt of an Issuer Order the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form, and shall carry all rights, of Definitive Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers shall prepare and the Trustee shall authenticate Definitive Notes. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Issuers for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Issuers shall execute, and the Trustee shall, upon receipt of an Issuer Order, authenticate and make available for delivery in exchange therefor, one or more Definitive Notes representing an equal principal amount of Notes of authorized denominations. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of Definitive Notes.

SECTION 2.14. Cancellation. The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such Notes in accordance with its internal policies and customary procedures (subject to the record retention requirements of the Exchange Act and the Trustee). If an Issuer or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.14. The Issuers may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a transfer or exchange.

At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by DTC to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

SECTION 2.15. Payment of Interest; Defaulted Interest. Interest on any Note which is payable, and is punctually paid or duly provided for, on any interest payment date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the regular record date for such payment at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular record date, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called "Defaulted Interest") shall be paid by the Issuers, at their election, as provided in clause (a) or (b) below:

- (a) The Issuers may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special

Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuers shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Issuers shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this Section 2.15(a). Thereupon the Issuers shall fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest, which date shall be not more than twenty (20) calendar days and not less than fifteen (15) calendar days prior to the Special Interest Payment Date and not less than ten (10) calendar days after the receipt by the Trustee of the notice of the proposed payment. The Issuers shall promptly notify the Trustee in writing of such Special Record Date, and in the name and at the expense of the Issuers, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.1, not less than ten (10) calendar days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the provisions in Section 2.15(b).

(b) The Issuers may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after written notice given by the Issuers to the Trustee of the proposed payment pursuant to this Section 2.15(b), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.15, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

#### SECTION 2.16. CUSIP and ISIN Numbers.

The Issuers in issuing the Notes may use “CUSIP” and “ISIN” numbers and, if so, the Trustee shall use “CUSIP” and “ISIN” numbers in notices of redemption or purchase as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption or purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or purchase shall not be affected by any defect in or omission of such CUSIP and ISIN numbers. The Issuers shall promptly notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

### ARTICLE III

#### COVENANTS

SECTION 3.1. Payment of Notes. The Issuers shall promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 11:00 a.m. New York City time on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

The Issuers shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

SECTION 3.2. Limitation on Indebtedness.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, incur any Indebtedness (including Acquired Indebtedness); *provided, however*, that the Company and any of its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness), if on the date of such incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds thereof), either (i) the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries is greater than 2.00 to 1.00 or (ii) the Consolidated Total Leverage Ratio would have been no greater than 5.50 to 1.00; *provided, further*, that Non-Guarantors may not incur Indebtedness under this Section 3.2(a) if, after giving *pro forma* effect to such incurrence (including a pro forma application of the net proceeds therefrom), more than an aggregate of the greater of (a) \$240.0 million and (b) 35.0% of LTM EBITDA of Indebtedness of Non-Guarantors (together with any Refinancing Indebtedness in respect thereof) would be outstanding pursuant to this paragraph at such time.

(b) Section 3.2(a) will not prohibit the incurrence of the following Indebtedness:

(1) Indebtedness incurred under any Credit Facility (including letters of credit or bankers' acceptances issued or created under any Credit Facility), and (without duplication) Guarantees in respect of such Indebtedness and any Refinancing Indebtedness in respect thereof, up to an aggregate principal amount at the time of incurrence not exceeding the sum of (a) \$2,707.0 million, (b) the greater of \$685.0 million and 100.0% of LTM EBITDA and (c) an additional amount (with any amounts incurred under this clause (c) deemed to be Consolidated Secured First Lien Indebtedness for this purpose), if after giving pro forma effect to the incurrence of such additional amount and the application of the proceeds therefrom, the Consolidated Secured First Lien Leverage Ratio would be no greater than 4.10 to 1.00 outstanding at any one time;

(2) Guarantees by the Company or any Restricted Subsidiary of Indebtedness or other obligations of the Company or any Restricted Subsidiary so long as the incurrence of such Indebtedness or other obligations is not prohibited by the terms of this Indenture;

(3) Indebtedness of the Company to any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary to the Company or any Restricted Subsidiary; *provided, however*, that:

(a) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary, and

(b) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary,

shall be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, not permitted by this Section 3.2(b)(3);

(4) Indebtedness represented by (a) the Notes (other than any Additional Notes), including any Guarantee thereof, (b) any Indebtedness (other than Indebtedness incurred pursuant to clauses (1), (3) or (4)(a) of this Section 3.2(b)) outstanding on the Issue Date and any Guarantees thereof, including the Existing Debt, (c) Refinancing Indebtedness (including, with respect to the Notes and any Guarantee thereof) incurred in respect of any Indebtedness described in this clause (4) or clause (5) of this Section 3.2(b) or incurred pursuant to Section 3.2(a), and (d) Management Advances;

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness incurred pursuant to and in compliance with, this Section 3.2:

(1) in the event that all or any portion of any item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in Sections 3.2(a) and (b), the Company, in its sole discretion, shall classify, and may from time to time reclassify, such item of Indebtedness (or any portion thereof) and only be required to include the amount and type of such Indebtedness in Section 3.2(a) or one of the clauses of Section 3.2(b);

(2) additionally, subject to Section 3.2(c)(3) below, all or any portion of any item of Indebtedness may later be reclassified as having been incurred pursuant to any type of Indebtedness described in Section 3.2(a) or (b), so long as such Indebtedness is permitted to be incurred pursuant to such provision and any related Liens are permitted to be incurred at the time of reclassification (it being understood that any Indebtedness incurred pursuant to one of the clauses of Section 3.2(b) shall cease to be deemed incurred or outstanding for purposes of such clause but shall be deemed incurred for the purposes of the Section 3.2(a) from and after the first date on which the Company or its Restricted Subsidiaries could have incurred such Indebtedness under Section 3.2(a) without reliance on such clause);

- (3) all Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed incurred on the Issue Date under Section 3.2(b) (1) and may not be reclassified;
- (4) in the case of any Refinancing Indebtedness, when measuring the outstanding amount of such Indebtedness, such amount shall not include the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing;
- (5) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;
- (6) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are incurred pursuant to any Credit Facility and are being treated as incurred pursuant to any clause of Section 3.2(a) or Section 3.2(b) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;
- (7) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;
- (8) Indebtedness permitted by this Section 3.2 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 3.2 permitting such Indebtedness;
- (9) for all purposes under this Indenture, including for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated Secured First Lien Leverage Ratio or the Consolidated Total Leverage Ratio, as applicable, in connection with the incurrence, issuance or assumption of any Indebtedness pursuant to Section 3.2(a) or Section 3.2(b) or the incurrence or creation of any Lien pursuant to the definition of "Permitted Liens," the Company may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers' acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the "Reserved Indebtedness Amount"), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, the Consolidated Secured First Lien Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, is complied with (or satisfied) with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be deemed to be permitted under this Section 3.2 or the definition of "Permitted Liens," as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated Secured First Lien Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) is complied with (or satisfied) for all purposes (including as to the absence of any continuing Default or Event of Default); *provided* that for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated Secured First Lien Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Company revokes an election of a Reserved Indebtedness Amount;
- (10) notwithstanding anything in this Section 3.2 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred in reliance on Section 3.2(b) measured by reference to a percentage of LTM EBITDA at the time of incurrence, if such refinancing would cause the percentage of LTM EBITDA restriction to be exceeded if calculated based on the percentage of LTM EBITDA on the date of such refinancing, such percentage of LTM EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being

refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing; and

(11) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an incurrence of Indebtedness for purposes of this Section 3.2.

If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be incurred as of such date under this Section 3.2, the Company shall be in default of this Section 3.2).

For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, the Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (a) the principal amount of such Indebtedness being refinanced plus (b) the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums) defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

Notwithstanding any other provision of this Section 3.2, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may incur pursuant to this Section 3.2 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

### SECTION 3.3. Limitation on Restricted Payments.

(a) The Company shall not, and shall not permit any of the Restricted Subsidiaries, directly or indirectly, to:

*provided, further*, that (i) cancellation of Indebtedness owing to the Company or any Restricted Subsidiary from any future, present or former employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company or Restricted Subsidiaries or any Parent Entity in connection with a repurchase of Capital Stock of the Company or any Parent Entity and (ii) the repurchase of Capital Stock deemed to occur upon the exercise of options, warrants or similar instruments if such Capital Stock represents all or a portion of the exercise price thereof and payments, in lieu of the issuance of fractional shares of such Capital Stock or withholding to pay other taxes payable in connection therewith, in the case of each of clauses (i) and (ii), will not be deemed to constitute a Restricted Payment for purposes of this Section 3.3 or any other provision of this Indenture;

(7) the declaration and payment of dividends on Disqualified Stock of the Company or any of its Restricted Subsidiaries or Preferred Stock of a Restricted Subsidiary, issued in accordance with Section 3.2;

(8) payments made or expected to be made by the Company or any Restricted Subsidiary in respect of withholding or similar taxes payable in connection with the exercise or vesting of Capital Stock or any other equity award by any future, present or former employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company or any Restricted Subsidiary or any Parent Entity and purchases, repurchases, redemptions, defeasances or other acquisitions or retirements of Capital Stock deemed to occur upon the exercise, conversion or exchange of stock options, warrants, equity-based awards or other rights in respect thereof if such Capital Stock represents a portion of the exercise price thereof or payments in respect of withholding or similar taxes payable upon exercise or vesting thereof;

(9) dividends, loans, advances or distributions to any Parent Entity or other payments by the Company or any Restricted Subsidiary in amounts equal to (without duplication) amounts constituting or to be used for purposes of making payments to the extent specified in Sections 3.8(b)(2), (3), (5), (11), (12), (13), (15), (19) and (30);

(10) (a) the declaration and payment of dividends on the common stock or common equity interests of the Company or any Parent Entity (and any equivalent declaration and payment of a distribution of any security exchangeable for such common stock or common equity interests to the extent required by the terms of any such exchangeable securities and any Restricted Payment to any such Parent Entity to fund the payment by such Parent Entity of dividends on such entity's Capital Stock), in an amount in any fiscal year not to exceed the sum of (1) an amount equal to 6% of the amount of net cash proceeds received by or contributed to the Company or any of its Restricted Subsidiaries from the Initial Public Offering and (2) an aggregate amount equal to 6% of Market Capitalization; or (b) in lieu of all or a portion of the dividends permitted by subclause (a), any prepayment, purchase, repurchase, redemption, defeasance, discharge, retirement or other acquisition of the Company's Capital Stock (and any equivalent declaration and payment of a distribution of any security exchangeable for such common stock or common equity interests to the extent required by the terms of any such exchangeable securities and any Restricted Payment to any such Parent Entity to fund the payment by such Parent Entity of dividends on such entity's Capital Stock) for aggregate consideration that, when taken together with dividends permitted by subclause (a), does not exceed the amount contemplated by subclause (a);

(11) payments by the Company, or loans, advances, dividends or distributions to any Parent Entity to make payments, to holders of Capital Stock of the Company or any Parent Entity in lieu of the issuance of fractional shares of such Capital Stock; *provided, however*, that any such payment, loan, advance, dividend or distribution shall not be for the purpose of evading any limitation of this Section 3.3 or otherwise to facilitate any dividend or other return of capital to the holders of such Capital Stock (as determined in good faith by the Company);

(12) Restricted Payments that are made (a) in an amount not to exceed the amount of Excluded Contributions or (b) in an amount equal to the amount of net cash proceeds from an asset sale or disposition in respect of property or assets acquired, if the acquisition of such property or assets was financed with Excluded Contributions, *provided*, that such amount will not increase the amount available pursuant to Section 3.3(a)(iii)(B);

(13) (i) the declaration and payment of dividends on Designated Preferred Stock of the Company or any of its Restricted Subsidiaries issued after the Issue Date and (ii) the declaration and payment of dividends on Refunding Capital Stock that is Preferred Stock; *provided, however*, that, in the case of the foregoing clauses (i) and (ii), that for the most recently ended four fiscal quarters for which consolidated financial statements are available (which may be internal financial statements) immediately preceding the date of issuance of such Designated Preferred Stock or declaration of such dividends on such Refunding Capital Stock, after giving effect to such payment on a pro forma basis the Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the test set forth in Section 3.2(a);

(14) distributions, by dividend or otherwise, or other transfer or disposition of shares of Capital Stock of, or equity interests in, an Unrestricted Subsidiary (or a Restricted Subsidiary that owns one or more Unrestricted Subsidiaries and no other material assets), or Indebtedness owed to the Company or a Restricted Subsidiary by an Unrestricted Subsidiary (or a Restricted Subsidiary that owns one or more Unrestricted Subsidiaries and no other material assets);

(15) distributions or payments of Securitization Fees, sales contributions and other transfers of Securitization Assets or Receivables Assets and purchases of Securitization Assets or Receivables Assets pursuant to a Securitization Repurchase Obligation, in each case in connection with a Qualified Securitization Financing or Receivables Facility;

(16) any Restricted Payment made in connection with (i) the Transactions and any fees, costs and expenses (including all legal, accounting and other professional fees, costs and expenses) related thereto, including Transaction Expenses, or used to fund amounts owed to Affiliates in connection with the Transactions (including dividends to any Parent Entity to permit payment by such Parent Entity of such amounts);

(17) (i) Restricted Payments (including loans or advances) in an aggregate amount outstanding at the time made not to exceed the greater of \$240.0 million and 35.0% of LTM EBITDA at such time, and (ii) so long as no Event of Default has occurred and is continuing (or would result therefrom), any Restricted Payments, so long as, immediately after giving pro forma effect to the payment of any such Restricted Payment and the incurrence of any Indebtedness in connection with such Restricted Payment, the Consolidated Total Leverage Ratio shall be no greater than 4.50 to 1.00;

(18) mandatory redemptions of Disqualified Stock issued as a Restricted Payment or as consideration for a Permitted Investment;

(19) [reserved];

(20) payments or distributions to dissenting stockholders pursuant to applicable law (including in connection with, or as a result of, exercise of dissenters' or appraisal rights and the settlement of any claims or action (whether actual, contingent or potential)), pursuant to or in connection with a merger, amalgamation, consolidation or transfer of assets that complies with Section 4.1 hereof;

(21) [reserved];

(22) investments or other Restricted Payments in an aggregate amount not to exceed an amount equal to Declined Excess Proceeds; and

(23) any Restricted Payment made in connection with a Permitted Intercompany Activity or Permitted Tax Restructuring.

For purposes of determining compliance with this Section 3.3, in the event that a Restricted Payment or Investment (or portion thereof) meets the criteria of more than one of the categories of Permitted Payments described in the clauses above, or is permitted pursuant to Section 3.3(a) and/or one or more of the clauses contained in the definition of "Permitted Investment", the Company will be entitled to divide or classify (or later divide, classify or reclassify in whole or in part in its sole discretion) such Restricted Payment or Investment (or portion thereof) in any manner that complies with this Section 3.3, including as an Investment pursuant to one or more of the clauses contained in the definition of "Permitted Investment."

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash

Restricted Payment shall be its face amount, and the fair market value of any non-cash Restricted Payment, property or assets other than cash shall be determined conclusively by the Company acting in good faith.

In connection with any commitment, definitive agreement or similar event relating to the payment or making of an Investment or Restricted Payment, the Company or applicable Restricted Subsidiary may designate such Investment or Restricted Payment as having occurred on the date of the commitment, definitive agreement, declaration, notice, action or similar event relating thereto (such date, the "Election Date") if, after giving pro forma effect to such Investment or Restricted Payment and all related transactions in connection therewith and any related pro forma adjustments, the Company or any of its Restricted Subsidiaries would have been permitted to make such Investment or Restricted Payment on the relevant Election Date in compliance with this Indenture, and any related subsequent actual making of such Investment or Restricted Payment will be deemed for all purposes under this Indenture to have been made on such Election Date, including for purposes of calculating any ratio, compliance with any test, usage of any baskets hereunder (if applicable) and Consolidated EBITDA and for purposes of determining whether there exists any Default or Event of Default (and all such calculations on and after the Election Date until the termination, expiration, passing, rescission, retraction or rescindment of such commitment, definitive agreement or similar event shall be made on a pro forma basis giving effect thereto and all related transactions in connection therewith).

Unrestricted Subsidiaries may use value transferred from the Company and its Restricted Subsidiaries in a Permitted Investment to purchase or otherwise acquire Indebtedness or Capital Stock of the Company, any Parent Entity or any of the Company's Restricted Subsidiaries, and to transfer value to the holders of the Capital Stock or any Parent Entity and to Affiliates thereof, and such purchase, acquisition, or transfer will not be deemed to be a "direct or indirect" action by the Company or its Restricted Subsidiaries.

If the Company or a Restricted Subsidiary makes a Restricted Payment which at the time of the making of such Restricted Payment would in the good faith determination of the Company be permitted under the provisions of this Indenture, such Restricted Payment shall be deemed to have been made in compliance with this Indenture notwithstanding any subsequent adjustments made in good faith to the Company's financial statements affecting Consolidated Net Income or Consolidated EBITDA of the Company for any period.

For the avoidance of doubt, this Section 3.3 shall not restrict the making of, or dividends or other distributions in amounts sufficient to make, any "AHYDO catch-up payment" with respect to any Indebtedness of any Parent Entity, the Company or any of its Restricted Subsidiaries permitted to be incurred under this Indenture.

SECTION 3.4. Limitation on Restrictions on Distributions from Restricted Subsidiaries.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions in cash or otherwise on its Capital Stock or pay any Indebtedness or other obligations owed to the Company or any Restricted Subsidiary;
- (2) make any loans or advances to the Company or any Restricted Subsidiary; or
- (3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary;

*provided* that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness incurred by the Company or any Restricted Subsidiary shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 3.4(a) shall not prohibit:

- (1) any encumbrance or restriction pursuant to any Credit Facility or any other agreement or instrument, in each case, in effect at or entered into on the Issue Date;
- (2) any encumbrance or restriction pursuant to this Indenture, the Notes, the Security Documents and the First Lien Intercreditor Agreement, any Additional Intercreditor Agreements or the Note Guarantees;
- (3) any encumbrance or restriction pursuant to applicable law, rule, regulation or order;
- (4) any encumbrance or restriction pursuant to an agreement or instrument of a Person or relating to any Capital Stock or Indebtedness of a Person, entered into on or before the date on which such Person was acquired by or merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary, or was designated as a Restricted Subsidiary or on which such agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets (other than Capital Stock or Indebtedness incurred as consideration in, or to provide all or any portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by the Company or was merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary or entered into in contemplation of or in connection with such transaction) and outstanding on such date; *provided* that, for the purposes of this clause (4), if another Person is the Successor Company, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed by the Company or any Restricted Subsidiary when such Person becomes the Successor Company;
- (5) any encumbrance or restriction: (i) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract or agreement, or the assignment or transfer of any lease, license or other contract or agreement; (ii) contained in mortgages, pledges, charges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer or encumbrance of the property or assets subject to such mortgages, pledges, charges or other security agreements; (iii) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Company or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business or consistent with past practice; *provided* that such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary; or (iv) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;
- (6) any encumbrance or restriction pursuant to Purchase Money Obligations and Finance Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired;
- (7) any encumbrance or restriction imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of the Capital Stock or assets of the Company or any Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;
- (8) customary provisions in leases, licenses, equityholder agreements, joint venture agreements, organizational documents and other similar agreements and instruments, including with respect to intellectual property;

- (9) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order, or required by any regulatory authority;
- (10) any encumbrance or restriction on cash or other deposits or net worth imposed by customers under agreements entered into in the ordinary course of business or consistent with past practice;
- (11) any encumbrance or restriction pursuant to Hedging Obligations or Cash Management Obligations;
- (12) other Indebtedness of Foreign Subsidiaries permitted to be incurred or issued subsequent to the Issue Date pursuant to Section 3.2 that impose restrictions solely on the Foreign Subsidiaries party thereto or their Subsidiaries;
- (13) restrictions created in connection with any Qualified Securitization Financing or Receivables Facility;
- (14) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Indebtedness permitted to be incurred subsequent to the Issue Date pursuant to Section 3.2 if the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than (i) the encumbrances and restrictions contained in the Credit Agreement, together with the security documents associated therewith, or this Indenture as in effect on the Issue Date or (ii) in comparable financings (as determined in good faith by the Company) and where, in the case of clause (ii), either (A) the Company determines at the time of entry into such agreement or instrument that such encumbrances or restrictions will not adversely affect, in any material respect, the Company's ability to make principal or interest payments on the Notes or (B) such encumbrance or restriction applies only during the continuance of a default in respect of a payment relating to such agreement or instrument;
- (15) any encumbrance or restriction existing by reason of any lien permitted under Section 3.6;
- (16) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness incurred pursuant to, or that otherwise refinances, an agreement or instrument referred to in the clauses above or this clause (16) (an "Initial Agreement") or contained in any amendment, supplement or other modification to an agreement referred to in the clauses above or this clause (16); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company); or
- (17) any Restricted Payment not prohibited by Section 3.3, including any Permitted Payment and any Permitted Investment.

SECTION 3.5. Limitation on Sales of Assets.

- (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:
- (1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Company,

of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);

(2) in any such Asset Disposition (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition, together with all other Asset Dispositions since the Issue Date (on a cumulative basis), (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise (other than Subordinated Indebtedness of the Company or a Guarantor)) received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided, however*, to the extent that the assets sold in such Asset Disposition were part of the Collateral and the assets received as non-cash consideration are required to be pledged as Collateral, such assets will be pledged as Collateral pursuant to the Security Documents reasonably promptly after receipt by the Company or a Restricted Subsidiary thereof; and

(3) within 548 days from the later of (A) the date of such Asset Disposition and (B) the receipt of the Net Available Cash from such Asset Disposition (as may be extended by an Acceptable Commitment or a Second Commitment as set forth below, the “Proceeds Application Period”), an amount equal to 100% of such Net Available Cash is applied, to the extent the Company or any Restricted Subsidiary, as the case may be, elects:

(i) (a) to reduce, prepay, repay or purchase any First Lien Obligations (other than the Notes), including Indebtedness under the Credit Agreement (or any Refinancing Indebtedness in respect thereof); *provided* that the Company ratably repay the Notes, (b) to make an offer to repurchase Notes (in accordance with the procedures set forth in this Section 3.5 for an Asset Disposition Offer), to redeem Notes pursuant to Section 5.7 or purchase Notes through open-market purchases or in privately negotiated transactions, or (c) to reduce, prepay, repay or purchase any Indebtedness of a Non-Guarantor (in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary); *provided, however*, that in connection with any reduction, prepayment, repayment or purchase of Indebtedness pursuant to this clause (i), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (other than obligations in respect of any asset-based credit facility to the extent the assets sold or otherwise disposed of in connection with such Asset Disposition constituted “borrowing base assets”) to be reduced in an amount equal to the principal amount so reduced, prepaid, repaid or purchased;

(ii) (a) to invest (including capital expenditures) in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary); (b) to invest (including capital expenditures) in any one or more businesses (*provided* that any such business will be a Restricted Subsidiary), properties or assets that replace the businesses, properties and/or assets that are the subject of such Asset Disposition or (c) to make an Investment not prohibited by this Indenture, other than any Investment in cash or Cash Equivalents or any Investment in the Company or any of its Subsidiaries (other than any Investment in the Company or its Subsidiaries the entirety of which is used to facilitate an Investment otherwise meeting the requirements of this clause (c)); *provided*, that the assets (including Capital Stock) acquired with the Net Available Cash of a disposition of Collateral are pledged as Collateral to the extent required under the Security Documents; *provided, however*, that a binding agreement shall be treated as a permitted application of Net Available Cash from the date of such commitment with the good faith expectation that an amount equal to Net Available Cash will be applied to satisfy such commitment within 180 days of such commitment (an “Acceptable Commitment”) and, in the event of any Acceptable Commitment is later cancelled or terminated for any reason before such amount is applied in connection therewith, the Company or such Restricted Subsidiary enters into another Acceptable Commitment (a “Second Commitment”) within 180 days of such cancellation or termination; *provided, further*, that if any Second Commitment is later cancelled or terminated for any reason before such amount is applied, then such Net Available Cash shall constitute Excess Proceeds; or

(iii) any combination of the foregoing;

*provided* that (1) pending the final application of the amount of any such Net Available Cash pursuant to this Section 3.5, the Company or the applicable Restricted Subsidiaries may apply such Net Available Cash temporarily to reduce Indebtedness (including under the Credit Agreement) or otherwise apply such Net Available Cash in any manner not prohibited by this Indenture and (2) the Company (or any Restricted Subsidiary, as the case may be) may elect to invest in Additional Assets prior to receiving the Net Available Cash attributable to any given Asset Disposition (*provided* that such investment shall be made no earlier than the earliest of notice to the Trustee of the relevant Asset Disposition, execution of a definitive agreement for the relevant Asset Disposition, and consummation of the relevant Asset Disposition) and deem the amount so invested to be applied pursuant to and in accordance with clause (ii) above with respect to such Asset Disposition.

If, with respect to any Asset Disposition, at the expiration of the Proceeds Application Period with respect to such Asset Disposition, an amount of Net Available Cash in excess of the greater of \$100.0 million and 15.0% of LTM EBITDA has not been applied, invested or committed to be applied or invested as provided in clause (3) of the preceding paragraph (such amount, "Excess Proceeds"), then subject to the limitations with respect to Foreign Dispositions set forth below, the Company shall make an offer (an "Asset Disposition Offer") no later than ten Business Days after the expiration of the Proceeds Application Period to all Holders of Notes and, if required by the terms of any First Lien Obligations, to all holders of such First Lien Obligations, to purchase the maximum principal amount of such Notes and First Lien Obligations, as appropriate, on a pro rata basis, that may be purchased out of such Excess Proceeds if any, at an offer price in cash in an amount equal to 100% of the principal amount thereof (or in the event such other Indebtedness was issued with original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest, if any, to, but not including, the date fixed for the closing of such offer (or such lesser price with respect to First Lien Obligations, if any, as may be provided by the terms of such First Lien Obligations), in accordance with the procedures set forth in this Indenture and the agreement governing the First Lien Obligations, as applicable, in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof; provided, that if at the time of receipt of any Excess Proceeds in respect of any Asset Disposition, or at any time during the Proceeds Application Period, on a pro forma basis after giving effect to such Asset Disposition and the use of proceeds therefrom, (x) the Consolidated Secured First Lien Leverage Ratio would be equal to or less than 3.75:1.00, the Company shall apply an amount equal to 50% of the Excess Proceeds to an Asset Disposition Offer and (y) the Consolidated Secured First Lien Leverage Ratio would be equal to or less than 3.25:1.00, the Company shall apply an amount equal to 0% of the Excess Proceeds to an Asset Disposition Offer. Notices of an Asset Disposition Offer shall be sent by first class mail or sent electronically, at least 10 days but not more than 60 days before the purchase date to each Holder of the Notes at such Holder's registered address or otherwise in accordance with the applicable procedures of DTC. The Company may satisfy the foregoing obligation with respect to any Net Available Cash from an Asset Disposition by making an Asset Disposition Offer prior to the expiration of the Proceeds Application Period (the "Advance Offer") with respect to all or a part of the Net Available Cash (the "Advance Portion") in advance of being required to do so by this Indenture.

(b) To the extent that the aggregate amount (or accreted value, as applicable) of Notes and, if applicable, any other First Lien Obligations, validly tendered or otherwise surrendered in connection with an Asset Disposition Offer is less than the amount offered in an Asset Disposition Offer (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of a Advance Offer, the Advance Portion) (the "Declined Excess Proceeds") for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount (or accreted value, as applicable) of the Notes or, if applicable, First Lien Obligations, validly tendered pursuant to any Asset Disposition Offer exceeds the amount of Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company shall allocate the Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) among the Notes, and First Lien Obligations to be purchased on a pro rata basis on the basis of the aggregate principal amount (or accreted value, as applicable) of tendered Notes and First Lien Obligations; *provided* that no Notes or First Lien Obligations will be selected and purchased

in an unauthorized denomination. Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than Dollars, the amount thereof payable in respect of the Notes shall not exceed the net amount of funds in Dollars that is actually received by the Company upon converting such portion into Dollars.

(c) Notwithstanding any other provisions of this Section 3.5,

(i) to the extent that any of or all the Net Available Cash of any Asset Disposition is received or deemed to be received by a Foreign Subsidiary (a "Foreign Disposition") that is (x) prohibited or delayed by applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other onerous organizational or administrative impediments from being repatriated to the United States, the portion of such Net Available Cash so affected will not be required to be applied in compliance with this Section 3.5, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law documents or agreements will not permit repatriation to the United States (the Company hereby agreeing to use reasonable efforts (as determined in the Company's reasonable business judgment) to otherwise cause the applicable Foreign Subsidiary to within one year following the date on which the respective payment would otherwise have been required, promptly take all actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if within one year following the date on which the respective payment would otherwise have been required such repatriation of any of such affected Net Available Cash is permitted under the applicable local law, applicable organizational impediment or other impediment, such repatriation will be promptly effected and the amount of such repatriated Net Available Cash will be promptly (and in any event not later than five Business Days after such repatriation could be made) applied (net of additional Taxes payable or reserved against as a result thereof) (whether or not repatriation actually occurs) in compliance with this Section 3.5; and

(ii) to the extent that the Company has determined in good faith that repatriation of any of or all the Net Available Cash of any Foreign Disposition would have an adverse Tax consequence (which for the avoidance of doubt, includes, but is not limited to, any prepayment out of any such Net Available Cash whereby doing so the Company, any of its Subsidiaries, any Parent Entity or any of their respective affiliates and/or equity owners would incur a Tax liability, including a Tax dividend, deemed dividend pursuant to Code Section 956 or a withholding Tax), the Net Available Cash so affected may be retained by the applicable Foreign Subsidiary. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default.

(d) For the purposes of Section 3.5(a)(2) hereof, the following will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness or other liabilities, contingent or otherwise of the Company or a Restricted Subsidiary (other than Subordinated Indebtedness of the Company or a Guarantor) or the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness or other liability in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash and Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case, within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Company (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 3.5 that is at that time outstanding, not to exceed the greater of \$170.0 million and 25.0% of LTM EBITDA (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(e) To the extent that the provisions of any securities laws, rules or regulations, including Rule 14e-1 under the Exchange Act, conflict with the provisions of this Indenture, the Company shall not be deemed to have breached its obligations described in this Indenture by virtue of compliance therewith.

(f) The provisions of this Indenture relative to the Company's obligation to make an offer to repurchase the Notes as a result of an Asset Disposition may be waived or modified with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding.

SECTION 3.6. Limitation on Liens. The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur or permit to exist any Lien (other than Permitted Liens) that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Company or any Restricted Subsidiary (each, an "Initial Lien") unless, in the case of any Initial Lien on any asset or property of the Company or a Restricted Subsidiary that is not Collateral or proceeds thereof, the Notes and the Note Guarantees are equally and ratably secured with (or on a senior basis to, in the case of Subordinated Indebtedness) the obligations secured by such Initial Lien for so long as such obligations are so secured by such Initial Lien.

Any Lien created for the benefit of the Holders pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "Increased Amount" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 3.7. Limitation on Guarantees.

(a) Each Restricted Subsidiary (unless such Subsidiary is an Issuer, a Guarantor or a Securitization Subsidiary) that guarantees, assumes or in any other manner becomes liable with respect to (x) any Indebtedness under any Credit Agreement or (y) any Public Debt in a principal amount exceeding \$50.0 million of an Issuer, the Company or any other Guarantor, in each case, will execute and deliver to the Trustee a supplemental indenture in the form attached as Exhibit B pursuant to which such Restricted Subsidiary will unconditionally guarantee, on a joint and several basis with the other Guarantors, all of the Issuers' Obligations under the Notes and this Indenture; *provided, however*, that notwithstanding the foregoing:

(1) each Restricted Subsidiary incorporated or otherwise organized under the laws of a jurisdiction other than the United States of America or any state thereof or the District of Columbia shall only be required to enter into its respective Note Guarantee within 135 days following the Issue Date (or on such later date as may be permitted by the Applicable Representative in its sole discretion);

(2) [reserved];

(3) [reserved];

(7) that Holders whose Notes are being purchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to at least \$2,000 or any integral multiple of \$1,000 in excess of \$2,000;

(8) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Issuers, consistent with this Section 3.9, that a Holder must follow.

The applicable Paying Agent will promptly deliver to each Holder of the Notes tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. The Issuers will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

If the Change of Control Payment Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest will be paid on the Change of Control Payment Date to the Person in whose name a Note is registered at the close of business on such record date.

(b) On the Change of Control Payment Date, the Issuers will, to the extent permitted by law,

(d) Notwithstanding anything to the contrary in this Section 3.9, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control. If such Change of Control

Offer is subject to satisfaction of one or more conditions precedent, such Change of Control Offer shall state that, in the Issuers' discretion, the repurchase date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such Change of Control Offer may be rescinded in the event that any or all such conditions shall not have been or, in the Issuers' sole determination, may not be satisfied (or waived by the Issuers in their sole discretion). If a notice relating to a Change of Control Offer that is subject to one or more conditions precedent (other than the occurrence of a Change of Control) is later rescinded as described above as a result of the failure of such condition(s) to be satisfied or waived (or as a result of the Issuers determining that such will be the case), the offer described in such notice will not be deemed a valid "Change of Control Offer" for purposes of this Section 3.9.

(e) [Reserved]

(f) While the Notes are in global form and the Issuers make an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes through the facilities of DTC, subject to its rules and regulations.

(g) The Issuers will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws, rules and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws, rules or regulations conflict with the provisions of this Indenture, the Issuers shall not be deemed to have breached its obligations described in this Indenture by virtue of compliance therewith.

Subsidiaries and any director, officer or manager of the Company or any of its Subsidiaries, (ii) copies of any agreements, financial statements or other items that would be required to be filed as exhibits to a current report on Form 8-K or (iii) any trade secrets, privileged or confidential information obtained from another Person and competitively sensitive information;

in each case, in a manner that complies in all material respects with the requirements specified in such form, except as described above or below and subject to exceptions consistent with the presentation of information included in or incorporated by reference into the Offering Circular; *provided, however*, that the Company shall not be required to (i) comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K with respect to any “non-GAAP” financial information contained therein, (ii) provide any information that is not otherwise similar to information currently included in or incorporated by reference into the Offering Circular, (iii) provide separate financial statements or other information contemplated by Rules 3-05, 3-09, 3-10 or 3-16 of Regulation S-X, or in each case any successor provisions or any schedules required by Regulation S-X or

To the extent any such information is not so filed or furnished, as applicable, within the time periods specified above and such information is subsequently filed or furnished, as applicable, the Company will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured; *provided* that such cure shall not otherwise affect the rights of the Holders under Section 6.1 hereof if Holders of at least 30.0% in aggregate principal amount of the outstanding Notes have declared the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately and such declaration shall not have been rescinded or cancelled prior to such cure. In addition, to the extent not satisfied by the foregoing, the Company shall agree that, for so long as any Notes are outstanding, it shall furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(b) Delivery of reports, information and documents to the Trustee under this Indenture will be for informational purposes only and the information and the Trustee’s receipt of the foregoing shall not constitute actual or constructive notice of any information contained therein, or determinable from information contained therein, including the Company’s compliance with any of its covenants thereunder (as to which the Trustee is entitled to rely exclusively on an Officer’s Certificate). The Trustee shall have no duty to monitor or confirm whether the Company or any Parent Entity posts reports, information or documents on SEC’s website or otherwise, collect any such information from the SEC’s website or otherwise, or review or analyze reports delivered to it.

(c) Substantially concurrently with the furnishing of such information to the Trustee pursuant to Section 3.10(a), the Company shall also use its commercially reasonable efforts to post copies of such information required by Section 3.10(a) on a website (which may be nonpublic and may be maintained by the Company or a third party) to which access will be given to the Holders, prospective investors in the Notes (which prospective investors shall be limited to “qualified institutional buyers” within the meaning of Rule 144A of the Securities Act or non-U.S. persons (as defined in Regulation S under the Securities Act) that certify their status as such to the reasonable satisfaction of the Company), and securities analysts and market making financial institutions that are reasonably satisfactory to the Company. To the extent the Company determines in good faith that it cannot make such reports available in the manner described in the preceding sentence after the use of its commercially reasonable efforts, the Company shall furnish such reports to the Holders, upon their request. The Company may condition the delivery of any such reports to such Holders, prospective investors in the Notes and securities analysts and market making financial institutions on the agreement of such Persons to (i) treat all such reports (and the information contained therein) and information as confidential, (ii) not use such reports (and the information contained therein) and information for any purpose other than their investment or potential investment in the Notes and (iii) not publicly disclose any such reports (and the information contained therein) and information.

(d) The Company will participate in quarterly conference calls (which may be a single conference call together with investors and lenders holding other securities or Indebtedness of the Company, its Restricted Subsidiaries and/or any Parent Entity) to discuss results of operations. The conference call will be following the last day of each fiscal quarter of the Company and not later than twenty (20) Business Days from the time that the Company distributes the financial information as set forth in Section 3.10(a). No fewer than two days prior to the conference call, the Company will issue a press release or otherwise announce the time and date of such conference call and providing instructions for Holders, prospective investors in the Notes, securities analysts and market making financial institutions to obtain access to such call.

(e) The Company may satisfy its obligations pursuant to this Section 3.10 with respect to financial information relating to the Company by furnishing financial information relating to a Parent Entity; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent Entity (and other Parent Entities included in such information, if any), on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited.

(f) Notwithstanding anything to the contrary set forth in this Section 3.10, if the Company or any Parent Entity has furnished to the Holders of Notes or filed with the SEC the reports described in this Section 3.10 with respect to the Company or any Parent Entity, the Company shall be deemed to be in compliance with the provisions of this Section 3.10.

(g) The Trustee shall have no duty to determine whether any filings or postings described in this Section 3.10 have been made.

SECTION 3.11. Impairment of Security Interest and other Collateral Matters. At the direction of the Issuers and without the consent of the Holders, the Trustee (or its agent or designee), if applicable, and the Collateral Agent shall from time to time enter into one or more amendments, extensions, renewals, restatements, supplements or other modifications or replacements to or of the Security Documents to: (i) cure any ambiguity, omission, defect or inconsistency therein, (ii) provide for Permitted Liens or Liens otherwise permitted under Section 3.6, (iii) add to the Collateral or (iv) make any other change thereto that does not adversely affect the Holders in any material respect; *provided, however*, that, in the case of clauses (ii) and (iv), no Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified, in each case in any material respect, or replaced, unless contemporaneously with such amendment, extension, replacement, restatement, supplement, modification or renewal, the Issuers deliver to the Trustee and the Collateral Agent, either:

(a) a solvency opinion from an Independent Financial Advisor satisfactory to the Trustee confirming the solvency of the Issuers and their Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement; or

(b) an Opinion of Counsel confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement, the Lien or Liens securing the Notes created under the Security Documents so amended, extended, renewed, restated, supplemented, modified or replaced remain valid and, to the extent applicable in the jurisdiction and required under the Reference Agreement Security Principles, perfected, Liens.

SECTION 3.1. Maintenance of Office or Agency.

The Issuers will maintain an office or agency where the Notes may be presented or surrendered for payment, where, if applicable, the Notes may be surrendered for registration of transfer or exchange. The corporate trust office of the Trustee, which initially shall be located at Wilmington Trust, National Association, Global Capital Markets, 50 South Sixth Street, Suite 1290, Minneapolis, Minnesota 55402, Attention: PEI Group Notes Administrator, shall be such office or agency of the Issuers, unless the Issuers shall designate and maintain some other office or agency for one or more of such purposes. The Issuers will give prompt written notice to the Trustee

of any change in the location of any such office or agency. If at any time the Issuers shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made or served at the corporate trust office of the Trustee, and the Issuers hereby appoint the Trustee as its agent to receive all such presentations and surrenders.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation. The Issuers will give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency. No office of the Trustee shall be an office or agency of the Issuers for the purposes of service of legal process on the Issuers or any Guarantor.

SECTION 3.12. Future Collateral. Subject to the Reference Agreement Security Principles, as promptly as reasonably practicable after the acquisition by the Issuers or any Guarantor of any After-Acquired Collateral (and, if any Guarantor's Guarantee of the Issuers' Obligations under the Notes and this Indenture is provided pursuant to Section 3.7, as promptly as reasonably practicable after such Guarantee is provided), the Issuers or such Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Trustee and/or Collateral Agent, as may be applicable, a valid and, to the extent applicable in the applicable jurisdiction and required under the Reference Agreement Security Principles, perfected, security interest, subject only to Permitted Liens, in such After-Acquired Collateral and to have such After-Acquired Collateral (but subject to certain limitations, if applicable), added to the Collateral, and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Acquired Collateral to the same extent and with the same force and effect; *provided, however*, that if granting such security interest in such After-Acquired Collateral requires the consent of a third party, the Issuers will use commercially reasonable efforts to obtain such consent with respect to the security interest in favor of the Collateral Agent for the benefit of the Trustee on behalf of itself and the Holders; *provided further, however*, that if such third party does not consent to the granting of such security interest after the use of such commercially reasonable efforts, the Issuers or such Guarantor, as the case may be, will not be required to provide such security interest. Under the commercially reasonable efforts standard, the Issuers will not be obligated to seek to obtain consent if, in the good faith determination of the Company, to do so would have a material adverse effect on the ability of the Issuers or the relevant Guarantors to conduct their operations and business in the ordinary course or if, in good faith determination of the Company, to do so would be inconsistent with the Reference Agreement Security Principles.

SECTION 3.13. Additional Intercreditor Agreements.

(a) At the request of the Issuers, in connection with the Incurrence by the Company or the Restricted Subsidiaries of any Indebtedness for borrowed money permitted pursuant to Section 3.2 constituting First Lien Obligations or Subordinated Indebtedness of the Company, any Issuer or any Guarantor, or any Indebtedness of the Company, any Issuer or any Guarantor to be secured by Liens having Junior Lien Priority, the Company, the Issuers, the relevant Restricted Subsidiaries and the Trustee shall enter into with the holders of such Indebtedness (or their duly authorized Representatives) one or more intercreditor agreements (including any Junior Intercreditor Agreement) (each an "Additional Intercreditor Agreement"), which shall (other than in the case of any Junior Intercreditor Agreement) be on substantially the same terms as the First Lien Intercreditor Agreement (or on terms not materially less favorable to the holders of the Notes), including containing substantially the same terms with respect to enforcement and release of Note Guarantees and Collateral; *provided, however*, that such Additional Intercreditor Agreement will not impose any personal obligations on the Trustee or the Collateral Agent or, in the opinion of the Trustee, adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture or the First Lien Intercreditor Agreement.

(b) At the direction of the Issuers and without the consent of Holders, the Trustee shall from time to time enter into one or more amendments to the First Lien Intercreditor Agreement or any Additional Intercreditor Agreement to: (i) cure any ambiguity, omission, mistake, defect or inconsistency of any such agreement, (ii) increase the amount or types of Indebtedness covered by any such agreement that may be Incurred by the Company or a Restricted Subsidiary (including with respect to the First Lien Intercreditor Agreement or any

Additional Intercreditor Agreement the addition of provisions relating to new Indebtedness ranking junior in right of payment to the Notes), (iii) add parties to the First Lien Intercreditor Agreement or an Additional Intercreditor Agreement, including Guarantors, or successors, including successor trustees or other Representatives, (iv) secure the Notes (including Additional Notes), First Lien Obligations or any Subordinated Indebtedness, in each case to the extent permitted to be Incurred and so secured hereunder, (v) make provision for pledges of any collateral to secure the Notes (including any Additional Notes), First Lien Obligations or any Subordinated Indebtedness, in each case to the extent permitted to be Incurred and so secured hereunder or (vi) make any other change to any such agreement that does not adversely affect the Notes in any material respect. The Issuers shall not otherwise direct the Trustee to enter into any amendment to the First Lien Intercreditor Agreement or any Additional Intercreditor Agreement without the consent of the Holders representing a majority in aggregate principal amount of the Notes then outstanding, except as otherwise permitted under Article IX of this Indenture and the Issuers may only direct the Trustee to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or, in the opinion of the Trustee, adversely affect the rights, duties, liabilities or immunities of the Trustee under this Indenture or the First Lien Intercreditor Agreement or any Additional Intercreditor Agreement.

(c) Each Holder, by accepting a Note, shall be deemed to have agreed to and accepted the terms and conditions of the First Lien Intercreditor Agreement and any Additional Intercreditor Agreement (whether then entered into or entered into in the future pursuant to the provisions described herein) and the performance by the Trustee of its obligations and the exercise of its rights thereunder and in connection therewith. A copy of the First Lien Intercreditor Agreement and any Additional Intercreditor Agreement shall be made available for inspection during normal business hours on any Business Day upon prior written request at the offices of the Issuers.

SECTION 3.14. [Reserved].

SECTION 3.15. Compliance Certificate. The Issuers shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company an Officer's Certificate, the signers of which shall be the principal executive officer, principal financial officer, principal accounting officer, principal legal officer, secretary or treasurer of each of the Issuers, stating that in the course of the performance by each of the signers of his or her duties as an Officer of such Issuer he or she would normally have knowledge of any Default or Event of Default and whether or not the signer knows of any Default or Event of Default that occurred during the previous fiscal year; *provided* that no such Officer's Certificate shall be required for any fiscal year ended prior to the Issue Date. If such Officer does have such knowledge, the certificate shall describe the Default or Event of Default, its status and the action the Issuers are taking or proposes to take with respect thereto.

SECTION 3.16. Further Instruments and Acts. Upon request of the Trustee or the Collateral Agent or as necessary to comply with future developments or requirements, the Issuers will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 3.17. Limitation on Restricted Subsidiaries. The Company will not, and will not permit any of its Restricted Subsidiaries to, take or knowingly or negligently omit to take any action which action or omission could reasonably be expected to or would have the result of any Subsidiary of Pactiv being a "Restricted Subsidiary" within the meaning of the Pactiv Base Indenture for so long as the principal amount of notes outstanding under the Pactiv Base Indenture exceeds \$100.0 million.

SECTION 3.18. Statement by Officers as to Default. The Issuers shall deliver to the Trustee, as soon as possible and in any event within 30 days after an Issuer becomes aware of the occurrence of any Default or Event of Default, an Officer's Certificate setting forth the details of such Event of Default or Default, its status and the actions which the Issuers are taking or proposes to take with respect thereto.

SECTION 3.19. Designation of Restricted and Unrestricted Subsidiaries. The Company may designate (or re-designate) any Restricted Subsidiary (other than the Issuers) to be an Unrestricted Subsidiary at any time after the Issue Date if, immediately after giving effect to such designation, no Event of Default shall have occurred or be

continuing; *provided* that as of the date of the designation thereof, no Unrestricted Subsidiary shall own any Capital Stock in the Company or any Restricted Subsidiary (unless such Restricted Subsidiary is also designated as an Unrestricted Subsidiary simultaneously with the aforementioned designation in accordance with the terms of this paragraph) or hold any Indebtedness of or any Lien on any property of the Company or the Restricted Subsidiaries. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, an Investment by the Company or other Restricted Subsidiary determined in accordance with clause (1) of the second paragraph of the definition of “Investments” shall be deemed to be made in such Unrestricted Subsidiary.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee an Officer’s Certificate certifying that such designation complies with the preceding conditions and was permitted by Section 3.3 hereof.

The Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness and an incurrence of Liens, as applicable, by a Restricted Subsidiary of any outstanding Indebtedness and Liens of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness and Liens are permitted under Section 3.2 hereof (including pursuant to Section 3.2(b)(5) treating such redesignation as an acquisition for the purpose of such clause) and Section 3.6, as applicable, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Event of Default would be in existence following such designation. Any such designation by the Company shall be evidenced to the Trustee by delivering to the Trustee an Officer’s Certificate certifying that such designation complies with the preceding conditions.

SECTION 3.20. Effectiveness of Certain Covenants Beginning on the first day (a) the Notes have achieved Investment Grade Status and (b) no Default or Event of Default has occurred and is continuing under this Indenture, and ending on a Reversion Date (such period a “Suspension Period”), the Company and its Restricted Subsidiaries will not be subject to Sections 3.2, 3.3, 3.4, 3.5, 3.7, 3.8 and 4.1(a)(3) (the “Suspended Covenants”).

If at any time the Notes cease to have such Investment Grade Status, then the Suspended Covenants shall thereafter be reinstated as if such covenants had never been suspended (the “Reversion Date”) and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until the Notes subsequently attain Investment Grade Status and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status); *provided, however*, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period.

On the Reversion Date, all Indebtedness incurred during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 3.2(b)(4)(b). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 3.3 will be made as though Section 3.3 had been in effect since the Issue Date and prior to, but not during, the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 3.3(a). During the Suspension Period, any obligation to grant additional Note Guarantees pursuant to Section 3.7 shall be suspended, but will be reinstated upon the Reversion Date. . In addition, during the Suspension Period, the Issuers may also elect (at their discretion) to release any or all of the Collateral from the Liens securing the Notes and the Note Guarantees by sending a notice of such election to the Trustee and the Collateral Agent, but any Liens so released will be reinstated upon the Reversion Date. No Default or Event of Default shall be deemed to have occurred on the Reversion Date in respect of the Suspended Covenants as a result of any actions taken by the Company or its Restricted Subsidiaries during the Suspension Period.

During the Suspension Period, the Company and its Restricted Subsidiaries, will be entitled to incur Liens permitted under Section 3.6 (including Permitted Liens). To the extent such covenant and any Permitted Liens refer to one or more Suspended Covenants, such covenant or definition shall be interpreted as though such applicable Suspended Covenant(s) continued to be applicable during the Suspension Period (but solely for purposes of Section 3.6 and the “Permitted Liens” definition and for no other covenant).

On and after each Reversion Date, the Company and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period, so long as such contract and such consummation would have been permitted during such Suspension Period.

The Trustee shall have no duty to monitor the ratings of the Notes, shall not be deemed to have any knowledge of the ratings of the Notes and shall have no duty to notify Holders if the Notes achieve Investment Grade Status or of the occurrence of a Reversion Date.

(5) to the extent any assets of the Person that is the resulting, surviving or transferee Person in any such consolidation, merger or transfer are assets of the type which would constitute Collateral under the Security Documents, such Person will take such action, if any, as may be reasonably necessary to cause

(b) [Reserved].

(c) The Successor Company will succeed to, and be substituted for, and may exercise every right and power of, the Company, the LLC Co-Issuer or the Corporate Co-Issuer, as applicable, under the Notes, this Indenture, the applicable Security Documents and the First Lien Intercreditor Agreement, and the Company, the LLC Co-Issuer or the Corporate Co-Issuer, as applicable, will automatically and unconditionally be released and discharged from its obligations under the Notes, this Indenture, the applicable Security Documents and the First Lien Intercreditor Agreement (except in the case of (x) a lease or (y) a sale of less than all of its assets).

(d) Notwithstanding any other provision herein, (i) the Company and the Issuers may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to a Guarantor, (ii) the Company, the LLC Co-Issuer or the Corporate Co-Issuer may consolidate or otherwise combine with or merge into an Affiliate organized or existing under the laws of the United States of America, any State of the United States of America or the District of Columbia incorporated or organized for the purpose of changing the legal domicile of and reincorporating the Company, the LLC Co-Issuer or the Corporate Co-Issuer in another jurisdiction, or changing the legal form of the Company, the LLC Co-Issuer or the Corporate Co-Issuer, (iii) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company or a Guarantor, (iv) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary and (v) the Company and its Restricted Subsidiaries may complete any Permitted Tax Restructuring.

(e) The foregoing provisions (other than the requirements of Section 4.1(a)(2)) shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary.

(f) Subject to Section 10.2(b), no Guarantor (other than the Company) may consolidate with or merge with or into, or convey, transfer or lease all or Substantially All of its assets, in one or a series of related transactions, to any Person, unless:

(1)(a) the other Person is the Company, an Issuer or any Restricted Subsidiary that is a Guarantor or becomes a Guarantor concurrently with the transaction; or

either (x) the Company, an Issuer or a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all the obligations of the Guarantor under its Note Guarantee, this Indenture and the applicable Security Documents; and

(b) immediately after giving effect to the transaction, no Event of Default shall have occurred and be continuing; and

(c) to the extent any assets of the Person that is the resulting, surviving or transferee Person in any such consolidation, merger or transfer are assets of the type which would constitute Collateral under the Security Documents, such Person will take such action, if any, as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture or the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the applicable Security Documents; or

(2) the transaction constitutes a sale, disposition or transfer of the Guarantor or the conveyance, transfer or lease of all or Substantially All of the assets of the Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture.

Notwithstanding any other provision herein, any Guarantor may (a) consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to another Guarantor, the Company or an Issuer, (b) consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Guarantor, reincorporating the Guarantor in another jurisdiction, or changing the legal form of the Guarantor, (c) convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, (d) liquidate or dissolve or change its legal form if the Company determines in good faith that such action is in the best interests of the Company and (e) complete any Permitted Tax Restructuring. Notwithstanding anything to the contrary in this Section 4.1, the Company may contribute Capital Stock of any or all of its Subsidiaries to any Guarantor.

Any reference herein to a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, limited partnership or trust, or an allocation of assets to a limited liability company, limited partnership or trust (or the unwinding of such a division or allocation), as if it were a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. ## ARTICLE V

### REDEMPTION OF SECURITIES

SECTION 5.1. Notices to Trustee. If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 5.7 hereof, they must furnish to the Trustee, at least 10 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Any optional redemption referenced in such Officer's Certificate may be cancelled by the Issuers at any time prior to notice of redemption being sent to any Holder and thereafter shall be null and void.

SECTION 5.2. Selection of Notes to Be Redeemed or Purchased. If less than all of the Notes are to be redeemed pursuant to Section 5.7 or purchased in an Asset Disposition Offer (or an Advance Offer) pursuant to Section 3.5, the Trustee will select Notes for redemption or purchase (a) if the Notes are in global form, on a pro rata basis, by lot, or by such other method in accordance with the applicable procedures of DTC and (b) if the Notes are in definitive form in their entirety, on a pro rata basis (subject to adjustments to maintain the authorized Notes denomination requirements) or by lot, except if otherwise required by law.

No Notes in an unauthorized denomination or of \$2,000 in aggregate principal amount or less shall be redeemed in part. In the event of partial redemption, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 10 days nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase; *provided* that the Issuers shall provide the Trustee with sufficient notice of such partial redemption to enable the Trustee to select the Notes for partial redemption.

The Trustee will promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum principal amounts of \$2,000 and whole multiples of \$1,000 in excess of \$2,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not in a minimum principal amount of \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

SECTION 5.3. Notice of Redemption. At least 10 days but not more than 60 days before the redemption date, the Issuers will send or cause to be sent, by electronic delivery or by first class mail postage prepaid, a notice of redemption to each Holder (with a copy to the Trustee) whose Notes are to be redeemed at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles VIII or XI hereto.

The notice will identify the Notes (including the CUSIP or ISIN number) to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee will give the notice of redemption in the Issuers' names and at its expense; *provided, however*, that the Issuers have delivered to the Trustee, at least three (3) Business Days (or if any of the Notes to be redeemed are in definitive form, five (5) Business Days) prior to the date on which the Issuers instruct the Trustee to give the notice (or such shorter period as the Trustee may agree), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Notice of any optional redemption of the Notes may, at the Issuers' discretion, be given prior to the completion of a transaction (including but not limited to an Equity Offering, an incurrence of Indebtedness, a Change of Control or other transaction) and any redemption notice may, at the Issuers' discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related transaction. If such redemption or purchase is so subject to satisfaction of one or more conditions precedent such notice shall describe each such condition, and if applicable, shall state that, in the Issuers' discretion, the redemption date may be delayed until such

time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. In addition, the Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person.

SECTION 5.4. [Reserved].

SECTION 5.5. Deposit of Redemption or Purchase Price. Prior to 11:00 a.m. New York City Time on the redemption or purchase date, the Issuers will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return, on or following the applicable redemption or repurchase date, to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a record date but on or prior to the corresponding interest payment date, then any accrued and unpaid interest, if any, up to, but excluding, the redemption date or purchase date shall be paid on the redemption date or purchase date to the Person in whose name such Note was registered at the close of business on such record date in accordance with the applicable procedures of DTC. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 3.1 hereof.

SECTION 5.6. Notes Redeemed or Purchased in Part. Upon surrender of a Note issued in physical form that is redeemed or purchased in part, the Issuers will issue and the Trustee will authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; *provided* that each such new Note will be in a minimum principal amount of \$2,000 or integral multiple of \$1,000 in excess thereof.

In the case of a Note issued as a global note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof; *provided* that the unredeemed portion thereof will be in a minimum principal amount of \$2,000 or integral multiple of \$1,000 in excess thereof.

SECTION 5.7. Optional Redemption.

(a) At any time and from time to time prior to October 15, 2023, the Issuers may redeem the Notes in whole or in part, at its option, upon notice as provided in Section 5.3, at a redemption price (expressed as a percentage of the principal amount of the Notes to be redeemed) equal to 100.000% plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to but excluding, the date of redemption (the "Redemption Date"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to October 15, 2023, the Issuers may, at their option, and upon notice as provided in Section 5.3, redeem up to 40.0% of the original aggregate principal amount of Notes issued under this Indenture on the Issue Date (together with Additional Notes) at a redemption price (expressed as a percentage of the principal amount of Notes to be redeemed) equal to 104.000%, plus accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Company from any Equity Offering; *provided* that not less than 50.0% of the original aggregate principal amount of the then-outstanding Notes issued under this Indenture remains outstanding

immediately after the occurrence of each such redemption (including Additional Notes but excluding Notes held by the Issuers or any of the Restricted Subsidiaries), unless all such Notes are redeemed substantially concurrently; *provided further* that each such redemption occurs not later than 180 days after the date of closing of the related Equity Offering. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6.

(c) Except pursuant to clauses (a) and (b) of this Section 5.7, the Notes will not be redeemable at the Issuers' option prior to October 15, 2023.

(d) At any time and from time to time on or after October 15, 2023, the Issuers may redeem the Notes, in whole or in part, at their option, and upon notice as provided in Section 5.3, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth in the table below, plus accrued and unpaid interest thereon, if any, to but excluding the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on October 15 of each of the years indicated in the table below:

<u>Year</u>	<u>Percentage</u>
2023	102.000%
2024	101.000%
2025 and thereafter	100.000%

(e) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer or Asset Disposition Offer, if Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuers, or any third party making such tender offer in lieu of the Issuers, purchase all of the Notes validly tendered and not withdrawn by such Holders, the Issuers or such third party shall have the right upon not less than 10 nor more than 60 days' prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, given not more than 30 days following such purchase date to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the highest price offered to each other Holder in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to but not including, the date of such redemption.

(f) Unless the Issuers default in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(g) Any redemption pursuant to this Section 5.7 shall be made pursuant to the provisions of Sections 5.1 through 5.6.

SECTION 5.8. Mandatory Redemption. The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes; *provided*, however, that under certain circumstances, the Company may be required to offer to purchase Notes under Section 3.5 and Section 3.9.

## ARTICLE VI

### DEFAULTS AND REMEDIES

#### SECTION 6.1. Events of Default.

(a) Each of the following is an "Event of Default":

- (1) default in any payment of interest on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon redemption, upon required repurchase, upon declaration or otherwise;

(3) failure by the Company or any Guarantor to comply for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in aggregate principal amount of the outstanding Notes with any agreement or obligation contained in this Indenture; *provided* that in the case of a failure to comply with the provisions described under Section 3.10, such period of continuance of such default or breach shall be 270 days after written notice described in this clause has been given;

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company, an Issuer or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) (or the payment of which is guaranteed by the Company, an Issuer or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary)) other than Indebtedness owed to the Company, an Issuer or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:

(A) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods provided in such Indebtedness); or

(B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default of principal at its stated final maturity (after giving effect to any applicable grace periods) or the maturity of which has been so accelerated, aggregates to the greater of \$135.0 million and 20.0% of LTM EBITDA or more at any one time outstanding;

(5) failure by the Company, an Issuer or a Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of the greater of \$135.0 million and 20.0% of LTM EBITDA other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) (A) (x) any Note Guarantee of a Significant Subsidiary ceases to be in full force and effect or (y) a Guarantor that is a Significant Subsidiary denies or disaffirms its obligations under its Note Guarantee of the Notes, other than, in the case of (x) and (y), in accordance with the terms of this Indenture, or (B) in connection with the bankruptcy of a Guarantor, so long as the aggregate assets of such Guarantor and any other Guarantor whose Note Guarantee ceased or ceases to be in full force as a result of a bankruptcy are less than the greater of \$135.0 million and 20.0% of LTM EBITDA;

(7) the Company, an Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) pursuant to or within the meaning of any Bankruptcy Law:

- (A) commences a voluntary case or proceeding;
- (B) consents to the entry of an order for relief against it in an involuntary case or proceeding;
- (C) consents to the appointment of a Custodian of it or for substantially all of its property;
- (D) makes a general assignment for the benefit of its creditors;
- (E) consents to or acquiesces in the institution of a bankruptcy or an insolvency proceeding against it; or
- (F) takes any comparable action under any foreign laws relating to insolvency;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company, an Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) in an involuntary case;

(B) appoints a Custodian of the Company, an Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) for substantially all of its property;

(C) orders the winding up or liquidation of the Company, an Issuer or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary); or

(D) or any similar relief is granted under any foreign laws and the order, decree or relief remains unstayed and in effect for 60 consecutive days; and

(9) (A) the security interest in the Collateral created under any Security Document shall, at any time, cease to be in full force and effect and constitute a valid and, to the extent applicable and required by the Reference Agreement Security Principles, perfected, lien with the priority required by this Indenture for any reason other than the satisfaction in full of all obligations under this Indenture and discharge of this Indenture or in accordance with the terms of the First Lien Intercreditor Agreement or any Additional Intercreditor Agreement or as provided under Section 12.6 or any security interest created under any Security Document shall be invalid or unenforceable (other than (i) any such failure to be in full force and effect and constitute a valid and, to the extent applicable and required by the Reference Agreement Security Principles, perfected, lien with the priority required by this Indenture or any invalidity or unenforceability that would not be material to the Holders or (ii) any such loss of perfection that is due to the failure by

any party other than the Issuers or the Guarantors to maintain possession of stock certificates actually delivered to them), or (B) the Company, an Issuer or any Person granting Collateral shall assert, in any pleading in any court of competent jurisdiction, that any such security interest is invalid or unenforceable, and in each case (but only in the event that such failure to be in full force and effect and constitute a valid and, to the extent applicable and required by the Reference Agreement Security Principles, perfected, lien with the priority required by this Indenture or such invalidity or unenforceability or failure to be perfected or such assertion is capable of being cured without imposing any new hardening period, in equity or at law, to which such security interest was not otherwise subject immediately prior to such failure or assertion, other than any such hardening period that is also applicable to any other Lien over the relevant Collateral) such failure or such assertion shall have continued uncured for a period of (x) 30 days after written notice from the Trustee or 30% in principal amount of outstanding Notes of such series with respect to any Collateral of a Domestic Subsidiary of the Company (other than Collateral which is an Equity Interest of a Foreign Subsidiary) or (y) 60 days after written notice from the Trustee or 30% in principal amount of outstanding Notes of such series with respect to other Collateral (the “security default provision”); provided, however, that the Trustee shall have no obligation to deliver such notice unless instructed to do so by the requisite number of Holders.

*provided* that a Default under clause (3), (4) or (5) above will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes notify the Issuers of the Default and, with respect to clauses (3) and (5), the Company and the Issuers do not cure such Default within the time specified in clause (3) or (5) after receipt of such notice; *provided* that a notice of Default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice of Default. Any notice of Default, notice of acceleration or instruction to the Trustee to provide a notice of Default, notice of acceleration or take any other action (a “Noteholder Direction”) provided by any one or more Holders (each a “Directing Holder”) must be accompanied by a signed Position Representation and Verification Form (in the form attached as Exhibit C) delivered to the Issuers and the Trustee (a “Position Representation and Verification Form”). The Position Representation and Verification Form will contain a representation that the applicable Directing Holder is not (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that have represented to such Holder that they are not) Net Short (a “Position Representation”), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of Default shall be deemed a continuing representation until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. The Position Representation and Verification Form will also contain a covenant by the applicable Directing Holder to provide the Issuers with such other information as the Issuers may reasonably request from time to time in order to verify the accuracy of such Holder’s Position Representation within five Business Days of request therefor (a “Verification Covenant”). In any case in which the Holder is DTC or its nominee, any Position Representation and Verification Form required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee and DTC shall be entitled to conclusively rely on such Position Representation and Verification Form in delivering its direction to the Trustee.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers determine in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officer’s Certificate stating that the Issuers have initiated litigation with a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstated and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers provide to the Trustee an Officer’s Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstated and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Holder’s participation in such Noteholder Direction being disregarded; and, if, without the participation of such Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been

insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void *ab initio*, with the effect that such Event of Default shall be deemed never to have occurred, any acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default.

For the avoidance of doubt, the Trustee shall be entitled to conclusively rely on any Noteholder Direction delivered to it in accordance with this Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, enforce compliance with any Verification Covenant, verify any statements in any Officer's Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. The Trustee shall have no liability to the Issuers, any Holder or any other Person in acting in good faith on a Noteholder Direction.

(b) If a Default for a failure to report or failure to deliver a required certificate in connection with another default (the "Initial Default") occurs, then at the time such Initial Default is cured, such Default for a failure to report or failure to deliver a required certificate in connection with another default that resulted solely because of that Initial Default shall also be cured without any further action.

(c) Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 3.10 hereof or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such provision or such notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

SECTION 6.2. Acceleration. If any Event of Default (other than an Event of Default described in Sections 6.1(a)(7) or (8)) occurs and is continuing, the Trustee by written notice to the Issuers or the Holders of at least 30% in principal amount of the outstanding Notes by written notice to the Issuers and the Trustee, may declare the principal of and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal and accrued and unpaid interest, if any, will be due and payable immediately.

In the event of any Event of Default specified in clause (4) of Section 6.1(a), such Event of Default and all consequences thereof shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

- (1) (x) the Indebtedness that gave rise to such Event of Default shall have been discharged in full; or
- (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (z) if the default that is the basis for such Event of Default has been cured; and
- (2) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction.

If an Event of Default described in Sections 6.1(a)(7) or (8) with respect to the Company or any Issuer occurs and is continuing, the principal of and accrued and unpaid interest, if any, on all Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy

accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, (a) waive, by their consent (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an existing Default or Event of Default and its consequences under this Indenture except (i) a Default or Event of Default in the payment of the principal of, or interest, on a Note or (ii) a Default or Event of Default in respect of a provision that under Section 9.2 cannot be amended without the consent of each Holder affected and (b) rescind any acceleration with respect to the Notes and its consequences if (1) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (2) all existing Events of Default have been cured or waived except nonpayment of principal, premium, if any, interest, if any, that has become due solely because of the acceleration, (3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid, (4) the Issuers have paid the Trustee its compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances and (5) in the event of the cure or waiver of an Event of Default of the type described in clause (4) of Section 6.1(a), the Trustee shall have received an Officer's Certificate and an Opinion of Counsel stating that such Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto. When a Default or Event of Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any consequent right.

SECTION 6.5. Control by Majority. The Holders of a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or the Notes or, subject to Sections 7.1 and 7.2, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability (it being understood that the Trustee has no duty to determine whether any such direction is prejudicial to any Holder); *provided, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any such action hereunder, the Trustee shall be entitled to indemnification satisfactory to it against all fees, losses, liabilities and expenses (including attorney's fees and expenses) caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. Subject to Section 6.7, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 30% in aggregate principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;
- (3) such Holders have offered in writing and, if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and
- (5) Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture (including, without limitation, Section 6.6), but subject to the terms of the First Lien Intercreditor Agreement and any Additional Intercreditor Agreement, the contractual right of any Holder to receive payment of interest on the Notes held by such Holder or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes shall not be impaired or affected without the consent of such Holder (and, for the avoidance of doubt, the amendment, supplement or modification in accordance with the terms of this Indenture of Articles III and IV and Section 6.1(a)(3), (4), (5) and (6) and the related definitions shall be deemed not to impair the contractual right of any Holder to receive payments of principal of and interest on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Note).

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in clauses (1) or (2) of Section 6.1(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.7.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company, its Subsidiaries or its or their respective creditors or properties and, unless prohibited by law or applicable regulations, may be entitled and empowered to participate as a member of any official committee of creditors appointed in such matter and may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due to the Trustee under Section 7.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities.

(a) Subject to the provisions of the First Lien Intercreditor Agreement and the Security Documents, if the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

FIRST: to the Trustee and Collateral Agent for amounts due to it under Section 7.7;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, or premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal of, or premium, if any, and interest, respectively; and

THIRD: to the Company, or to the extent the Trustee collects any amount for any Guarantor, to such Guarantor.

(b) The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Issuers shall send or cause to be sent to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

SECTION 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee or the Collateral Agent for any action taken or omitted by it as Trustee or the Collateral Agent, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or the Collateral Agent, a suit by an Issuer, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 20.0% in outstanding aggregate principal amount of the Notes.

## ARTICLE VII

### TRUSTEE

#### SECTION 7.1. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing and is known to the Trustee, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default known to the Trustee:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, the Notes, the Security Documents or the First Lien Intercreditor Agreement and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, opinions or orders furnished to the Trustee and conforming to the requirements of this Indenture or the Notes, as the case may be. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture or the Notes, as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.1(b);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5; and

(4) No provision of this Indenture or the Notes shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe

that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b) and (c) of this Section 7.1.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law. The Collateral Agent shall not be deemed to have knowledge of a Default or Event of Default unless written notice is received by a Trust Officer of the Collateral Agent at its corporate trust office specified in Section 13.1, and such notice references the Notes and this Indenture.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.1.

SECTION 7.2. Rights of Trustee. Subject to Section 7.1:

(a) The Trustee may conclusively rely on and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgment, order or other paper or document (whether in its original or facsimile form) reasonably believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document. The Trustee shall receive and retain financial reports and statements of the Company as provided herein, but shall have no duty to review or analyze such reports or statements to determine compliance with covenants or other obligations of the Company or the Issuers.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate and/or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer's Certificate or Opinion of Counsel.

(c) The Trustee may execute any of the trusts and powers hereunder or perform any duties hereunder either directly or by or through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care by it hereunder.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel relating to this Indenture or the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder or under the Notes in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be deemed to have notice of any Default or Event of Default or whether any entity or group of entities constitutes a Significant Subsidiary unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or of any such Significant Subsidiary is received by the Trustee at the corporate trust office of the Trustee specified in Section 3.12, and such notice references the Notes and this Indenture.

(g) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be reimbursed and indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder, including the Collateral Agent.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Notes at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered, and if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred therein or thereby.

(i) The Trustee shall not be deemed to have knowledge of any fact or matter unless such fact or matter is known to a Trust Officer of the Trustee.

(j) Whenever in the administration of this Indenture or the Notes the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder or thereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of negligence or willful misconduct on its part, conclusively rely upon an Officer's Certificate.

(k) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, report, notice, request, direction, consent, judgment order, bond, debenture, coupon or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, during business hours and upon reasonable notice, the books, records and premises of the Company and the Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Issuers deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or the Notes.

(n) In no event shall the Trustee be liable to any Person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if the Trustee has been advised of the likelihood of such loss or damage.

(o) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers shall be sufficient if signed by one Officer of each of the Issuers.

(p) The permissive rights of the Trustee under this Indenture and the Notes shall not be construed as duties.

(q) The Collateral Agent shall not be deemed a fiduciary hereunder nor does it owe any fiduciary duty to the Issuers, Guarantors, Holders or other Secured Parties.

SECTION 7.3. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers, Guarantors or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11. In addition, the Trustee shall be permitted to engage in transactions with the Issuers and their Affiliates and Subsidiaries.

SECTION 7.4. Trustee's and Collateral Agent's Disclaimer. Neither the Trustee nor the Collateral Agent shall be responsible for and neither of them makes any representation as to the validity or adequacy of this Indenture, the First Lien Intercreditor Agreement, the Notes or the Security Documents. Neither of them shall be accountable for the Issuers' use of the proceeds from the sale of the Notes, neither of them shall be responsible for the use or application of any money received by any Paying Agent other than the Trustee or any money paid to the Issuers pursuant to the terms of this Indenture and neither of them shall be responsible for any statement of the

Company or the Issuers in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication. The Trustee shall have no duty to ascertain or inquire as to the performance or observance of any of the terms of this Indenture, the First Lien Intercreditor Agreement or any of the Security Documents by the Issuer, any Guarantor, the Collateral Agent or any other party thereto. The Trustee has no obligation whatsoever to the Holders or any other Person to assure that the Collateral exists or is owned by the Issuer or any Guarantor or is cared for, protected, or insured or has been encumbered, or that the Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Issuers' or Guarantors' property constituting Collateral intended to be subject to the Lien and security interest of the Security Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto. The Trustee shall have no responsibility for the perfection or maintenance of the perfection of the security interest in the Collateral, including no duty to file any financing statements, continuation statements, amendments or other documents in connection therewith.

SECTION 7.5. Notice of Defaults. If a Default or Event of Default occurs and is continuing and if a Trust Officer has actual knowledge thereof, the Trustee shall send notice of the Default or Event of Default within 60 days after it is actually known to a Trust Officer to (a) each Holder, which notice shall be sent electronically or by first class mail at the address set forth in the Notes Register, and (b) the Collateral Agent. Except in the case of a Default or Event of Default in payment of principal of or interest, if any, on any Note (including payments pursuant to the optional redemption or required repurchase provisions of such Note), the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of Holders. The Trustee will not be deemed to have knowledge of any Defaults or Events of Default unless written notice of an event, which is in fact a Default, has been delivered to the Trustee at the address set forth in Section 13.1 and such notice references the Notes and this Indenture and states that it is a "notice of default".

SECTION 7.6. [Reserved].

SECTION 7.7. Compensation and Indemnity. The Issuers shall jointly and severally pay to the Trustee from time to time compensation for its services hereunder and under the Notes as the Company and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing reports, certificates and other documents, costs of preparation and mailing of notices to Holders. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the agents, counsel, accountants and experts of the Trustee. The Issuers and the Guarantors, jointly and severally, shall indemnify the Trustee, its directors, officers, employees and agents against any and all loss, liability, damages, claims or expense, including taxes (other than taxes based upon the income of the Trustee) (including reasonable attorneys' and agents' fees and expenses) incurred by it without willful misconduct or gross negligence, as determined by a final nonappealable order of a court of competent jurisdiction, on its part in connection with the administration of this trust and the performance of its duties hereunder and under the Notes, including the costs and expenses of enforcing this Indenture (including this Section 7.7) and the Notes and of defending itself against any claims (whether asserted by any Holder, the Issuers or otherwise). The Trustee shall notify the Issuers promptly of any claim for which it may seek indemnity of which it has received written notice. Failure by the Trustee to so notify the Issuers shall not relieve the Issuers of their obligations hereunder. The Issuers shall defend the claim and the Trustee shall provide reasonable cooperation at the Issuers' expense in the defense. The Trustee may have separate counsel and the Issuers shall pay the fees and expenses of such counsel; *provided that* the Issuers shall not be required to pay the fees and expenses of such separate counsel if it assumes the Trustee's defense, and, in the reasonable judgment of outside counsel to the Trustee, there is no conflict of interest between the Issuers and the Trustee in connection with such defense; *provided further that*, the Issuers shall be required to pay the reasonable fees and expenses of such counsel in evaluating such conflict.

To secure the Issuers' payment obligations in this Section 7.7, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. Such lien shall survive the satisfaction and discharge of this Indenture.

The Trustee's respective right to receive payment of any amounts due under this Section 7.7 shall not be subordinate to any other liability or Indebtedness of the Issuers.

The Issuers' payment obligations pursuant to this Section 7.7 shall survive the discharge of this Indenture and any resignation or removal of the Trustee under Section 7.8. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs fees, expenses or renders services after the occurrence of a Default specified in clause (7) or clause (8) of Section 6.1(a), the fees and expenses (including the reasonable fees and expenses of its counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.8. Replacement of Trustee. The Trustee may resign at any time by so notifying the Issuers in writing not less than 30 days prior to the effective date of such resignation. The Holders of a majority in aggregate principal amount of the Notes may remove the Trustee by so notifying the removed Trustee in writing not less than 30 days prior to the effective date of such removal and may appoint a successor Trustee with the Issuers' written consent, which consent will not be unreasonably withheld. The Issuers shall remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Issuers or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee as described in the preceding paragraph, or if a vacancy exists in the office of the Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuers shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall, at the expense of the Issuers, promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.7.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10.0% in aggregate principal amount of the Notes may petition, at the Issuers' expense, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder, who has been a bona fide holder of a Note for at least six months, may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.8, the Issuers' obligations under Section 7.7 shall continue for the benefit of the retiring Trustee. The predecessor Trustee shall have no liability for any action or inaction of any successor Trustee.

SECTION 7.9. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to

the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall only apply to its successor or successors by merger, consolidation or conversion.

SECTION 7.10. Eligibility; Disqualification. This Indenture shall always have a Trustee. The Trustee shall have a combined capital and surplus of at least \$100 million as set forth in its most recent published annual report of condition.

SECTION 7.11. [Reserved].

SECTION 7.12. Trustee's Application for Instruction from the Issuers. Any application by the Trustee for written instructions from the Issuers may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three (3) Business Days after the date any Officer of an Issuer actually receives such application, unless any such Officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.

## ARTICLE VIII

### LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.1. Option to Effect Legal Defeasance or Covenant Defeasance; Defeasance. The Issuers may, at their option and at any time, elect to have either Section 8.2 or 8.3 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.2. Legal Defeasance and Discharge. Upon the Issuers' exercise under Section 8.1 hereof of the option applicable to this Section 8.2, the Issuers and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees and the Liens securing the Notes and the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Issuers and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees and the Liens securing the Notes and the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.5 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all of their other obligations under the Note Documents (and the Trustee, on written demand of and at the expense of the Company, shall execute such instruments reasonably requested by the Company acknowledging the same) and to have cured all then existing Events of Default, except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of Notes issued under this Indenture to receive payments in respect of the principal of, premium, if any, and interest, if any, on the Notes when such payments are due solely out of the trust referred to in Section 8.4 hereof;
- (2) the Issuers' obligations with respect to the Notes under Article II concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and Section 3.12 hereof concerning the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee and the Collateral Agent and the Issuers' or Guarantors' obligations in connection therewith; and

- (4) this Article VIII with respect to provisions relating to Legal Defeasance.

SECTION 8.3. Covenant Defeasance. Upon the Issuers' exercise under Section 8.1 hereof of the option applicable to this Section 8.3, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be released from each of their obligations under the covenants contained in Section 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.11, 3.13, 3.14, 3.16, 3.18, 3.19, 3.20 and Section 4.1 (except Section 4.1(a)(1) and (a)(2)) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.4 hereof are satisfied (hereinafter, "Covenant Defeasance"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Issuers and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.1(a) hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.1 hereof of the option applicable to this Section 8.3, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, Sections 6.1(a)(3) (other than with respect to Section 4.1(a)(1) and (a)(2)), 6.1(a)(4), 6.1(a)(5), 6.1(a)(6), 6.1(a)(7) (with respect only to a Guarantor that is a Significant Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary), 6.1(a)(8) (with respect only to a Guarantor that is a Significant Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary) and 6.1(a)(9) hereof shall not constitute Events of Default.

SECTION 8.4. Conditions to Legal or Covenant Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.2 or 8.3 hereof:

(1) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and premium, if any, or interest, due on the Notes issued under this Indenture on the stated maturity date or on the applicable redemption date, as the case may be, and the Issuers must specify whether such Notes are being defeased to maturity or to a particular redemption date; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions:

- (A) the Issuers have received from, or there has been published by, the United States Internal Revenue Service a ruling; or
- (B) since the issuance of such Notes, there has been a change in the applicable U.S. federal income tax law;

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes, in their capacity as beneficial owners of the Notes, will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the

same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Credit Facilities or any other material agreement or instrument (other than this Indenture) to which, an Issuer or any Guarantor is a party or by which an Issuer or any Guarantor is bound;

(6) [reserved];

(7) the Issuers shall have delivered to the Trustee an Officer's Certificate to the effect that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of any Issuer or Guarantor; and

(8) the Issuers shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each to the effect that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.5. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.6 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.5, the "Trustee") pursuant to Section 8.4 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or any of its Subsidiaries acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.4 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article VIII to the contrary, the Trustee will deliver or pay to the Issuers from time to time upon the request of the Issuers any money or U.S. Government Obligations held by it as provided in Section 8.4 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.4(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.6. Repayment to the Issuers. Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium or interest on, any Note and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be

paid to the Issuers on their written request unless an abandoned property law designates another Person or (if then held by the Issuers) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuers for payment thereof unless an abandoned property law designates another Person, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Issuers cause to be published once, in *The New York Times* and *The Wall Street Journal* (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuers.

SECTION 8.7. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or Dollars or U.S. Government Obligations in accordance with Section 8.2 or 8.3 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and the Guarantors' obligations under this Indenture and the Notes, the Note Guarantees and the Liens on the Collateral securing the Notes will be revived and reinstated as though no deposit had occurred pursuant to Section 8.2 or 8.3 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.2 or 8.3 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium, or interest on, any Note following the reinstatement of its obligations, the Issuers will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

## ARTICLE IX

### AMENDMENTS

SECTION 9.1. Without Consent of Holders. Notwithstanding Section 9.2 of this Indenture, the Company, the Issuers, any Guarantor, the Trustee, the Collateral Agent and the other parties thereto, as applicable, may amend, supplement or modify any Note Document without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect, error or inconsistency, conform any provision to any provision under the heading "Description of the Notes" in the Offering Circular or reduce the minimum denomination of the Notes;
- (2) to provide for the assumption by a successor Person of the obligations of any Issuer or a Guarantor under any Note Document or to comply with Section 4.1;
- (3) to provide for uncertificated Notes in addition to or in place of certificated Notes or to alter the provisions of this Indenture relating to the form of the Notes (including related definitions);
- (4) to add or modify the covenants or provide for a Note Guarantee for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Restricted Subsidiary;
- (5) to make any change (including changing the CUSIP or other identifying number on any Notes) that would provide any additional rights or benefits to the Holders or that does not adversely affect the rights of any Holder in any material respect;
- (6) at the Company's election, comply with any requirement of the SEC in connection with the qualification of this Indenture under the Trust Indenture Act, if such qualification is required;
- (7) make such provisions as necessary for the issuance of Additional Notes;
- (8) provide for any Restricted Subsidiary to provide a Guarantee in accordance with Section 3.7, to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect

to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture;

- (9) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee or successor Paying Agent thereunder pursuant to the requirements hereof or to provide for the accession by the Trustee to any Note Document;
- (10) make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including to facilitate the issuance and administration of Notes; *provided, however*, that such amendment does not materially and adversely affect the rights of Holders to transfer the Notes;
- (11) comply with the rules and procedures of any applicable securities depository;
- (12) give effect to any provision of this Indenture (including the release of any Guarantees or security interest in any Collateral in accordance with the terms of this Indenture);
- (13) add assets to the Collateral;
- (14) release Collateral from any Lien pursuant to this Indenture, the First Lien Intercreditor Agreement, any Additional Intercreditor Agreement and the applicable Security Documents when permitted or required by this Indenture, the First Lien Intercreditor Agreement, any Additional Intercreditor Agreement and the applicable Security Documents;
- (15) to the extent necessary, provide for the granting of a security interest for the benefit of any Person; provided, however, that the granting of such security interest is not prohibited under this Indenture; and
- (16) evidence and give effect to the acceptance and appointment under this Indenture, the First Lien Intercreditor Agreement, any Additional Intercreditor Agreement and the applicable Security Documents of a successor Trustee.

Subject to Section 9.2, upon the request of the Issuers and upon receipt by the Trustee of the documents described in Sections 9.6 and 13.2 hereof, the Trustee will join with the Issuers and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

SECTION 9.2. With Consent of Holders. Except as provided below in this Section 9.2, the Company, the Issuers, any Guarantor, the Trustee, the Collateral Agent and the other parties thereto, as applicable, may amend or supplement any Note Document, and release any (but less than substantially all) of the Collateral, with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture, including, without limitation, consents obtained before or after a Change of Control or in connection with a purchase of, or tender offer or exchange offer for, Notes, and any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of any Note Document may be waived with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture (including consents obtained before or after a Change of Control or in connection with a purchase of or tender offer or exchange offer for Notes). Section 2.12 hereof and Section 13.4 hereof shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.2.

Upon the request of the Issuers, and upon delivery to the Trustee of evidence of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.6 and 13.2 hereof, the Trustee will join with the Issuers and the Guarantors in the execution of such amended or supplemental indenture

unless such amended or supplemental indenture affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

Without the consent of each Holder of Notes affected, an amendment, supplement or waiver may not, with respect to any Notes issued thereunder and held by a nonconsenting Holder:

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment;
- (2) reduce the stated rate of or extend the stated time for payment of interest on any such Note (other than provisions relating to Section 3.5 and Section 3.9);
- (3) reduce the principal of or extend the Stated Maturity of any such Note (other than provisions relating to Section 3.5 and Section 3.9);
- (4) reduce the redemption price payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case as set forth in Section 5.7;
- (5) make any such Note payable in currency other than that stated in such Note;
- (6) impair the right of any Holder to institute suit for the enforcement of any payment of principal of and interest on such Holder's Notes on or after the due dates therefor;
- (7) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes outstanding and a waiver of the payment default that resulted from such acceleration);
- (8) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.2; or
- (9) change the provisions of the First Lien Intercreditor Agreement or any Additional Intercreditor Agreement in a manner adverse to the interests of the Holders in any material respect.

Notwithstanding the foregoing, without the consent of the Holders of two-thirds of the aggregate principal amount of the Notes then outstanding (which consents may be obtained in connection with a tender offer or exchange offer for the Notes), no amendment or waiver may release from the Lien of this Indenture and the Security Documents all or substantially all of the Collateral.

It shall not be necessary for the consent of the Holders under this Indenture to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under this Indenture by any Holder of the Notes given in connection with a tender or exchange of such Holder's Notes will not be rendered invalid by such tender or exchange.

Notwithstanding the foregoing, no Holder consent is required for the Collateral Agent to enter into, or to effect any amendment, modification or supplement to the First Lien Intercreditor Agreement or any Additional Intercreditor Agreement or any other intercreditor agreement or arrangement permitted under this Indenture or in any document pertaining to any Indebtedness permitted thereby that is permitted to be secured by the Collateral, for the purpose of adding the holders of such Indebtedness (or their Representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto, in each case as contemplated by the terms of such First Lien Intercreditor Agreement, any Additional Intercreditor Agreement or arrangement permitted under this Indenture, as applicable (it being understood that any such amendment or supplement may make such other changes to the

applicable intercreditor agreement as are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect (taken as a whole), to the interests of the Holders); provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Trustee or Collateral Agent under this Indenture without the prior written consent of the Trustee or Collateral Agent, as applicable.

SECTION 9.3. [Reserved].

SECTION 9.4. Revocation and Effect of Consents and Waivers. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent or waiver as to such Holder's Note or portion of its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described in this Section 9.4 or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.5. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Issuer Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.6. Trustee and Collateral Agent to Sign Amendments. The Trustee and, if applicable, the Collateral Agent, shall sign any amended or supplemental indenture authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Collateral Agent. In executing any amended or supplemental indenture, the Trustee and the Collateral Agent will be entitled to receive and (subject to Sections 7.1 and 7.2 hereof) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 13.2 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and is valid, binding and enforceable against any Issuer or Guarantor, as the case may be, in accordance with its terms.

## ARTICLE X

### GUARANTEE

SECTION 10.1. Guarantee. Subject to the provisions of this Article X, each Guarantor fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder, the Trustee, the Collateral Agent and the other Secured Parties and their respective successors and assigns, the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Issuers under the Notes and this Indenture (including without limitation interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Issuers or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in

such proceeding and the obligations under Section 7.7) (all the foregoing being hereinafter collectively called the “Guaranteed Obligations”). Each Guarantor agrees that the Guaranteed Obligations will rank equally in right of payment with other Indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guaranteed Obligations, in which case the obligations of the Guarantors under the Guarantees will rank senior in right of payment to such other Indebtedness.

Each Guarantor hereby agrees that its Note Guarantee set forth in this Section 10.1 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

If an Officer whose signature is on this Indenture or the applicable supplemental indenture to this Indenture no longer holds that office at the time the Trustee authenticates any Note, the Guarantee shall be valid nevertheless.

Each Guarantor further agrees (to the extent permitted by law) that the Guaranteed Obligations may be extended, increased or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article X notwithstanding any extension, increase or renewal of any Guaranteed Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Issuers of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations.

Each Guarantor further agrees that its Note Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guaranteed Obligations.

Except as set forth in Section 10.2, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guaranteed Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guaranteed Obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of the Trustee, any Holder or the Collateral Agent to assert any claim or demand or to enforce any right or remedy against the Issuers or any other person under this Indenture, the Notes, the Security Documents or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes, the Security Documents or any other agreement; (d) the release of any security held by any Holder for the Guaranteed Obligations; (e) the release of, or any impairment of or failure to perfect any Lien on or security interest in, any security held by the Collateral Agent, the Trustee or any Holder for the Guaranteed Obligations or any of them, (f) the failure of any Holder to exercise any right or remedy against any other Guarantor; (g) any change in the ownership of the Trustee, the Collateral Agent or any Issuer; (h) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (i) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity. To the fullest extent permitted by applicable law, each Guarantor expressly authorizes the Collateral Agent to take and hold security for the payment and performance of the Guaranteed Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in its sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Guaranteed Obligations, all without affecting the obligations of any Guarantor hereunder.

Each Guarantor agrees that its Note Guarantee herein shall remain in full force and effect until payment in full of all the Guaranteed Obligations or such Guarantor is released from its Note Guarantee in compliance with Section 10.2, Article VIII or Article XI. Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guaranteed Obligations is rescinded or must otherwise be restored by any

Holder, the Trustee or the Collateral Agent upon the bankruptcy or reorganization of an Issuer, any Guarantor or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder, the Trustee or the Collateral Agent has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuers to pay any of the Guaranteed Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders (or the Trustee or Collateral Agent on behalf of the Holders) an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations then due and owing and (ii) accrued and unpaid interest on such Guaranteed Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like proceeding relating to any Issuer or Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Note Guarantee.

Each Guarantor also agrees to pay any and all fees, costs and expenses (including attorneys' fees and expenses) incurred by the Trustee, Collateral Agent or the Holders in enforcing any rights under this Section 10.1.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantee (including any security interest with respect thereto) or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Note Guarantee (including any security interest with respect thereto) not constituting a fraudulent conveyance or fraudulent transfer under federal, foreign, state or provincial law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Any Note Guarantee of a Guarantor shall be automatically and unconditionally released and discharged upon:

(1) a sale, exchange, transfer or other disposition (including by way of merger, amalgamation, consolidation, dividend distribution or otherwise) of the Capital Stock of such Guarantor (including any sale, exchange, transfer or other disposition) of all or Substantially All of the assets of the Guarantor to a Person other than to the Company, an Issuer or a Restricted Subsidiary and as otherwise permitted by this Indenture;

(2) the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary or the occurrence of any event after which the Guarantor is no longer a Restricted Subsidiary;

(3) defeasance or discharge of the Notes pursuant to Article VIII or Article XI;

(4) [reserved];

(5) such Guarantor being (or being substantially concurrently) released or discharged from all of its Guarantees of Indebtedness of the Issuers or a Guarantor that would require such Guarantor to provide a Note Guarantee pursuant to Section 3.7 hereof, except in the case of a release as a result of the

payment under such Guarantees (it being understood that a release subject to a contingent reinstatement is still considered a release);

(6) upon the merger, amalgamation or consolidation of any Guarantor with and into the Company or another Guarantor or upon the liquidation of such Guarantor, in each case, in compliance with the applicable provisions of this Indenture; or

(7) other than with respect to the Note Guarantee of the Company, upon the achievement of Investment Grade Status by the Notes; *provided* that such Note Guarantee shall be reinstated upon the Reversion Date.

SECTION 10.3. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Note Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Issuers or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 10.4. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Issuers or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guaranteed Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuers or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuers on account of the Guaranteed Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guaranteed Obligations.

## ARTICLE XI

### SATISFACTION AND DISCHARGE

SECTION 11.1. Satisfaction and Discharge. This Indenture will be discharged and will cease to be of further effect (except as to surviving rights of transfer or exchange of the Notes and rights of the Trustee, as expressly provided for in this Indenture) as to all Notes issued hereunder, and the Liens on the Collateral securing the Notes and the Note Guarantees will be released, when:

(a) either:

(1) all Notes that have been authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) all such Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable by reason of the making of a notice of redemption or otherwise or (ii) will become due and payable within one year at their Stated Maturity or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee, in the name, and at the expense of the Issuers;

(b) the Issuers have irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on such Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption, and any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(c) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) with respect to this Indenture or the Notes issued hereunder shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under the Credit Agreement or any other material agreement or instrument (other than this Indenture) to which any Issuer or Guarantor is a party or by which any Issuer or Guarantor is bound;

(d) the Issuers have paid or caused to be paid all sums payable by the Issuers under this Indenture; and

(e) the Issuers have delivered irrevocable instructions to the Trustee to apply the deposited money in Dollars toward the payment of such Notes issued hereunder at maturity or the redemption date, as the case may be.

In addition, the Issuers shall deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, the Issuers' obligations to the Trustee in Section 7.7 hereof and, if money in Dollars has been deposited with the Trustee pursuant to clause (a)(2) of this Section 11.1, the provisions of Sections 11.2 and 8.6 hereof will survive.

SECTION 11.2. Application of Trust Money. Subject to the provisions of Section 8.6 hereof, all money in Dollars or U.S. Government Obligations deposited with the Trustee pursuant to Section 11.1 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including any Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium) and interest for whose payment such money in Dollars or U.S. Government Obligations has been deposited with the Trustee; but such money in Dollars or U.S. Government Obligations need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 11.1 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.1 hereof; *provided* that if the Issuers have made any payment of principal of, premium or interest on, any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE XII

COLLATERAL AND SECURITY

SECTION 12.1. Collateral and Security Documents.

(a) To secure the full and punctual payment when due and the full and punctual performance of the Obligations of the Issuer and the Guarantors in respect of the Notes and the Note Guarantees, the Company, the Issuers, the Guarantors, the Trustee and the Collateral Agent shall, on the Issue Date, enter into certain Security Documents and may enter into additional Security Documents. In the event that security interests in any of the Collateral are not created as of the Issue Date, the Issuers, the Company and the Guarantors shall use commercially reasonable efforts to implement security arrangements with respect to such Collateral as promptly as reasonably practicable after the Issue Date (or on such later date as may be permitted by the Applicable Representative in its sole discretion). All security interests in the Collateral for the Notes and the Note Guarantees will be granted and implemented subject to the Reference Agreement Security Principles.

(b) By accepting a Note, each Holder thereof will be deemed to have: (1) irrevocably appointed the Collateral Agent to act as its agent and trustee under the Security Documents and the other relevant documents to which it is a party; and (2) irrevocably authorized the Collateral Agent to (i) perform the duties and exercise the rights, powers and discretions that are specifically given to it under this Indenture, the First Lien Intercreditor Agreement, any Additional Intercreditor Agreement and the Security Documents or other documents to which it is a party, together with any other incidental rights, power and discretions; and (ii) execute each document expressed to be executed by the Collateral Agent on its behalf.

(c) The Trustee shall become party to the First Lien Intercreditor Agreement by executing and delivering a joinder to the First Lien Intercreditor Agreement and shall acknowledge the designation of the Obligations as “Additional Obligations” under the First Lien Intercreditor Agreement on or prior to the Issue Date, and by accepting a Note, each Holder thereof shall be deemed to have irrevocably authorized the Trustee to execute and deliver such joinder, appointing the Collateral Agent as agent, and perform the duties and exercise the rights, powers and discretions that are specifically given to it under the First Lien Intercreditor Agreement, binding the Holders to the terms thereof. Whether or not expressly provided therein, in acting under the First Lien Intercreditor Agreement or any other Security Document, the Trustee shall be entitled to all of the rights, privileges, immunities and indemnities granted to the Trustee under this Indenture.

SECTION 12.2. Recording, Certificates and Opinions. In accordance with the provisions set forth in Section 3.17, the Issuers shall do or cause to be done, at their own expense, all acts and things reasonably required, or which the Trustee or the Collateral Agent from time to time may request to assure and confirm that the Trustee and/or Collateral Agent holds, for the benefit of the Holders, duly created, enforceable and perfected Liens as contemplated by this Indenture and the Security Documents, with the priority contemplated by this Indenture and the Security Documents, so as to render the same available for the security and benefit of this Indenture and the Notes, according to the intent and purposes therein expressed.

SECTION 12.3. Suits to Protect the Collateral. Subject to the provisions of the Security Documents, this Indenture and the First Lien Intercreditor Agreement (or, if applicable, any Additional Intercreditor Agreement), the Trustee and the Collateral Agent shall have power to institute and to maintain such suits and proceedings as either of them may deem expedient to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Security Documents, this Indenture or the First Lien Intercreditor Agreement (or, if applicable, any Additional Intercreditor Agreement), and such suits and proceedings as the Trustee or the Collateral Agent, in their sole discretion (and without any obligation), may deem expedient to preserve or protect their interests and the interests of the Holders, the Trustee and the Collateral Agent in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional, ultra vires or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the lien on the Collateral or be prejudicial to the interests of the Holders, the Trustee or the Collateral Agent).

SECTION 12.4. Other Agreements. This Indenture and the Security Documents shall be subject to the Reference Agreement Security Principles and the First Lien Intercreditor Agreement (and any Additional Intercreditor Agreement).

SECTION 12.5. Determinations Relating to Collateral. Subject to the First Lien Intercreditor Agreement (and, if applicable, any Additional Intercreditor Agreement), in the event (i) the Trustee shall receive any written request from the Issuers, the Company or the Collateral Agent under any Security Document for consent or approval with respect to any matter or thing relating to any Collateral or the Issuers' obligations with respect thereto or (ii) there shall be due to or from the Trustee or the Collateral Agent under the provisions of any Security Document any material performance or the delivery of any material instrument or (iii) the Trustee shall become aware of any material nonperformance by the Issuers of any covenant or any material breach of any representation or warranty of the Issuers set forth in any Security Document, then, in each such event, the Trustee shall be entitled to hire, at the sole reasonable cost and expense of the Issuers, experts, consultants, agents and attorneys to advise the Trustee on the manner in which the Trustee should respond, or direct the Collateral Agent to respond to such request or render any requested performance or response to such nonperformance or breach. The Trustee shall be fully protected in accordance with Article VII hereof in the taking (or not taking) of any action recommended or approved by any such expert, consultant, agent or attorney and by indemnification or other security provided in Section 7.7 and additional indemnification or other security provided in accordance with Section 6.5 and other sections of this Indenture.

SECTION 12.6. Release of Collateral.

(a) Subject to the First Lien Intercreditor Agreement, the security interests in the Collateral for the benefit of the Notes shall be released:

(1) upon payment in full of principal, interest and all other Obligations on the Notes issued under this Indenture or discharge or defeasance thereof;

(2) [reserved];

(3) to enable the Issuers or a Guarantor to consummate the disposition of such property or assets to the extent not prohibited under Section 3.5;

(4) in the case of property or assets of a Guarantor that is released from its Note Guarantee with respect to the Notes, including pursuant to Section 10.2(b), upon the release of the Note Guarantee of such Guarantor;

(5) [reserved];

(6) in the circumstances set forth in clauses (2) and (14) of Section 9.1 and or as set forth in the fourth paragraph of Section 9.2;

(7) by the Trustee or Collateral Agent, acting on the instructions of the Applicable Representative in accordance with the terms of the First Lien Intercreditor Agreement (other than releases of all or substantially all of the Collateral); or

(8) upon a Legal Defeasance under Section 8.2 or a Covenant Defeasance under Section 8.3.

(b) In order to secure new Indebtedness (where such Indebtedness is permitted under this Indenture and the Lien securing such Indebtedness is a Permitted Lien that is entitled to rank equal with, in priority to or behind the security interests on the Collateral, as applicable), on the date on which such new Indebtedness is incurred, and subject to no Default having occurred and being continuing, the Trustee or Collateral Agent for the Notes, as applicable, is authorized by the Trustee and the Holders to, and shall, at the request of the Issuers or the Company, release the security interests in the Collateral and will, simultaneously with the grant of Liens in respect

of the new Indebtedness, retake such security interests in the Collateral; *provided, however*, that all holders of Liens on behalf of other Indebtedness or obligations secured by such Collateral concurrently release and (if applicable) retake the security interests in the same manner; *provided further, however*, that following such release and retaking the security interests in the Collateral are not subject to any new hardening period or limitation (excluding any such hardening period or limitation that existed prior to such release and retaking) which is not also applicable to the Lien granted in favor of the new Indebtedness and any such other Indebtedness or obligations (it being understood that the new Indebtedness and such other Indebtedness and obligations may be subject to longer or more onerous hardening periods or limitations) or the Trustee shall have received a solvency opinion from an Independent Financial Advisor satisfactory to the Trustee confirming the solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such release and retaking.

(c) [Reserved].

(d) Upon certification by the Issuers and at the sole cost and expense of the Issuers, each of the Trustee and the Collateral Agent shall execute all documents reasonably requested of it to effectuate any release in accordance with these provisions, subject to customary protections and indemnifications. The Collateral Agent or the Trustee, as applicable, at the instruction of and at the cost of the Issuers or the Applicable Representative (as applicable), will agree to any release of the Liens on the Collateral created by the Security Documents that is in accordance with this Indenture and the First Lien Intercreditor Agreement without requiring any consent of the Holders, in reliance upon an Opinion of Counsel and Officers' Certificate to that effect delivered by the Issuers.

SECTION 12.7. Notices. The Issuers and the Collateral Agent shall cause any notices delivered by such parties pursuant to the Security Documents to be delivered to the Trustee concurrently.

SECTION 12.8. Collateral Agent. The Collateral Agent's rights and obligations shall also be governed by the First Lien Intercreditor Agreement, any Additional Intercreditor Agreement and the Security Documents.

In giving such Opinion of Counsel, counsel may rely as to factual matters on an Officer's Certificate or on certificates of public officials.

SECTION 13.4. When Notes Disregarded. In determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuers, any Guarantor or any Affiliate of them shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Also, subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

SECTION 13.5. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by, or at meetings of, Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

SECTION 13.6. Legal Holidays. A "Legal Holiday" is a Saturday, a Sunday or other day on which commercial banking institutions are authorized or required to be closed in New York, New York or the jurisdiction of the place of payment. If a payment date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

SECTION 13.7. Governing Law. THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES AND THE RIGHTS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 13.8. Jurisdiction. The Issuers and the Guarantors agree that any suit, action or proceeding against the Issuers or any Guarantor brought by any Holder, the Trustee or the Collateral Agent arising out of or based upon this Indenture, the Note Guarantees or the Notes may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, and any appellate court from any thereof, and each of them irrevocably submits to the non-exclusive jurisdiction of such courts in any suit, action or proceeding. The Issuers and the Guarantors irrevocably waive, to the fullest extent permitted by law, any objection to any suit, action, or proceeding that may be brought in connection with this Indenture, the Note Guarantees or the Notes, including such actions, suits or proceedings relating to securities laws of the United States of America or any state thereof, in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or

proceeding has been brought in an inconvenient forum. The Issuers and the Guarantors agree that final judgment in any such suit, action or proceeding brought in such court shall be conclusive and binding upon the Issuers or the Guarantors, as the case may be, and may be enforced in any court to the jurisdiction of which the Issuers or the Guarantors, as the case may be, are subject by a suit upon such judgment.

SECTION 13.9. Waivers of Jury Trial. **EACH OF THE ISSUERS, THE GUARANTORS, THE TRUSTEE, THE COLLATERAL AGENT AND THE HOLDERS (BY ACCEPTANCE OF THEIR NOTES) HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE GUARANTEES AND FOR ANY COUNTERCLAIM THEREIN.**

SECTION 13.10. USA PATRIOT Act. The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee and the Collateral Agent, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this Indenture agree that they will provide the Trustee and the Collateral Agent with such information as it may request in order to satisfy the requirements of the USA PATRIOT Act.

SECTION 13.11. No Recourse Against Others. No director, officer, employee, incorporator or shareholder of the Issuers or any of its respective Subsidiaries or Affiliates, as such (other than the Issuers and the Guarantors), shall have any liability for any obligations of the Issuers or the Guarantors under the Notes, the Note Guarantees or this Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SECTION 13.12. Successors. All agreements of each Issuer and Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee and the Collateral Agent in this Indenture shall bind their respective successors.

SECTION 13.13. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. Any signature to this Indenture may be delivered by facsimile, electronic mail (including .pdf) or any electronic signature complying with the U.S. Federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law; provided that notwithstanding anything herein to the contrary, the Trustee is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Trustee pursuant to procedures approved by the Trustee. For the avoidance of doubt, the foregoing also applies to any amendment hereto. Each of the parties represents and warrants to the other parties that it has the corporate capacity and authority to execute this Indenture through electronic means and there are no restrictions for doing so in that party's constitutive documents.

SECTION 13.14. Table of Contents; Headings. The table of contents, cross-reference table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 13.15. Force Majeure. In no event shall the Trustee or Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, epidemics, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, it being understood that the

Trustee or Collateral Agent shall use reasonable best efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

SECTION 13.16. Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 13.17. Intercreditor Agreement. Each Holder, by its acceptance of a Note (a) agrees that it will be bound by and will take no actions contrary to the provisions of the First Lien Intercreditor Agreement and (b) authorizes and instructs the Trustee and the Collateral Agent to enter into the First Lien Intercreditor Agreement (and joinder thereto or any other Security Documents) as Trustee and Collateral Agent, as the case may be, and on behalf of such Holder, including without limitation, making any representations of the Holders contained therein.

SECTION 13.18. Waiver of Immunities. To the extent that any Issuer or Guarantor or any of its properties, assets or revenues may have or may hereafter become entitled to, or have attributed to them, any right of immunity, on the grounds of sovereignty, from any legal action, suit or proceeding, from set-off or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, or from attachment in aid of execution of judgment, or from execution of judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any jurisdiction in which proceedings may at any time be commenced, with respect to their obligations, liabilities or any other matter under or arising out of or in connection with this Indenture, the Notes or the Note Guarantees, each Issuer and Guarantor hereby irrevocably and unconditionally, to the extent permitted by applicable law, waives and agrees not to plead or claim any such immunity and consents to such relief and enforcement.

SECTION 13.19. Judgment Currency. Each Issuer and Guarantor agrees to indemnify the recipient against any loss incurred by such recipient as a result of any judgment or order being given or made against the Company or any Guarantor for any amount due hereunder and such judgment or order being expressed and paid in a currency (the "Judgment Currency") other than Dollars and as a result of any variation as between (i) the rate of exchange at which the Dollar amount is converted into the Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange in The City of New York at which such party on the date of payment of such judgment or order is able to purchase Dollars with the amount of the Judgment Currency actually received by such party if such party had utilized such amount of Judgment Currency to purchase Dollars as promptly as practicable upon such party's receipt thereof. The foregoing indemnity shall constitute a separate and independent obligation of each Issuer and Guarantor and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

4.000% SENIOR SECURED NOTES DUE 2027

Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture.

1. Interest

The Issuers promise to pay interest on the principal amount of this Note at 4.000% per annum from October 1, 2020 until maturity. The Issuers will pay interest semi-annually in arrears every April 15 and October 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that the first Interest Payment Date shall be [April 15, 2021]<sup>4</sup>. The Issuers shall pay interest on overdue principal at the rate specified herein, and they shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. Method of Payment

By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest, on any Note is due and payable, the Issuers shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium, interest when due. Interest on any Note which is payable, and is timely paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the preceding April 1 and October 1 at the office or agency of the Issuers maintained for such purpose pursuant to Section 2.3 of the Indenture. The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of Paying Agent or Registrar designated by the Issuers maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Issuers as may be maintained for such purpose pursuant to Section 2.3 of the Indenture; *provided, however*, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the third to the last sentence of this paragraph. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least \$1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made in accordance with the Notes Register, or by wire transfer to a Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). If an Interest Payment Date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

3. Paying Agent and Registrar

The Issuers issued the Notes under an Indenture dated as of October 1, 2020, among the Issuers, the Guarantors party thereto, the Trustee and the Collateral Agent (as it may amended or supplemented from time to time in accordance with the terms thereof, the “Indenture”). The terms of the Notes include those stated in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of those terms. In the event of a conflict between the terms of the Notes and the terms of the Indenture, the terms of the Indenture shall control.

This Note is one of the 4.000% Senior Secured Notes due 2027 referred to in the Indenture. The Notes include (i) \$1,000,000,000 principal amount of the Issuers’ 4.000% Senior Secured Notes due 2027 issued under the Indenture on October 1, 2020 (the “Initial Notes”) and (ii) if and when issued, additional Notes that may be issued from time to time under the Indenture subsequent to October 1, 2020 (the “Additional Notes”) as provided in Section 2.1(a) of the Indenture. Each Holder by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

So long as the Discharge of First Lien Obligations has not occurred, any Shared Collateral or Proceeds thereof or payment on account thereof or value allocable thereto, received by any Second Lien Collateral Agent or any other Second Lien Secured Party in connection with any Collateral Enforcement Action, any insurance policy claim or condemnation award (or deed in lieu of condemnation) or any Insolvency or Liquidation Proceeding involving a Grantor shall be segregated and held in trust (or, to the extent the concept of trust is not recognized in the relevant jurisdiction, held on behalf of and for the benefit of) and promptly transferred or paid over to the Applicable First Lien Representative for the benefit of the First Lien Secured Parties in the same form as received, together with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct.

SECTION 17.3. Certain Agreements with Respect to Invalid or Unenforceable Liens. Notwithstanding anything to the contrary contained herein, if in any Insolvency or Liquidation Proceeding a determination is made that any First Priority Lien encumbering any Shared Collateral is not valid, perfected or enforceable for any reason, then the Second Lien Collateral Agents and the Second Lien Secured Parties agree that any distribution or recovery they may receive with respect to, or on account of, the value of the assets intended to constitute such Shared Collateral or any Proceeds thereof shall (for so long as the Discharge of First Lien Obligations has not occurred) be segregated and held in trust (or, to the extent the concept of trust is not recognized in the relevant jurisdiction, held on behalf of and for the benefit of) and promptly paid over to the Applicable First Lien Representative for the benefit of the First Lien Secured Parties in the same form as received without recourse, representation or warranty (other than a representation of the Second Lien Collateral Agent or Second Lien Secured Party that it has not otherwise sold, assigned, transferred or pledged any right, title or interest in and to such distribution or recovery) but with any necessary endorsements.

SECTION 17.4. First Lien Agents Attorney-in-Fact. Until the Discharge of First Lien Obligations occurs, each Second Lien Representative and Second Lien Collateral Agent, for itself and on behalf of each other Second Lien Secured Party it represents, hereby appoints each First Lien Agent, and any officer or agent of such First Lien Agent, with full power of substitution, the attorney-in-fact of each Second Lien

Secured Party for the purpose of carrying out the provisions of Sections 4.02 and 4.03 and taking any action and executing any instrument that such First Lien Agent may deem necessary or advisable to accomplish the purposes of Sections 4.02 and 4.03, which appointment is coupled with an interest and is irrevocable.

SECTION 17.5. Existence and Amounts of Liens and Obligations. Whenever the Applicable First Lien Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First Lien Obligations or Second Lien Obligations, or the Shared Collateral subject to any Lien securing the First Lien Obligations or Second Lien Obligations of any Series, it may request that such information be furnished to it in writing by each other Representative and shall be entitled to make such determination on the basis of the information so furnished; provided that if any Representative shall fail or refuse reasonably promptly to provide the requested information, the Applicable First Lien Representative shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of Holdings. The Applicable First Lien Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Secured Party or any other Person as a result of such determination.

## *ARTICLE XVIII*

### *Insolvency or Liquidation Proceedings*

SECTION 18.1. DIP Financing. (a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceedings under any Bankruptcy Law by or against any Loan Party or any of its subsidiaries.

(b) If any Loan Party shall be subject to any Insolvency or Liquidation Proceeding at any time prior to the Discharge of First Lien Obligations, and any First Lien Secured Party shall seek to provide any Loan Party with, or consent to a third party providing, any financing under Section 364 of the Bankruptcy Code or any similar provision of foreign law or consent to any order for the use of cash collateral under Section 363 of the Bankruptcy Code or any similar provision of foreign law ("DIP Financing"), with such DIP Financing to be secured by all or any portion of the Shared Collateral (including assets that, but for the application of Section 552 of the Bankruptcy Code or any similar provision of foreign law would be Shared Collateral), then each Second Lien Representative, for and on behalf of itself and the Second Lien Secured Parties represented thereby, agrees that it will raise no objection and will not directly or indirectly support or act in concert with any other party in raising an objection to such DIP Financing or to the Liens securing such DIP Financing on the grounds of a failure to provide "adequate protection" for the Liens of such Second Lien Representative securing the applicable Second Lien Obligations or on any other grounds, and will subordinate its Liens on the Shared Collateral to (i) the Liens securing such DIP Financing (and all obligations relating thereto), (ii) any adequate protection Liens provided to the First Lien Secured Parties, and (iii) any "carve-out" for professional or United States Trustee fees agreed to by the First Lien Representative, so long as (x) such Second Lien Representative retains its Lien on the Shared Collateral to secure the applicable Second Lien Obligations (in each case, including

---

Proceeds thereof arising after the commencement of the case under the Bankruptcy Code), (y) all Liens on Shared Collateral securing any such DIP Financing are senior to or on a parity with the Liens of the First Lien Secured Parties on the Shared Collateral securing the First Lien Obligations and (z) if any First Lien Secured Party receives an adequate protection Lien on post-petition assets of the debtor to secure the First Lien Obligations, such Second Lien Representative may also seek an adequate protection Lien on such post-petition assets of the debtor to secure the related Second Lien Obligations in accordance with Section 5.08; provided that (A) each such Lien in favor of such First Lien Secured Party and such Second Lien Secured Party shall be subject to the provisions of Section 5.01(c) and (B) the foregoing provisions of this Section 5.01(b) shall not prevent any Second Lien Secured Party from objecting to any provision in any DIP Financing relating to any provision or content of a plan of reorganization (including with respect to the treatment therein of any Second Lien Obligations).

(c) All Liens granted to any First Lien Secured Party or Second Lien Secured Party in any Insolvency or Liquidation Proceeding, whether as adequate protection or otherwise, are intended by the Parties to be and shall be deemed to be subject to the Lien Priority and the other terms and conditions of this Agreement; provided that the foregoing shall not alter the super-priority of any Liens securing any DIP Financing consented to by the Applicable First Lien Representative.

(d) Until the Discharge of First Lien Obligations, without limiting Section 6.04, each Second Lien Collateral Agent, for itself and on behalf of the other Second Lien Secured Parties, agrees that, in the event of any Insolvency or Liquidation Proceeding, the Second Lien Secured Parties:

(1) will be deemed to have consented to, and will not oppose or object to (or support any other Person in opposing or objecting to), any disposition of any Collateral free and clear of the Second Priority Liens or other claims under Section 363 of the Bankruptcy Code (including, for the avoidance of doubt, any bidding procedures in connection therewith or any other related or ancillary matter, including the retention of any professionals), or any comparable provision of any other Bankruptcy Law, if the Applicable First Lien Representative shall consent to, or not oppose or object to, such disposition so long as the proceeds of such sale are applied in accordance with this Agreement; provided that (a) the Liens of the Second Lien Secured Parties shall attach to any remaining proceeds with the same priority and validity as the Liens held by the Second Lien Secured Parties in the Shared Collateral[,][ and] (b) the net cash Proceeds of any sale under Section 363(b) of the Bankruptcy Code are permanently applied to the DIP Financing or any First Lien Obligations[ and (c) this subsection (i) shall not be deemed to be a waiver of the rights of the Second Lien Secured Parties to credit bid on the Shared Collateral in any such disposition in accordance with Section 363(k) of the Bankruptcy Code in compliance with Section 5.05(a)(ix)]<sup>9</sup>;

(2) except to the extent permitted by and subject to Section 5.08, will not assert any claim (or support any other Person in asserting any claim) under Section 507(b) of the Bankruptcy Code;

(3) shall not, without the prior written consent of the Applicable First Lien Representative, seek or request relief from or modification of the automatic stay or any other moratorium or stay in respect of any part of the Shared Collateral, any Proceeds thereof or any Second Priority Lien;

(4) hereby waives any claim any Second Lien Secured Party may hereafter have against any First Lien Secured Party (a) relating to the election by any First Lien Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code or any comparable provision of any other Bankruptcy Law, or (b) arising out of any use of cash collateral or financing arrangement, or any grant of a security interest in the Shared Collateral, in any Insolvency or Liquidation Proceeding;

(5) [will not, without the consent of the Applicable First Lien Representative, propose or enter into any DIP Financing or, except as set forth in Section 5.01(b), support any DIP Financing;]<sup>10</sup> and

(6) shall not contest (or directly or indirectly support any other Person contesting) (A) any request by any First Lien Representative or First Lien Secured Party for adequate protection of its interest in the Collateral (unless in contravention of Section 5.01(b)), or (B) any objection by any First Lien Representative or First Lien Secured Party to any motion, relief, action or proceeding based on a claim by such First Lien Representative or First Lien Secured Party that its interests in the Collateral (unless in contravention of Section 5.01(b)) are not adequately protected (or any other similar request under any law applicable to an Insolvency or Liquidation Proceeding), so long as any Liens granted to such First Lien Representative as adequate protection of its interests are subject to this Agreement.

SECTION 18.2. Post-Petition Interest. (a) Each Second Lien Representative and Second Lien Collateral Agent, for itself and on behalf of the other Second Lien Secured Parties it represents, agrees that no Second Lien Secured Party shall oppose or seek to challenge (or support any other Person in opposing or challenging) any claim by any First Lien Agent or any other First Lien Secured Party for allowance in any Insolvency or Liquidation Proceeding of First Lien Obligations consisting of post-petition interest, fees, expenses or charges to the extent of the value of the First Priority Liens (it being understood and agreed that such value shall be determined without regard to the existence of the Second Priority Liens on the Collateral).

(b) Each First Lien Representative and First Lien Collateral Agent, for itself and on behalf of the other First Lien Secured Parties it represents, agrees that no First Lien Secured Party shall oppose or seek to challenge (or support any other Person in opposing or challenging) any claim by any Second Lien Collateral Agent or any other Second Lien Secured Party for allowance in any US Insolvency or Liquidation Proceeding of Second Lien Obligations consisting of post-petition interest, fees, expenses or charges to the extent of the value of the Second Priority Liens (it being understood and agreed that such value shall be determined taking into account the First Priority Liens on the Collateral and the amount of the First Lien Obligations secured thereby); provided that if the First Lien Agent or any other First Lien Secured Party shall have made any claim for post-

petition interest, fees or expenses in respect of First Lien Obligations, such claim (i) shall have been approved or (ii) will be approved contemporaneously with the approval of any such claim by a Second Lien Collateral Agent or any Second Lien Secured Party.

SECTION 18.3. Certain Voting Matters. (a) Each First Lien Representative and First Lien Collateral Agent, on behalf of the First Lien Secured Parties it represents, and each Second Lien Representative and Second Lien Collateral Agent, on behalf of the Second Lien Secured Parties it represents, agrees that, without the written consent of the Applicable First Lien Representative and the Applicable Second Lien Representative, it will not seek to vote with the other as a single class in connection with any plan of reorganization in any Insolvency or Liquidation Proceeding. It is understood that any consent to so vote as a single class shall not limit or prejudice the First Lien Secured Parties' rights under Sections 5.03 and 6.10.

(b) Each Second Lien Collateral Agent and Second Lien Representative, for itself and on behalf of each other Second Lien Secured Party it represents, agrees that in any US Insolvency or Liquidation Proceeding, without the prior consent of the Applicable First Lien Representative, none of the Second Lien Collateral Agents, Second Lien Representatives or other Second Lien Secured Parties shall, prior to the Discharge of First Lien Obligations, support or vote to accept any plan of reorganization or disclosure statement of any Grantor unless (i) such plan is accepted by the First Lien Secured Parties in accordance with Section 1126(c) of the Bankruptcy Code or otherwise provides for the payment in full in cash of all First Lien Obligations (including all post-petition interest approved by the bankruptcy court, fees and expenses and cash collateralization of all letters of credit) on the effective date of such plan of reorganization, or (ii) such plan provides for the retention by the applicable First Lien Collateral Agent, for the benefit of the First Lien Secured Parties, of the First Priority Liens on the Shared Collateral, and on all proceeds thereof whenever received, and such plan also provides that any Liens retained by, or granted to, any Second Lien Collateral Agents or other Second Lien Secured Parties are only on assets securing the First Lien Obligations and shall have the same relative priority with respect to the Shared Collateral or other assets, respectively, as provided in this Agreement with respect to the Shared Collateral.

(c) Except as provided in Sections 5.03(a) and (b), each of the Second Lien Secured Parties shall remain entitled to vote their claims in any Insolvency or Liquidation Proceeding.

SECTION 18.4. Enforceability. The provisions of this Agreement are intended to be and shall be enforceable as a "subordination agreement" under Section 510(a) of the Bankruptcy Code, which will be effective before, during and after the commencement of an Insolvency or Liquidation Proceeding. All references in this Agreement to any Grantor will include such Person as a debtor-in-possession and any receiver or trustee in bankruptcy for such Person in an Insolvency or Liquidation Proceeding.

SECTION 18.5. Certain Actions Permitted. (a) Notwithstanding anything herein to the contrary, (i) each Representative may make such demands or file such claims in respect of the First Lien Obligations or Second Lien Obligations, as applicable, owed to such Representative and the Secured Parties represented thereby as are necessary to prevent the waiver or bar of such claims under applicable statutes of limitations or other statutes, court orders or rules of procedure at any time, (ii) in any

Insolvency or Liquidation Proceeding commenced by or against any Borrower or any other Loan Party, each Second Lien Secured Party may file a proof of claim or statement of interest with respect to its respective Second Lien Obligations, (iii) each Second Lien Secured Party shall be entitled to file any necessary responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any Person objecting to or otherwise seeking the disallowance of the claims of such Second Lien Secured Party, including without limitation any claims secured by the Shared Collateral, if any, in each case if not otherwise in contravention of the terms of this Agreement, (iv) each Second Lien Secured Party shall be entitled to file any proof of claim and other filings and make any arguments and motions in order to preserve or protect its Liens on the Shared Collateral that are, in each case, (A) not adverse to the priority status of the Liens thereon securing the First Lien Obligations, the rights of any First Lien Representative or the other First Lien Secured Parties to exercise rights and remedies in respect thereof or detrimental to the value thereof and (B) not otherwise inconsistent with or in contravention of the terms of this Agreement, with respect to the Second Lien Obligations and the Shared Collateral, (v) each Second Lien Secured Party may take any action in order to create, perfect, preserve or protect (but not enforce) its Lien on the Shared Collateral to the extent (A) not adverse to the priority status of the Liens thereon securing the First Lien Obligations, the rights of any First Lien Representative or the other First Lien Secured Parties to exercise rights and remedies in respect thereof or detrimental to the value thereof, and (B) not otherwise inconsistent with or in contravention of this Agreement, including the automatic release of Liens provided in Section 6.04[,][and] (vi) each Second Lien Secured Party may vote on any plan of reorganization, arrangement, compromise or liquidation, file any proof of claim, make other filings and make any arguments and motions with respect to the Second Lien Obligations and the Collateral that are, in each case, in accordance with the terms of this Agreement including Section 5.03; provided that no filing of any claim or vote, or pleading relating to such claim or vote, to accept or reject a disclosure statement, plan of reorganization, arrangement, compromise or liquidation, or any other document, agreement or proposal similar to the foregoing by any Second Lien Representative or any other Second Lien Secured Party may be inconsistent with the terms of this Agreement [and (vii) each Second Lien Secured Party may bid for or purchase any Collateral at any public, private or judicial foreclosure upon such Collateral initiated by the First Lien Representative, or any sale of any Collateral during an Insolvency or Liquidation Proceeding; provided that such bid may not include a “credit bid” in respect of any Second Lien Obligations unless the cash proceeds of such bid are otherwise sufficient to cause the Discharge of First Lien Obligations and are applied to so cause the Discharge of First Lien Obligations]<sup>11</sup> (the actions described in clauses (1)through [(vi)][(vii)], collectively, the “Second Lien Permitted Actions”).

(b) Each Second Lien Secured Party (i) shall be entitled to file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Loan Parties arising under either the Bankruptcy Law or applicable non-bankruptcy law and (ii) may exercise rights and remedies as unsecured

creditors against the Loan Parties that have guaranteed or granted Liens to secure the Second Lien Obligations, in the case of each of clauses (i) and (ii), other than initiating or joining in an involuntary case or proceeding under any Insolvency or Liquidation Proceeding with respect to any Loan Party, prior to the termination of the Junior Standstill Period; provided that, in the case of each of clauses (i) and (ii), (A) any such exercise shall not be expressly prohibited by the terms of this Agreement or otherwise inconsistent with or in contravention of this Agreement and (B) in the event that any Second Lien Secured Party becomes a judgment Lien creditor in respect of any Collateral as a result of its enforcement of its rights as an unsecured creditor with respect to the Second Lien Obligations, such judgment Lien shall be subject to the terms of this Agreement for all purposes (including in relation to the First Lien Obligations) as the other Liens securing the Second Lien Obligations are subject to this Agreement.

(v) Each Second Lien Secured Party may exercise any of its rights or remedies with respect to the Shared Collateral after the termination of the Junior Standstill Period to the extent permitted by Section 3.01.

SECTION 18.6. First Lien Obligations Unconditional. All rights of any First Lien Representative hereunder, and all agreements and obligations of the other First Lien Representative, the Second Lien Representatives and the Loan Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any First Lien Credit Document;
- (b) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the First Lien Obligations, or any amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any First Lien Credit Document;
- (c) any exchange, release, voiding, avoidance or non perfection of any security interest in any Collateral or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the First Lien Obligations or any guarantee thereof;
- (d) the commencement of any Insolvency or Liquidation Proceeding in respect of any Borrower or any other Loan Party; or
- (e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Loan Party in respect of the First Lien Obligations, or of any of the Second Lien Representatives or any Loan Party, to the extent applicable, in respect of this Agreement.

SECTION 18.7. Junior Priority Obligations Unconditional. All rights of any Second Lien Representative hereunder, and all agreements and obligations of the First Lien Representatives, the other Second Lien Representatives and the Loan Parties (to the extent applicable) hereunder, shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any Second Lien Credit Document;
  - (b) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the Second Lien Obligations, or any amendment, waiver

or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding or restatement of any Second Lien Credit Document;

(c) any exchange, release, voiding, avoidance or non perfection of any security interest in any Collateral, or any other collateral, or any release, amendment, waiver or other modification, whether by course of conduct or otherwise, or any refinancing, replacement, refunding, restatement or increase of all or any portion of the Second Lien Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of any Borrower or any other Loan Party; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Loan Party in respect of the Second Lien Obligations, or of any of the First Lien Representatives or any Loan Party, to the extent applicable, in respect of this Agreement.

SECTION 18.8. Adequate Protection. Without limiting Section 5.01(d)(vi), if in connection with any DIP Financing described in Section 5.01(b), (A) if any First Lien Agent or other First Lien Secured Party is granted adequate protection in a US Insolvency or Liquidation Proceeding in the form of a replacement Lien or a Lien on additional collateral, any Second Lien Collateral Agent may, for itself and on behalf of the other Second Lien Secured Parties, seek or request adequate protection in the form of a replacement Lien or a Lien on such additional collateral, all of which Liens will be subordinated to the First Priority Liens and DIP Financing Liens on the same basis as the other Second Priority Liens are subordinated to the First Priority Liens under this Agreement and (B) the Second Lien Collateral Agents and other Second Lien Secured Parties may seek adequate protection in a US Insolvency or Liquidation Proceeding with respect to their rights in the Shared Collateral in the form of (x) Liens on additional collateral or replacement Liens on the Shared Collateral; provided that as adequate protection for the First Lien Obligations, each appropriate First Lien Collateral Agent, on behalf of the First Lien Secured Parties, is also granted (or has previously been granted) a senior Lien on such additional collateral or senior replacement Liens on the Shared Collateral, as applicable, or (y) an administrative expense claim; provided that, as adequate protection for the First Lien Obligations, each appropriate First Lien Collateral Agent, on behalf of the First Lien Secured Parties, is also granted (or has previously been granted) an administrative expense claim that is senior and prior to the administrative expense claim of the Second Lien Collateral Agent and the Second Lien Secured Parties; provided further that in the case of each of clauses (x) and (y), to the extent the First Lien Secured Parties are not granted such adequate protection in the applicable form, any amounts recovered by or distributed to any Second Lien Secured Party pursuant to or as a result of any such Lien on additional collateral, any such replacement Lien or any such administrative expense claim granted to or for the benefit of the Second Lien Secured Parties shall be subject to Section 4.02.

SECTION 18.9. Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the First Lien Obligations and the Second Lien Obligations, then, to the extent the debt obligations distributed on account of the First Lien Obligations and on account of the Second Lien Obligations are secured

---

by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations. Nothing in this Agreement prohibits or limits the right of a Second Lien Secured Party to receive and retain any debt or equity securities that are issued by a reorganized debtor pursuant to a plan of reorganization or similar dispositive restructuring plan in connection with an Insolvency or Liquidation Proceeding.

### ***Other Agreements***

SECTION 19.1. Amendments to First Lien Credit Documents. (a) Each Second Lien Collateral Agent and Second Lien Representative, for and on behalf of itself and the Second Lien Secured Parties represented thereby, hereby agrees that, without affecting the obligations of such Second Lien Secured Party hereunder, each First Lien Collateral Agent, First Lien Representative and the First Lien Secured Parties represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such Second Lien Secured Party (except to the extent such notice or consent is required pursuant to the express provisions of this Agreement, including Section 8.04), and without incurring any liability to any such Second Lien Secured Party or impairing or releasing the subordination provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the First Lien Credit Documents in any manner whatsoever, including, to:

(1) change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the First Lien Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the First Lien Obligations or any of the First Lien Credit Documents;

(2) retain or obtain a Lien on any property of any Person to secure any of the First Lien Obligations, and in connection therewith to enter into any additional First Lien Credit Documents;

(3) amend, or grant any waiver, compromise, or release with respect to, or consent to any departure from, any guarantee or other obligations of any Person obligated in any manner under or in respect of the First Lien Obligations;

(4) release its Lien on any Collateral or other property;

(7) otherwise manage and supervise the First Lien Obligations as the applicable First Lien Representative shall deem appropriate.

SECTION 19.2. Amendments to Second Lien Credit Documents. (a) Each First Lien Collateral Agent and First Lien Representative, for and on behalf of itself and the First Lien Secured Parties represented thereby, hereby agrees that, without affecting the rights and obligations of such First Lien Secured Parties hereunder, each Second Lien Collateral Agent, Second Lien Representative and the Second Lien Secured Parties represented thereby may, at any time and from time to time, in their sole discretion without the consent of or notice to any such First Lien Secured Party (except to the extent such

notice or consent is required pursuant to the express provisions of this Agreement, including Section 8.04), and without incurring any liability to any such First Lien Secured Party or impairing or releasing the priority provided for herein, amend, restate, supplement, replace, refinance, extend, consolidate, restructure, or otherwise modify any of the Second Lien Credit Documents in any manner whatsoever, including, to:

(1) subject to Section 2.03, change the manner, place, time, or terms of payment or renew, alter or increase, all or any of the Second Lien Obligations or otherwise amend, restate, supplement, or otherwise modify in any manner, or grant any waiver or release with respect to, all or any part of the Second Lien Obligations or any of the Second Lien Credit Documents;

(2) subject to Section 2.03, retain or obtain a Lien on any property of any Person to secure any of the Second Lien Obligations, and in connection therewith to enter into any additional Second Lien Credit Documents;

(3) subject to Section 2.03, amend, or grant any waiver, compromise, or release with respect to, or consent to any departure from, any guarantee or other obligations of any Person obligated in any manner under or in respect of the Second Lien Obligations;

(4) subject to Section 6.04, release its Lien on any Collateral or other property;

(6) subject to Section 2.03, retain or obtain the primary or secondary obligation of any other Person with respect to any of the Second Lien Obligations; and

(7) otherwise manage and supervise the Second Lien Obligations as the Second Lien Representative shall deem appropriate.

(b) In the event that the First Lien Collateral Agents, the First Lien Representatives and/or the other First Lien Secured Parties and the relevant Grantor enter into any amendment, modification, waiver or consent in respect of any of the First Lien Security Documents (other than this Agreement) or in connection with a Refinancing enter into new or additional First Lien Security Documents, then such amendment, modification, waiver, consent or change shall apply automatically to any comparable provision of each comparable Second Lien Security Document, in each case, without the consent of any Second Lien Representative, Second Lien Collateral Agent or any other Second Lien Secured Party, or any Grantor, and in connection with any such Refinancing, each Second Lien Representative, each Second Lien Collateral Agent and any other Second Lien Secured Party shall enter into corresponding agreements; provided that no such amendment, modification, waiver or consent shall (i) remove assets from the Second Lien Collateral or release any Second Priority Liens, except to the extent that such release is permitted or required by Section 5.01 or 6.04, (ii) amend, modify or otherwise affect the duties of any Second Lien Representative or Second Lien Collateral Agent in its capacity as such without its prior written consent, or (iii) permit Liens on the Second Lien Collateral which are not permitted under the terms of the Second Lien Credit Documents. Holdings shall deliver written notice of such amendment, modification, waiver or consent to each Second Lien Representative within 10 Business Days after the effectiveness of such amendment, modification, waiver or consent; provided that the failure to give such notice shall not affect the effectiveness of such amendment, modification, waiver or consent and

---

shall not result in the occurrence or continuance of an Event of Default or a default under any Credit Document.

SECTION 19.3. Legends. Each of Holdings and each Second Lien Representative and Second Lien Collateral Agent agrees that each Second Lien Credit Document (other than any mortgage) shall contain the applicable provisions set forth on Annex C hereto, or similar provisions approved by the Applicable First Lien Representative, which approval shall not be unreasonably withheld or delayed. Each of Holdings and each Second Lien Representative and Second Lien Collateral Agent further agrees that each Second Lien Security Document that is a mortgage covering any Shared Collateral shall contain such other language as the applicable First Lien Agent may reasonably request to reflect the subordination pursuant to this Agreement of such mortgage to the First Lien Security Document covering such Shared Collateral.

SECTION 19.4. Automatic Release of Second Priority Liens. (a) As among the Secured Parties, the Applicable First Lien Representative will have the exclusive right (subject to the provisions of the First Lien Credit Documents) to make determinations regarding the release or disposition of any Collateral, without consultation with, consent, sanction, authority or further confirmation from, or notice to, any Second Lien Collateral Agent, Second Lien Representative or other Second Lien Secured Party.

(b) Without limiting Section 5.01(d), if, in connection with (i) any disposition of any Collateral or any release of any Lien permitted under the terms of the First Lien Credit Documents or otherwise consented to by the Applicable First Lien Representative or (ii) any Collateral Enforcement Action (including any disposition of Collateral under Section 363 of the Bankruptcy Code or any other provision of the Bankruptcy Code), a First Lien Collateral Agent or First Lien Representative, for itself and on behalf of the other First Lien Secured Parties, with the consent of the Applicable First Lien Representative, (x) releases the First Priority Liens on any Collateral or (y) releases any Guarantor from its Guarantee of First Lien Obligations, then the Second Priority Liens on such Collateral, and the obligations of such Guarantor under any Guarantee of the Second Lien Obligations, shall be automatically, unconditionally and simultaneously released, and each Second Lien Collateral Agent and Second Lien Representative shall, for itself and on behalf of the other Second Lien Secured Parties, promptly execute and deliver to the Applicable First Lien Representative and the relevant Loan Party such termination statements, releases and other documents as the Applicable First Lien Representative may reasonably request to effectively confirm such release; provided that (A) in the case of any disposition of Shared Collateral, notwithstanding the release of the Second Priority Liens thereon, the Second Priority Liens shall attach to the Proceeds thereof subject to the relative priorities set forth in Section 2.01 (and, for the avoidance of doubt, nothing in the foregoing shall be deemed to be a release of the Second Priority Liens on any such Proceeds, it being the express intent of the Second Lien Secured Parties that the Second Priority Liens attach to such Proceeds) and (B) in the case of a disposition of Shared Collateral or release of Guarantees of Second Lien Obligations (other than any such disposition or release in connection with any Collateral Enforcement Action (including any disposition of Collateral under Section 363 of the Bankruptcy Code or any other provision of the Bankruptcy Code)), the Second Priority Liens or Guarantees of Second Lien Obligations, as applicable, shall not be so released if such disposition or release is not permitted under

---

the terms of the Second Lien Credit Documents other than solely as a result of the existence of a default or Event of Default under the Second Lien Credit Documents.

SECTION 19.5. Reinstatement. (a) If, in any Insolvency or Liquidation Proceeding or otherwise, all or part of any payment with respect to the First Lien Obligations previously made shall be rescinded, invalidated, avoided, declared to be fraudulent or preferential, set aside or otherwise required to be transferred to a debtor-in-possession, trustee, receiver or similar Person or the estate of any Loan Party (a "Recovery") for any reason whatsoever, then the First Lien Obligations shall be reinstated to the extent of the amount so subject to a Recovery as if such payment had not occurred and, if theretofore terminated, this Agreement shall be reinstated in full force and effect and such prior termination shall not diminish, release, discharge, impair or otherwise affect the Lien Priority and the relative rights and obligations of the First Lien Secured Parties and the Second Lien Secured Parties provided for herein. No Second Lien Secured Party may benefit from a Recovery, and any distribution made to a Second Lien Secured Party as a result of a Recovery will be paid over to the First Lien Collateral Agent for application to the First Lien Obligations in accordance with Section 4.02.

(b) Without limiting Section 6.05(a) above, if, in any Insolvency or Liquidation Proceeding or otherwise, all or part of any payment with respect to the Second Lien Obligations previously made shall be subject to a Recovery for any reason whatsoever, then, to the extent such Second Lien Obligations are reinstated, this Agreement, if theretofore terminated, shall be reinstated in full force and effect and such prior termination shall not diminish, release, discharge, impair or otherwise affect the Lien Priority and the relative rights and obligations of the First Lien Secured Parties with respect to the Second Lien Secured Parties provided for herein.

SECTION 19.6. Insurance. So long as the Discharge of First Lien Obligations has not occurred, the First Lien Collateral Agents (at the written direction of the Applicable First Lien Representative) and the other First Lien Secured Parties shall have the exclusive right, subject to the rights of the Grantors under the First Lien Credit Documents, to settle and adjust claims in respect of Collateral under policies of insurance covering Collateral and to approve any award granted in any condemnation or similar proceeding, or any deed in lieu of condemnation, in respect of the Collateral. All Proceeds of any such policy and any such award, or any payments with respect to a deed in lieu of condemnation, shall be applied, subject to the rights of the Grantors under the applicable Credit Documents, as set forth in Section 4.01. Until the Discharge of First Lien Obligations has occurred, if the Second Lien Collateral Agent or any other Second Lien Secured Party shall, at any time, receive any Proceeds of any such insurance policy or any such award or payment, it shall transfer and pay over such Proceeds to the First Lien Collateral Agent in accordance with Section 4.02.

SECTION 19.7. Refinancings. The Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Credit Document) of any Secured Party of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that (a) the Representative of the holders of any such Refinancing Indebtedness shall have executed a Joinder on behalf of the holders of such Refinancing Indebtedness in their capacity as such, (b) the requirements set forth in Section 8.04 relating to, in the case of any Series of First

---

Lien Obligations being Refinanced, Additional First Lien Obligations and, in the case of any Series of Second Lien Obligations being Refinanced, Additional Second Lien Obligations are met and (c) Holdings has designated in writing to each Representative and Collateral Agent that the Additional First Lien Agreement or Additional Second Lien Agreement, as applicable, is the replacement for the Main Credit Document governing such Series of Obligations. Upon the execution of such Joinder and compliance with the requirements in the immediately preceding sentence, the Secured Parties agree to enter into any documents or take any other actions reasonably necessary to preserve the priorities provided for herein in light of, and after giving effect to, such Refinancing.

SECTION 19.8. Possessory Collateral Agent as Gratuitous Bailee for Perfection. (a) So long as the Discharge of First Lien Obligations has not occurred, each First Lien Collateral Agent shall be entitled to deal with the Possessory or Controlled Collateral in accordance with the terms of this Agreement and the other First Lien Credit Documents as if the Second Priority Liens did not exist. The obligations and responsibilities of the First Lien Collateral Agents to the Second Lien Collateral Agents and the other Second Lien Secured Parties under this Section 6.08 shall be limited solely to holding or controlling the Possessory or Controlled Collateral as gratuitous bailee or gratuitous agent for the Second Lien Collateral Agents and the other Second Lien Secured Parties for the purpose of perfecting the Lien held by the Second Lien Secured Parties, and transferring the Possessory or Controlled Collateral, in each case subject to the terms and conditions of this Section 6.08. Without limiting the foregoing, the First Lien Collateral Agents shall have no obligation or responsibility to ensure that any Possessory or Controlled Collateral is genuine or owned by any of the Grantors or, other than holding or controlling such Possessory or Controlled Collateral as gratuitous bailee or gratuitous agent for or on behalf of the Second Lien Collateral Agents and the other Second Lien Secured Parties, to preserve the rights or benefits of any Person. The First Lien Collateral Agents acting pursuant to this Section 6.08 shall not, by reason of this Agreement, any other Security Document or any other document, have a fiduciary relationship in respect of any Second Lien Collateral Agent or any other Second Lien Secured Party. The parties recognize that the interest of the First Lien Collateral Agents, on the one hand, and the Second Lien Collateral Agents and the other Second Lien Secured Parties, on the other hand, may differ, and each First Lien Collateral Agent may act in its own interest without taking into account the interest of the Second Lien Collateral Agents or any other Second Lien Secured Party.

(b) Upon the Discharge of First Lien Obligations, each First Lien Collateral Agent shall transfer the possession and control of the Possessory or Controlled Collateral, together with any necessary endorsements but without recourse, representation or warranty, (i) if the Second Lien Obligations are outstanding at such time, to the appropriate Second Lien Collateral Agent and (ii) if no Second Lien Obligations are outstanding at such time, to the applicable Grantor, in each case so as to allow such Person to obtain possession and control of such Possessory or Controlled Collateral. In connection with any transfer under clause (i) of the immediately preceding sentence, each First Lien Collateral Agent agrees to take all commercially reasonable actions at the expense of Holdings and the Grantors as shall be reasonably requested by the appropriate Second Lien Collateral Agent to permit such Second Lien Collateral Agent to obtain, for the benefit of

---

the Second Lien Secured Parties, a first priority security interest in the Possessory or Controlled Collateral.

(c) Each Second Lien Collateral Agent agrees that if it shall at any time prior to the Discharge of First Lien Obligations hold a Second Priority Lien on any Possessory or Controlled Collateral and if, notwithstanding the provisions of this Agreement (and disregarding any control the Second Lien Collateral Agent might have solely as a result of the foregoing provisions of this Section 6.08), such Possessory or Controlled Collateral is in fact in the possession or under the control of such Second Lien Collateral Agent, or of agents or bailees of such Second Lien Collateral Agent, such Second Lien Collateral Agent shall (i) solely for the purpose of perfecting the First Priority Liens granted under the First Lien Credit Documents, also hold or control such Possessory or Controlled Collateral as gratuitous bailee or gratuitous agent, as applicable, for the First Lien Collateral Agents and the other First Lien Secured Parties (and hereby acknowledges that it has control of any Possessory or Controlled Collateral in its control for the benefit of the First Lien Collateral Agents and the other First Lien Secured Parties), (ii) promptly inform each First Lien Collateral Agent and the Applicable First Lien Representative thereof and (iii) transfer the possession and control of such Possessory or Controlled Collateral, together with any necessary endorsements but without recourse, representation or warranty, to the appropriate First Lien Collateral Agent and, in connection therewith, take all commercially reasonable actions as shall be reasonably requested by such First Lien Collateral Agent or the Applicable First Lien Representative to permit such First Lien Collateral Agent to obtain, for the benefit of the First Lien Secured Parties, a first priority security interest in such Possessory or Controlled Collateral.

SECTION 19.9. Further Assurances. Each First Lien Collateral Agent, for itself and on behalf of the other First Lien Secured Parties, and each Second Lien Collateral Agent, for itself and on behalf of the other Second Lien Secured Parties, agrees that it will execute, or will cause to be executed, any and all further documents, agreements and instruments, and take all such further actions, as may be required under any applicable law, or which a First Lien Collateral Agent, the Applicable First Lien Representative, a Second Lien Collateral Agent or the Applicable Second Lien Representative may reasonably request, to effectuate the terms of this Agreement, including the Lien Priority provided for herein.

SECTION 19.10. Separate Liens and Classifications. Each Second Lien Collateral Agent, for itself and on behalf of the other Second Lien Secured Parties, and each First Lien Collateral Agent, for itself and on behalf of the other First Lien Secured Parties, acknowledges and agrees that (i) the grants of Liens pursuant to the First Lien Security Documents and the Second Lien Security Documents constitute two separate and distinct grants of Liens and (ii) because of, among other things, their differing rights in the Collateral, the Second Lien Obligations are fundamentally different from the First Lien Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence and without limiting Section 5.03, if it is held that the claims of the First Lien Secured Parties and the Second Lien Secured Parties in respect of the Shared Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each of the parties hereto hereby acknowledges and agrees that, subject to the provisions hereof, all

---

distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Second Lien Secured Parties) to satisfy the First Lien Obligations, the First Lien Secured Parties shall be entitled to receive, in addition to amounts otherwise distributed to them in respect of principal, pre-petition interest, fees and other claims constituting First Lien Obligations, all amounts owing in respect of post-petition interest, including any additional interest payable pursuant to each First Lien Credit Document, arising from or related to a default, which is included in the First Lien Obligations but which is disallowed as a claim in any Insolvency or Liquidation Proceeding) before any distribution is made in respect of the claims held by the Second Lien Secured Parties with respect to, or on account of the value of, the Collateral, and each Second Lien Collateral Agent, for itself and on behalf of the other Second Lien Secured Parties, hereby acknowledges and agrees to turn over to the appropriate First Lien Collateral Agent, for itself and on behalf of the other First Lien Secured Parties, amounts otherwise received or receivable by the Second Lien Secured Parties to the extent necessary to effectuate the intent of this sentence (with respect to the payment of post-petition interest), even if such turnover has the effect of reducing the claim or recovery of the Second Lien Secured Parties.

SECTION 20.1. Certain Limitations and Authorizations. (a) None of the Applicable First Lien Representatives or any Collateral Agent shall have any liability or responsibility for the actions or omissions of any other Secured Party, or for any other Secured Party's compliance with (or failure to comply with) the terms of this Agreement. None of the Applicable First Lien Representative or any Collateral Agent shall have individual liability to any Person if it shall mistakenly pay over or distribute to any Secured Party (or any Loan Party) any amounts in violation of the terms of this Agreement, so long as the Applicable First Lien Representative or any Collateral Agent, as the case may be, is acting in good faith. Each party hereto hereby acknowledges and agrees that each of the Applicable First Lien Representative and the Collateral Agents is entering into this Agreement solely in its capacity as such under (a) the First Lien Credit Documents, with respect to the Applicable First Lien Representative, and (b) the Security Documents to which it is a party, with respect to each Collateral Agent, respectively, and not in its individual capacity.

(b) The Applicable First Lien Representative and the First Lien Collateral Agents shall not be deemed to owe any fiduciary duty to any Second Lien Representative, Second Lien Collateral Agent or Second Lien Secured Party. The Applicable Second Lien Representative and the Second Lien Collateral Agents shall not be deemed to owe any fiduciary duty to any First Lien Representative, First Lien Collateral Agent or First Lien Secured Party.

(c) Each First Lien Representative and, by accepting the benefits of this Agreement, each other First Lien Secured Party (i) authorizes the Applicable First Lien Representative and each First Lien Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Applicable First Lien Representative and

---

such First Lien Collateral Agent hereunder and under the First Lien Intercreditor Agreement and the other First Lien Credit Documents by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all First Priority Liens on Shared Collateral granted by any Grantor to secure any of the First Lien Obligations, together with such powers and discretion as are reasonably incidental thereto and (ii) acknowledges the provisions of Article IV of the First Lien Intercreditor Agreement and reaffirms the appointment of each First Lien Collateral Agent thereunder.

(d) Each Second Lien Representative and, by accepting benefits of this Agreement, each Second Lien Secured Party (i) authorizes the Applicable Second Lien Representative and each Second Lien Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Applicable Second Lien Representative and such Second Lien Collateral Agent hereunder and under the other Second Lien Credit Documents by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Second Priority Liens on Shared Collateral granted by any Grantor to secure any of the Second Lien Obligations, together with such powers and discretion as are reasonably incidental thereto and (ii) acknowledges the provisions regarding agency, indemnification, reimbursement and exculpation in the Second Lien Credit Documents and reaffirms the application of such provisions to each Second Lien Collateral Agent.

SECTION 20.2. Exculpatory Provisions. (a) Without limiting Section 7.01, each Collateral Agent:

(1) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Security Documents that such Collateral Agent is required to exercise as directed in writing by the Applicable Representative; provided that such Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Collateral Agent to liability or that is contrary to any Security Document to which it is a party or applicable law;

(3) shall not, except as expressly set forth herein and in the other Security Documents to which it is a party, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to a Grantor or any of its Affiliates that is communicated to or obtained by the Person serving as a Collateral Agent or any of its Affiliates in any capacity;

(4) shall not be liable for any action taken or not taken by it (A) with the consent or at the request of the Applicable Representative or (B) in the absence of its own gross negligence, bad faith or willful misconduct or (C) in reliance on a certificate of an authorized officer of Holdings stating that such action is permitted by the terms of this Agreement. No First Lien Collateral Agent shall be deemed to have knowledge of any First Lien Event of Default under any First Lien Credit Documents unless and until written notice describing such First Lien Event of Default and referencing the applicable agreement is given to a Responsible Officer of such First Lien Collateral Agent by the Applicable First Lien Representative, the First Lien Representative related to the applicable First Lien Obligations or a Grantor. No Second Lien Collateral Agent shall be deemed to have knowledge of any Second Lien Event of Default under any Second Lien Credit Documents unless and until notice describing such Second Lien Event of Default and

---

referencing the applicable agreement is given to such Second Lien Collateral Agent by the Applicable Second Lien Representative, the First Lien Representative related to the applicable Second Lien Obligations or a Grantor; and

(5) shall not be responsible for or have any duty to ascertain or inquire into (A) any statement, warranty or representation made in or in connection with this Agreement (except for its representations and warranties set forth in Section 8.06(b)) or any Security Document, (B) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (C) the performance or observance by any other Person of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any default under the applicable Credit Documents relating to such Collateral Agent or Event of Default, (D) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (E) the value or the sufficiency of any Collateral or (F) the satisfaction of any condition set forth in any Credit Document, other than to confirm receipt of items expressly required to be delivered to such Collateral Agent.

In addition:

(i) The duties and obligations of each Collateral Agent shall be determined solely by the express provisions of this Agreement and the other Security Documents to which is it a party and no Collateral Agent shall be liable except for the performance of such duties and obligations as are specifically set out in this Agreement and the other Security Documents to which it is a party. No Collateral Agent shall be under any liability to any party hereto by reason of any failure on the part of any other party hereto or any maker, guarantor, endorser or other signatory of any document or any other Person to perform such Person's obligations under any such document.

(6) No Collateral Agent shall be responsible in any manner for the validity, enforceability or sufficiency of this Agreement, the Security Documents or any Collateral delivered under the Security Documents, or for the value or collectability of any Obligations or other instrument, if any, so delivered, or for any representations made or obligations assumed by any party other than such Collateral Agent. No Collateral Agent shall be bound to examine or inquire into or be liable for any defect or failure in the right or title of the Grantors to all or any of the assets whether such defect or failure was known to such Collateral Agent or might have been discovered upon examination or inquiry and whether capable of remedy or not.

(7) No Collateral Agent shall be responsible for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other Security Document pertaining to this matter nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other Security Document pertaining to this matter.

---

(8) No Collateral Agent shall be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything that it may do or refrain from doing in connection herewith, in each case except for its own gross negligence, bad faith or willful misconduct.

(9) Each Collateral Agent may seek the advice, at the expense of Holdings, of legal counsel in the event of any dispute or question as to the construction of any of the provisions of this Agreement or its duties hereunder or under any Security Document or applicable law, and it shall incur no liability and shall be fully protected in respect of any action taken, omitted or suffered by it in good faith in accordance with the advice or written opinion of such counsel.

(10) No Collateral Agent shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, approval or other paper or document.

(11) In no event shall any Collateral Agent be liable for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if such loss or damage was foreseeable or it has been advised of the likelihood of such loss or damage and regardless of the form of action.

(12) In no event shall any Collateral Agent be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, strikes, work stoppages, civil or military disturbances, nuclear or natural catastrophes, fire, riot, embargo, loss or malfunctions of utilities, communications or computer (software and hardware) services or government action, including any laws, ordinances, regulations, governmental action or the like that delay, restrict or prohibit the providing of the services contemplated by this Agreement.

(13) Each Collateral Agent agrees to accept and act upon facsimile transmission of written instructions pursuant to this Agreement; provided that (i) the party providing such written instructions, subsequent to such transmission of written instructions, shall provide the originally executed instructions or directions to such Collateral Agent in a timely manner, and (ii) such originally executed instructions or directions shall be signed by an authorized representative of the party providing such instructions or directions.

(14) Each Collateral Agent shall be entitled to seek written directions from the Applicable Representative prior to taking any action under this Agreement, any Credit Documents to which it is a party and any Collateral instrument applicable to such Collateral Agent.

(15) Except with respect to its own gross negligence, bad faith or willful misconduct, no Collateral Agent shall be responsible to any First Lien Secured Party or Second Lien Secured Party, to the extent represented by such Collateral Agent, for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, any Security Document to which such Collateral Agent is a party or any other instrument or document furnished pursuant thereto.

(16) No Collateral Agent shall have any responsibility for or liability with respect to monitoring compliance of any other party to the Security Documents to which it is a party, this Agreement or any other document related hereto or thereto. No

---

Collateral Agent has any duty to monitor the value or rating of any Collateral on an ongoing basis.

(17) No provision of this Agreement shall require any Collateral Agent to expend, advance or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in any of the Security Documents or in the exercise of any of its rights or powers hereunder or under any of the Security Documents unless it is indemnified to its satisfaction and no Collateral Agent shall have any liability to any Person for any loss occasioned by any delay in taking or failure to take any such action while it is awaiting an indemnity satisfactory to it.

(18) Whenever in the administration of this Agreement a Collateral Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, such Collateral Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon instructions from the Applicable Representative.

(19) Each Collateral Agent may act and rely and shall be protected in acting and relying in good faith on the opinion or advice of, or information obtained from, any counsel, accountant, investment banker, appraiser or other expert or adviser, whether retained or employed by the Applicable Representative or by such Collateral Agent.

(20) Each Collateral Agent may employ or retain such counsel, accountants, sub-agent, agent or attorney-in-fact, appraisers or other experts or advisers as it may reasonably require for the purpose of determining and discharging its rights and duties hereunder and shall not be responsible for the actions of any parties it appoints with due care.

(21) Each Collateral Agent may request that the Applicable Representative or other parties deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Agreement.

(22) Money held by a Collateral Agent in trust hereunder need not be segregated from other funds except to the extent required by law. No Collateral Agent shall be under any liability for interest on any money received by it hereunder except as otherwise agreed in writing.

(23) Beyond the exercise of reasonable care in the custody thereof, no Collateral Agent shall have any duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and no Collateral Agent shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral. Each Collateral Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar collateral and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee.

(24) No Collateral Agent shall be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law

---

or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of such Collateral Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. No Collateral Agent shall have any duty to ascertain or inquire as to or monitor the performance or observance of any of the terms of this Agreement or the Credit Documents to which it is a party by any other Person.

(25) Holdings shall defend, indemnify, and hold harmless each Collateral Agent from and against any claims, demands, penalties, fines, liabilities, settlements, damages or reasonable costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of the following in respect of the Collateral: (w) the presence, disposal, release, or threatened release of any Hazardous Materials which are on, from, or affecting the soil, water, vegetation, buildings, personal property, Persons or animals; (x) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials; (y) any lawsuit brought or threatened, settlement reached, or government order relating to such Hazardous Materials; and/or (z) any violation of laws, orders, regulations, requirements or demands of government authorities, which are based upon or in any way related to such Hazardous Materials, including reasonable attorney and consultant fees and expenses, reasonable investigation and laboratory fees, court costs, and reasonable litigation expenses, except, in each case, where such claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses arise from the gross negligence, bad faith or willful misconduct of such Collateral Agent as determined in a final, non-appealable order of a court of competent jurisdiction. For purposes of this paragraph, "Hazardous Materials" includes radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances defined in the US Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. §§ 9601, et seq.) ("CERCLA"), the Hazardous Materials Transportation Act, as amended (49 U.S.C. §§ 5108, et seq.), the Resource Conservation and Recovery Act, as amended (42 U.S.C. §§ 6901, et seq.), and in the regulations adopted and publications promulgated pursuant thereto, or any other Federal, state or local environmental law, ordinance, rule, or regulation. The provisions of this paragraph shall be in addition to any and all other obligations and liabilities Holdings may have to any Collateral Agent at common law, and shall survive the termination of this Agreement and the resignation and removal of the Collateral Agent.

(26) Each Collateral Agent reserves the right to conduct an environmental audit prior to foreclosing on any real estate Collateral or mortgage Collateral. Each Collateral Agent reserves the right to forebear from foreclosing in its own name if to do so may expose it to undue risk.

(27) Upon any payment or distribution of assets hereunder, each Collateral Agent and the Secured Parties shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which an Insolvency or Liquidation Proceeding is pending, or a certificate of the trustee in bankruptcy, liquidating trustee, custodian, receiver, assignee for the benefit of creditors, agent or other Person making such payment or distribution in the Insolvency or Liquidation Proceeding, delivered to such Collateral Agent, for the purpose of ascertaining the Persons entitled to

---

participate in such payment or distribution, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto.

(28) In the event that, following a foreclosure in respect of any Mortgaged Property, a Collateral Agent acquires title to any portion of such Mortgaged Property or takes any managerial action of any kind in regard thereto in order to carry out any fiduciary or trust obligation for the benefit of another, which in such Collateral Agent's sole discretion may cause such Collateral Agent to be considered an "owner or operator" under the provisions of CERCLA or otherwise cause such Collateral Agent to incur liability under CERCLA or any other Federal, state or local law, such Collateral Agent reserves the right, instead of taking such action, to either resign as Collateral Agent or arrange for the transfer of the title or control of the asset to a court-appointed receiver.

(29) The rights and protections of each Collateral Agent set forth herein shall also be applicable to such Collateral Agent in its roles as mortgagee, beneficiary, pledgee or any of its other roles (including as Collateral Agent) under the Security Documents to which it is a party.

SECTION 20.3. Reliance by Collateral Agents. Each Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. Each Collateral Agent may consult with legal counsel (who may be counsel for Holdings, a Representative or counsel of their choice), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 20.4. Delegation of Duties. (a) Each Collateral Agent (each, a "Delegating Collateral Agent") may perform any and all of its duties and exercise its rights and powers hereunder or under any other Security Document by or through any one or more sub-agents, delegates or attorneys-in-fact appointed by such Delegating Collateral Agent and shall not be responsible for acts or omissions of any such sub-agents, delegates or attorneys-in-fact appointed by it with due care. Each Delegating Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through its respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of each Delegating Collateral Agent and any such sub-agent.

(b) Notwithstanding any other provisions of this Agreement, at any time, for the purpose of meeting any legal requirement of any jurisdiction in which any part of the Collateral subject to or purporting to be subject to the Liens of the Delegating Collateral Agent may at the time be located, the Delegating Collateral Agent shall have the power and may execute and deliver all instruments necessary to appoint one or more Persons to act as a separate collateral agent or agent for all or any part of such Collateral, and to vest in such Person or Persons, in such capacity and for the benefit of the Secured Parties, such title to such Collateral, or any part thereof, and subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Delegating

---

Collateral Agent may consider necessary or desirable; provided that any such separate collateral agent or agent executes a joinder as described in the definition of First Lien Collateral Agent or Second Lien Collateral Agent, as appropriate.

(c) Every such Person shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(1) all rights, powers, duties and obligations conferred or imposed upon the Delegating Collateral Agent shall be conferred or imposed upon and exercised or performed by the Delegating Collateral Agent and such separate collateral agent or agent jointly (it being understood that they are not authorized to act separately without the Delegating Collateral Agent consenting to such act); and

(2) the Delegating Collateral Agent may at any time accept the resignation of or remove any such separate collateral agent or agents.

(d) Any notice, request or other writing given to a Delegating Collateral Agent shall be deemed to have been given to each of the then collateral agent or agents hereunder, as effectively as if given to each of them. Every instrument appointing any separate collateral agent or agent shall refer to this Agreement and the conditions of this Article VII. Each collateral agent or agent, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Delegating Collateral Agent or separately, as may be provided therein, subject to all the provisions of this Agreement, specifically including every provision of this Agreement relating to the conduct of, affecting the liability of, or affording protection or rights (including the rights to compensation, reimbursement and indemnification hereunder) to, the Delegating Collateral Agent. Every such instrument shall be filed with the Delegating Collateral Agent.

(e) Any Collateral Agent [or agent] may at any time constitute the Delegating Collateral Agent, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Agreement on its behalf and in its name. If any Collateral Agent [or agent] shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Delegating Collateral Agent to the extent permitted by law, without the appointment of a new or successor collateral agent.

(f) Nothing in this Agreement or in any Security Document shall be deemed to require any Collateral Agent to submit to the jurisdiction of any non-US or non-United Kingdom court.

It is the purpose of this Article VII that there shall be no violation of any law of any jurisdiction (including particularly the law of any sovereign state) denying or restricting the right of any Collateral Agent to transact business or bring legal proceedings in such jurisdiction. It is recognized that in case of litigation under this Agreement, and, in particular, in case of the enforcement thereof on default, or in the case any Collateral Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to it or hold title to the properties, in trust, as herein granted or take any action which may be desirable or necessary in connection therewith, it may be necessary that a Collateral Agent appoint an individual or institution as a collateral agent or agent. The following provisions of this Section are adopted to these ends.

---

In the event that any Collateral Agent appoints an additional individual or institution as a collateral agent or agent, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Agreement to be exercised by or vested in or conveyed to such Collateral Agent with respect thereto shall be exercisable by and vest in such separate collateral agent or agent but only to the extent necessary to enable such collateral agent or agent to exercise such powers, rights and remedies.

Each Delegating Collateral Agent that is a First Lien Collateral Agent shall furthermore have the rights set forth in the First Lien Intercreditor Agreement.

SECTION 20.5. Resignation of Collateral Agents. (a) Subject to the First Lien Intercreditor Agreement and the other Security Documents to which it is a party, any Collateral Agent may resign as a Collateral Agent hereunder; provided that such Collateral Agent provides written notice of its resignation as a Collateral Agent hereunder and under the applicable Security Documents to the Applicable Representatives, Holdings and any other Person required to be notified pursuant to the Second Lien Credit Documents and any successor Collateral Agent becomes a party hereto by executing a joinder in form and substance satisfactory to the Applicable First Lien Representative, Holdings, and in the case of the resignation of a Second Lien Collateral Agent, the Applicable Second Lien Representative. Upon the acceptance of a successor's appointment as a Collateral Agent hereunder and under the applicable Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Collateral Agent, and the retiring (or retired) Collateral Agent shall be discharged from all of its duties and obligations hereunder or under the other Security Documents (if not already discharged therefrom as provided above in this Section 7.05).

(b) In the event any Collateral Agent retires hereunder and under the other applicable Security Documents, the provisions of this Article shall continue in effect for the benefit of such retiring Collateral Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Collateral Agent was acting as Collateral Agent. Upon any notice of resignation of any Collateral Agent hereunder and under the other Security Documents, Holdings agrees to use commercially reasonable efforts to transfer (and maintain the validity and priority of) the Liens in favor of the retiring Collateral Agent under the relevant Security Documents to the successor Collateral Agent. In addition, the retiring (or retired) Collateral Agent agrees to execute any documents required by applicable law to give effect to the transfer of its duties and obligations.

SECTION 20.6. Non-Reliance on Information. The consent by the First Lien Secured Parties to the execution and delivery of the Initial Second Lien Agreement and each other Second Lien Credit Document to which the First Lien Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the First Lien Secured Parties to Holdings or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Lien Collateral Agent and Second Lien Representative, on behalf of itself and each other Second Lien Secured Party it represents, acknowledges that it and such other Second Lien Secured Parties have, independently and without reliance on the Applicable First Lien

Representative, any First Lien Collateral Agent, any First Lien Representative or any other First Lien Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Second Lien Credit Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decisions in taking or not taking any action under the Second Lien Credit Documents or this Agreement.

SECTION 20.7. Rights as a Secured Party. (a) Each Person serving as a Collateral Agent hereunder shall have the same rights and powers in its capacity as a Secured Party under any Series of Obligations that it holds as any other Secured Party of such Series and may exercise the same as though it were not a Collateral Agent and the Person serving as a Collateral Agent hereunder in its individual capacity may be a Secured Party of any Series in accordance with the applicable Credit Documents. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Grantors or any subsidiary or other Affiliate thereof as if such Person were not a Collateral Agent hereunder and without any duty to account therefor to any other Secured Party.

SECTION 20.8. Authorization to Release. Each of the First Lien Secured Parties reaffirms its authorization and instruction to the First Lien Collateral Agents under Section 4.08 of the First Lien Intercreditor Agreement with respect to release of First Lien Collateral. Each of the Second Lien Secured Parties irrevocably authorizes and instructs the Second Lien Collateral Agents:

(i) to release any Lien on any property granted to or held by the Second Lien Collateral Agent under any Second Lien Security Document in accordance with 5.01(d) and 6.04 or upon receipt of a written request from Holdings stating that the release of such Lien is permitted by the terms of each then extant Second Lien Credit Document; and

(ii) to release any Grantor from its obligations under the Second Lien Security Documents upon receipt of a written request from Holdings stating that such release is permitted by the terms of each then extant Second Lien Credit Document or in accordance with Sections 5.01(d) and 6.04.

SECTION 20.9. Indemnity. Holdings and the other Loan Parties shall reimburse and indemnify jointly and severally each Collateral Agent in accordance with the provisions of this Agreement and the applicable Credit Documents. The provisions of this Section 7.09 shall survive the termination of this Agreement, the First Lien Intercreditor Agreement, any other "Intercreditor Agreement" as defined in the First Lien Credit Agreement, any intercreditor agreement to which more than one Series of Second Lien Obligations is subject or the Security Documents or the resignation or removal of any Collateral Agent.

The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or

remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 8.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified except pursuant to an agreement or agreements in writing entered into by each Representative and each Collateral Agent. Notwithstanding the foregoing, except during the pendency of an Insolvency or Liquidation Proceeding, no provision of this Agreement may be terminated, waived, amended or modified without the prior written consent of Holdings if such termination, waiver, amendment or modification would adversely affect any Grantor.

(c) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by Section 8.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(d) Subject to Section 8.04, this Agreement may be amended in writing signed by each Representative (in each case, acting in accordance with the applicable Credit Documents); provided that any such amendment, supplement or waiver which by the terms of this Agreement requires Holdings' consent or which increases the obligations, reduces the rights of, or otherwise adversely affects, Holdings shall require the consent of Holdings; and provided further that the Applicable First Lien Representative shall promptly furnish a copy of such amendment, supplement or waiver to Holdings. Any such amendment, supplement or waiver shall be in writing and shall be binding upon the First Lien Secured Parties and the Second Lien Secured Parties and their respective successors and assigns.

(e) Holdings, the Applicable First Lien Representative and the Applicable Second Lien Representative may amend or supplement this Agreement or the applicable Credit Documents without the consent of any other Representative or Secured Party (i) to make any change that would provide any additional rights or benefits to a Secured Party, (ii) to make, complete or confirm any grant permitted or required by this Agreement or any of the Credit Documents or any release of any Collateral that is otherwise permitted (if addressed therein, or if not addressed, not prohibited) under the terms of this Agreement and the other Credit Documents, (iii) to correct any typographical errors, drafting mistakes or other similar mistakes that do not modify the intended rights and obligations of the parties hereto and to correct administrative or manifest errors or omissions, or to effect administrative changes that are not adverse to any Secured Party and (iv) to incorporate any Additional First Lien Obligations, Additional Second Lien

---

Obligations or any Refinancing, in each case to the extent permitted (if addressed therein, or if not addressed, not prohibited) by the terms of the Credit Documents then in effect, including to reflect such obligations and Liens in the definitions, the relative priority of Liens and payments and the provisions herein regarding voting, consents, amendments and waivers.

SECTION 21.3. Additional Loan Party Acknowledgments. Holdings agrees that, if any Subsidiary shall become a Loan Party under any Credit Document after the date hereof, Holdings will, as promptly thereafter as reasonably practicable, cause such Subsidiary to execute a supplemental acknowledgment consistent with the acknowledgment of such Loan Party set forth herein (or in any other form reasonably acceptable to the Applicable First Lien Representative and Applicable Second Lien Representative) and deliver such acknowledgment to the Applicable First Lien Representative, the Applicable Second Lien Representative and each Collateral Agent.

SECTION 21.4. Additional Obligations. (a) So long as permitted by the applicable negative covenant restricting Liens contained in each Main Credit Document then in effect, Holdings may from time to time designate Indebtedness and other obligations at the time of incurrence to be Additional First Lien Obligations or Additional Second Lien Obligations by (i) delivering to each then existing Representative and Collateral Agent (A) a certificate signed by a Responsible Officer of Holdings (1) identifying the Indebtedness and other obligations so designated and the aggregate principal amount or face amount thereof, (2) stating that such Indebtedness and other obligations are designated as “Additional First Lien Obligations” or “Additional Second Lien Obligations”, as applicable, for purposes hereof, (3) representing that such Indebtedness complies with the applicable negative covenant restricting Liens contained in each Main Credit Document then outstanding and (4) specifying the name and address of the Representative for such Indebtedness and other obligations and (B) a fully executed Joinder and (ii) in the case of any Additional First Lien Obligations, complying with the requirements in the First Lien Intercreditor Agreement necessary to add such Indebtedness and other obligations as “Additional Obligations” as defined in and under the First Lien Intercreditor Agreement. Each First Lien Representative agrees that upon the satisfaction of all conditions set forth in the preceding sentence, the First Lien Collateral Agents shall act hereunder for the benefit of all First Lien Secured Parties, including any First Lien Secured Parties that hold any Additional First Lien Obligations, and each First Lien Representative agrees to the appointment, and acceptance of the appointment, of the First Lien Collateral Agent as agent for the holders of such Additional First Lien Obligations as set forth in each Joinder and agrees, on behalf of itself and each First Lien Secured Party it represents, to be bound by this Agreement. Each Second Lien Representative agrees that upon the satisfaction of all conditions set forth in the preceding sentence, the Second Lien Collateral Agents shall act hereunder for the benefit of all Second Lien Secured Parties, including any Second Lien Secured Parties that hold any Additional Second Lien Obligations, and each Second Lien Representative agrees to the appointment, and acceptance of the appointment, of the Second Lien Collateral Agent as agent for the holders of such Additional Second Lien Obligations as set forth in each Joinder and agrees, on behalf of itself and each Second Lien Secured Party it represents, to be bound by this Agreement.

---

(b) In order to secure any Additional First Lien Obligations or Additional Second Lien Obligations, on the date on which such Additional First Lien Obligation or Additional Second Lien Obligation is incurred, subject to no Event of Default having occurred and being continuing under any Credit Document and without limiting the First Lien Intercreditor Agreement, (i) each First Lien Collateral Agent at the written direction of the Applicable First Lien Representative, and (ii) each Second Lien Collateral Agent, at the direction of the Applicable Second Lien Representative, is authorized to, and shall, at the request of Holdings, enter into such additional security documents and/or any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, any First Lien Security Documents or Second Lien Security Documents, as applicable, and related instruments and any agreements relating to any security interest in Possessory or Controlled Collateral, and to make or consent to any filings or take any other actions (including executing and recording any mortgage subordination or similar agreement) as shall be reasonably determined by Holdings to be necessary or reasonably desirable to create valid and perfected Liens securing such Additional First Lien Obligations (subject to the First Lien Intercreditor Agreement) or Additional Second Lien Obligations with the Lien Priority set forth herein; provided that no First Lien Collateral Agent shall be required to release or release and retake security interests in Collateral in order to effectuate any of the foregoing unless consented to in writing by the Applicable First Lien Representative, or in the case of Additional First Lien Obligations, to the extent the requirements in the First Lien Intercreditor Agreement, including in the provisos in Section 5.02(d) thereof, are met.

(c) In connection with any designation of an Additional First Lien Obligation or Additional Second Lien Obligation pursuant to this Section 8.04, each First Lien Collateral Agent, each Second Lien Collateral Agent, the Applicable First Lien Representative and the Applicable Second Lien Representative agree to reasonably cooperate to effectuate a designation of such Additional First Lien Obligation or Additional Second Lien Obligation, as applicable, pursuant to this Section 8.04 (including, without limitation, if requested, by executing an acknowledgment of any Joinder).

SECTION 21.5. Subrogation. Each Second Lien Representative, on behalf of itself and each other Second Lien Secured Party it represents, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of First Lien Obligations has occurred; provided that, as between Holdings and the other Grantors, on the one hand, and the Second Lien Secured Parties, on the other hand, any such payment that is paid over to the Applicable First Lien Representative pursuant to this Agreement shall be deemed not to reduce any of the Second Lien Obligations unless and until the Discharge of First Lien Obligations shall have occurred and the Applicable First Lien Representative delivers any such payment to the Applicable Second Lien Representative.

SECTION 21.6. Agency Capacities. (a) Except as expressly provided herein, (i) Credit Suisse AG is acting in the capacity of First Lien Administrative Agent solely for the Credit Agreement Secured Parties and (ii) each of [The Bank of New York Mellon] and [Wilmington Trust (London) Limited] is acting in the capacity of First Lien Collateral Agent for all of the First Lien Secured Parties. Except as expressly provided herein, [●] is acting in the capacity of Initial Second Lien Representative solely for the Initial Second Lien Secured Parties and each of [●] and [●] is acting in the capacity of

---

Second Lien Collateral Agent for all of the Second Lien Secured Parties. Except as expressly provided herein, each other Representative is acting in the capacity of Representative solely for the Secured Parties under the First Lien Credit Documents or Second Lien Credit Documents for which it is the named Representative, as the case may be, in the applicable Joinder Agreement.

(b) Each Representative represents and warrants to the other parties hereto that it has been authorized by the Secured Parties under the Credit Documents to which it is a party to enter into this Agreement.

SECTION 21.7. Parties in Interest. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Secured Parties, all of whom are intended to be bound by, and to be third-party beneficiaries of, this Agreement. Each First Lien Trustee shall have such rights, privileges, immunities and indemnities as are set forth in the applicable First Lien Credit Documents under which it is acting as trustee.

SECTION 21.8. Survival of Agreement. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 21.9. Binding on Successors and Assigns. This Agreement shall be binding upon each Representative, each Collateral Agent, the First Lien Secured Parties, the Second Lien Secured Parties, Holdings and their respective successors and permitted assigns.

SECTION 21.10. No Third Party Beneficiaries; Successors and Assigns. The Lien Priority set forth in this Agreement and the rights and benefits hereunder in respect of such Lien Priority shall inure solely to the benefit of the First Lien Representatives, the other First Lien Secured Parties, the Second Lien Representatives and the other Second Lien Secured Parties, and their respective permitted successors and assigns, and except as expressly set forth herein, no other Person (including the Loan Parties, or any trustee, receiver, debtor-in-possession or bankruptcy estate in a bankruptcy or like proceeding) shall have or be entitled to assert such rights. Nothing in this Agreement is intended to or shall impair the obligations of Holdings or any other Grantor, which are absolute and unconditional, to pay the First Lien Obligations and the Second Lien Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 21.11. Nature of First Lien Secured Party Claims. Each Second Lien Collateral Agent and Second Lien Representative, on behalf of itself and the Second Lien Secured Parties it represents, and each Grantor acknowledges that the Lien Priority provided for herein and the respective rights, interests, agreements and obligations hereunder of the First Lien Collateral Agent and the other First Lien Secured Parties shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Credit Document;

(b) any change in the time, place or manner of payment of, or in any other term of (including the Refinancing of), all or any portion of the First Lien Obligations, it being specifically acknowledged that a portion of the First Lien Obligations consists or may consist of indebtedness that is revolving in nature, and the amount thereof that may

---

be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed;

- Obligations;
- (c) any change in the time, place or manner of payment of, or in any other term of, all or any portion of the First Lien Document;
  - (d) any amendment, waiver or other modification, whether by course of conduct or otherwise, of any First Lien Credit Document;
  - (e) the securing of any First Lien Obligations with any additional collateral or guarantees, or any exchange, release, voiding, avoidance or non-perfection of any security interest in any Collateral or any other collateral or any release of any guarantee securing any First Lien Obligations; or
  - (f) any other circumstances that otherwise might constitute a defense available to, or a discharge of, any Grantor in respect of the First Lien Obligations or this Agreement.

SECTION 21.12. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission or e-mail shall be as effective as delivery of a manually signed counterpart of this Agreement. Any electronic signature hereof shall be of the same legal effect, validity or enforceability as a manually executed signature, provided the electronic signature is a true representation of such signer's actual signature, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 21.13. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 21.14. Governing Law; Jurisdiction; Consent to Service of Process. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

SECTION 21.15. Submission to Jurisdiction Waivers. Each Collateral Agent and each Representative, on behalf of itself and the Secured Parties of the Series for whom it is acting, irrevocably and unconditionally:

- (i) submits for itself in any legal action or proceeding relating to this Agreement and the Security Documents, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York in the borough of Manhattan, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;
  - (ii) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such
-

action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Representative) at the address referred to in Section 8.01;

(iv) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(v) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 8.15 any special, exemplary, punitive or consequential damages.

SECTION 21.16. Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.16.

SECTION 21.17. Headings. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 21.18. Conflicts. In the event of a conflict between the terms of any Security Document or other Credit Document and this Agreement, the terms of this Agreement will prevail. As among First Lien Secured Parties, in the event of a conflict between the terms of this Agreement and the First Lien Intercreditor Agreement, the terms of the First Lien Intercreditor Agreement will prevail.

SECTION 21.19. Provisions Solely To Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First Lien Secured Parties on the one hand and the Second Lien Secured Parties on the other hand. Holdings shall not have any rights or obligations hereunder, except as expressly provided in this Agreement; provided that nothing in this Agreement (other than Sections 2.03, 5.01, 6.02, 6.04, 6.07 and 6.08 or Article VIII) is intended to or will amend, waive or otherwise modify the provisions of the Credit Documents), and Holdings may not rely on the terms hereof (other than Sections 2.03, 5.01, 6.02, 6.04, 6.07 and 6.08 or Article VIII). No Loan Party (other than Holdings) or any other creditor thereof or of Holdings shall have any rights or obligations hereunder, and no Loan Party (other than Holdings) may rely on the terms hereof. Nothing in this Agreement is intended to or shall impair the obligations of any Grantor, which are absolute

---

and unconditional, to pay the First Lien Obligations and the Second Lien Obligations as and when the same shall become due and payable in accordance with their terms.

SECTION 21.20. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among the parties hereto, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(i) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(ii) the effects of any Bail-in Action on any such liability, including, if applicable:

- a reduction in full or in part or cancellation of any such liability;
- a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or
- the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any Affected Resolution Authority.

The following terms shall for purposes of this Section 8.20 have the meanings set forth below:

“UK Financial Institutions” shall mean any BRRD Undertaking (as such term is defined under the PRA Rulebook, as amended from time to time, promulgated by the United Kingdom Prudential Regulation Authority) or any Person falling within IFPRU 11.7 of the FCA Handbook, as amended from time to time, promulgated by the United Kingdom Financial Conduct Authority, which includes certain credit institutions and investment firms, and certain affiliates of such credit institutions or investment firms.

“Write-Down and Conversion Powers” shall mean, (a) with respect to any EEA Resolution Authority, the write-down and conversion powers of such EEA Resolution Authority from time to time under the Bail-In Legislation for the applicable EEA Member Country, which write-down and conversion powers are described in the EU Bail-In Legislation Schedule and (b) with respect to the United Kingdom, any powers of the applicable Resolution Authority under the Bail-in Legislation Schedule to cancel, modify or change the form of a liability of any UK Financial Institution or any contract or instrument under which the liability arises, to convert all or part of that liability into shares securities or obligations, of that Person or any other Person, to provide that any such contract or instrument is to have effect as if a right had been exercised under it or to suspend any obligation in

---

respect of that liability or any of the powers under that Bail-In Legislation that are related to or ancillary to any of those powers.

(iii) Holdings' obligation to indemnify and reimburse each First Lien Trustee and the First Lien Collateral Agents under this Agreement and the other Credit Documents shall survive the exercise of any write-down and conversion powers by the relevant EEA Resolution Authority.

The parties hereto hereby agree that they will not amend, change or modify the agreed language relating to the exercise of any write-down and conversion powers by the relevant EEA Resolution Authority and the related rights, immunities, indemnities and protections of the First Lien Collateral Agents without their written consent and that any such amendment, change or modification will be made in an amendment to this Agreement.

Holdings hereby agrees that any and all amounts due and owing to the First Lien Collateral Agents pursuant to this Agreement shall be payable within six days of the date on which the First Lien Collateral Agents can demand payment.

(n) Section 2.11(b) of the Existing Credit Agreement is hereby amended by replacing the words “the U.S. Term Loan Maturity Date” therein with the words “the Tranche B-1 U.S. Term Loan Maturity Date, the Tranche B-2 U.S. Term Loan Maturity Date”.

(o) Section 2.12(e) of the Existing Credit Agreement is hereby amended and restated in its entirety to read as follows:

“(e) If, prior to the date that is six months after the Amendment No. 13 Effective Date, (i) all or any portion of the Tranche B-2 U.S. Term Loans are prepaid out of the proceeds of a substantially concurrent issuance or incurrence of secured term loans that are marketed or syndicated to banks and other institutional investors and the all-in-yield (as determined by the Administrative Agent in consultation with Holdings and in a manner consistent with generally accepted financial practice and, in any event, excluding the effect of any arrangement, structuring, syndication, commitment or other fees in connection therewith that are not shared with all providers of such financing, and without taking into account any fluctuations in the Adjusted LIBO Rate) of such secured term loan financing is less than the yield (as determined by the Administrative Agent on the same basis) of the Tranche B-2 U.S. Term Loans or (ii) a Tranche B-2 U.S. Term Lender must assign its Tranche B-2 U.S. Term Loans pursuant to Section 2.21 as a result of its failure to consent to an amendment that would reduce (as determined by the Administrative Agent in consultation with Holdings) any of the interest rate margins (or other pricing-related terms) then in effect with respect to such Tranche B-2 U.S. Term Loans then in each case the aggregate principal amount so prepaid or assigned will be subject to a fee payable by the U.S. Borrowers equal to 1.0% of the principal amount thereof; *provided* that, in each case, such fee shall only be payable if the primary purpose (as determined by Holdings in good faith) of such prepayment, repayment, refinancing, substitution, replacement, amendment, waiver or other modification was to reduce the all-in-yield of the Tranche B-2 U.S. Term Loans; *provided further* that this Section 2.12(e) shall not apply to any prepayment of the Tranche B-2 U.S. Term Loans upon the occurrence of a Change in Control.”

(q) Solely with respect to the Tranche B-2 U.S. Term Loans, the New Revolving Loans and any other Loans incurred under the Amended Credit Agreement after the Amendment No. 13 Effective Date (and not, for the avoidance of doubt, with respect to the Tranche B-1 U.S. Term Loans, unless and until this Agreement (or the substance of this Section 4(q)) shall have become effective in accordance with Section 7 or otherwise shall have been approved on or after the Amendment No. 13 Effective Date by Lenders constituting the Required Lenders), Article IX of the Existing Credit Agreement is hereby

amended by inserting the following new Section 9.27 immediately after Section 9.26 thereof:

“SECTION 9.27. *Acknowledgment Regarding Any Supported QFCs*. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for secured Hedging Agreements or any other agreement or instrument that is a QFC (such support, “*QFC Credit Support*” and each such QFC a “*Supported QFC*”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “*U.S. Special Resolution Regimes*”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “*Covered Party*”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.”

(a) The Administrative Agent shall have received a Borrowing Request with respect to the Tranche B-2 U.S. Term Loans (which Borrowing Request may be given at any time prior to 12:00 (noon), New York City time, on the Business Day immediately prior to the Amendment No. 13 Effective Date).

(d) Subject to the Agreed Security Principles, the Administrative Agent shall have received legal opinions, corporate authorizations and closing certificates (similar in type to those described in clauses (i), (ii), (iii) and (iv) of Section 4.02(c) of the Original Credit Agreement) reasonably requested by the Administrative Agent for each Loan Party.

(f) The Administrative Agent shall have received all fees and other amounts due and payable on or prior to the Amendment No. 13 Effective Date and, to the extent invoiced, reimbursement or payment of all reasonable and documented out-of-pocket expenses required to be reimbursed or paid by the Borrowers hereunder or under any other Loan Document.

(g) The Bank of New York Mellon, in its capacity as Collateral Agent, and each Loan Party shall have executed and delivered to the Administrative Agent a reaffirmation agreement (the “*Reaffirmation Agreement*”), substantially in the form attached hereto as Exhibit A, and other amendments, supplements and confirmations of existing Loan Documents reasonably requested by the Administrative Agent (it being understood that the documentation required to be delivered shall, in any event, be no more onerous to Holdings and the Subsidiaries than the documentation required to be delivered in connection with the 2017 Incremental Term Loan Transactions), in each case subject to the Agreed Security Principles and with any modifications necessary to reflect the 2020 Transactions and such other modifications that are reasonably satisfactory to Holdings and the Administrative Agent.

SECTION 7. *Conditions Precedent to Additional Amendments to Credit Agreement.* The amendments to the Existing Credit Agreement set forth in Section 5 hereof shall become effective on the date (the “*Additional Amendments Effective Date*”) on which the Administrative Agent shall have received counterparts of this Agreement that, when taken together with the Tranche B-2 U.S. Term Lenders and the New Revolving Credit Lenders, bear the signatures of Lenders constituting the Required Lenders as of such date (determined after giving effect to the 2020 Transactions, including the termination of the Revolving Credit Commitments and the prepayment of U.S. Term Loans under the Existing Credit Agreement on the Amendment No. 13 Effective Date), *provided* that the occurrence of the Amendment No. 13 Effective Date shall be a condition precedent to the effectiveness of the amendments to the Amended Credit Agreement set forth in Section 5.

SECTION 8. *Representations and Warranties.* To induce the other parties hereto to enter into this Agreement, each Loan Party party hereto represents and warrants to the Administrative Agent and each of the Lenders (including the Tranche B-2 U.S. Term Lenders and the New Revolving Credit Lenders), with respect to itself, that, as of the Amendment No. 13 Effective Date, this Agreement has been duly authorized, executed and delivered by such Loan Party and, subject to the Legal Reservations, constitutes a legal, valid and binding obligation of such Loan Party enforceable against such Loan Party in accordance with its terms.

SECTION 9. *Effect of Agreement.* Except as expressly set forth herein, this Agreement shall not, by implication or otherwise, limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of the Lenders, the Administrative Agent or the Collateral Agents under the Amended Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other Loan Document, all of which shall

continue in full force and effect. Nothing herein shall be deemed to entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other Loan Document in similar or different circumstances. After the date hereof, any reference in any Loan Document to the Amended Credit Agreement shall be deemed to refer without further amendment to the Amended Credit Agreement as modified hereby.

SECTION 10. **Consent.** Each Loan Party hereby consents to this Agreement and the transactions contemplated hereby.

SECTION 11. **Post-Effective Matters.** Within the time periods set forth in Schedule II or such later date as may be agreed by the Administrative Agent in its sole discretion, the Loan Parties identified on Schedule II shall enter into, subject to the Agreed Security Principles, all agreements and do all things required to be entered into and done by them as set forth in Schedule II, with each such required agreement to be in form and substance reasonably satisfactory to the Administrative Agent.

SECTION 16. INDUCED TO ENTER INTO THIS AGREEMENT, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 15.

SECTION 17. **Jurisdiction; Consent to Service of Process.** (a) Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York state court or Federal court of the United States of America sitting in the Borough of Manhattan, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.
